Senator Albritton moved the following:

**Senate Amendment (with title amendment)**

Delete lines 168 - 169

and insert:

tourism infrastructure, and deployment of broadband Internet service and access in unserved rural communities. For the purposes of this paragraph, the term "unserved rural community" means a geographic area of this state, identified at the census block level, in which there is not at least one provider of broadband Internet service which offers a connection to the Internet that provides capacity for transmission at an actual
