Appropriations Subcommittee on Health and Human Services
(Harrell) recommended the following:

Senate Amendment (with title amendment)

Delete lines 583 - 609

and insert:

(3) This section does not require a health insurer to add a drug to its prescription drug formulary or to cover a prescription drug that the insurer does not otherwise cover.

Section 11. Effective January 1, 2020, subsection (45) is added to section 641.31, Florida Statutes, to read:

641.31 Health maintenance contracts.—

870336

11 (45) (a) A health maintenance organization issuing major
12 medical coverage through an individual or group contract may not
13 require a step-therapy protocol under the contract for a covered
14 prescription drug requested by a subscriber if:

15 1. The subscriber has previously been approved to receive
16 the prescription drug through the completion of a step-therapy
17 protocol required by a separate health coverage plan; and

18 2. The subscriber provides documentation originating from
19 the health coverage plan that approved the prescription drug as
20 described in subparagraph 1. indicating that the health coverage
21 plan paid for the drug on the subscriber's behalf during the 180
22 days immediately prior to the request.

23 (b) As used in this subsection, the term "health coverage
24 plan" means any of the following which previously provided or is
25 currently providing major medical or similar comprehensive
26 coverage or benefits to the subscriber:

27 1. A health insurer or health maintenance organization;

28 2. A plan established or maintained by an individual
29 employer as provided by the Employee Retirement Income Security
30 Act of 1974, Pub. L. No. 93-406;

31 3. A multiple-employer welfare arrangement as defined in s.
32 624.437; or

33 4. A governmental entity providing a plan of self-
34 insurance.

35 (c) This subsection does not require a health maintenance
36 organization to add a drug to its prescription drug formulary or
37 to cover a prescription drug that the health maintenance
38 organization does not otherwise cover.
