8 that section, to read:

13 the issuance of an adjunct teaching certificate to any applicant
14 who fulfills the requirements of s. 1012.56(2)(a)-(f) and (10)
15 and who has expertise in the subject area to be taught. An
16 applicant shall be considered to have expertise in the subject

18 subject area mastery through passage of a subject area test. ~~The~~

25 adjunct certificates to qualified applicants.

26 (3) Adjunct certificateholders should be used primarily as
27 a strategy to enhance the diversity of course offerings offered
28 to all students. School districts may use the expertise of
29 individuals in the state who wish to provide online instruction
30 to students by issuing adjunct certificates to qualified
31 applicants.

32 (4) Each adjunct teaching certificate is valid through the
33 term of the annual contract between the educator and the school
34 district. An additional annual certification and an additional
35 annual contract may be awarded by the district at the district's
36 discretion but only if the applicant is rated effective or
37 highly effective under s. 1012.34 during each year of teaching
38 under adjunct teaching certification. A school district may
39 issue an adjunct teaching certificate for a part-time or full-
40 time teaching position; however, an adjunct teaching certificate

41 issued for a full-time teaching position is valid for no more
42 than 3 years and is nonrenewable.

43 (6) Each school district shall:

44 (a) Post requirements on its website for the issuance of an
45 adjunct teaching certificate, which must specify the subject
46 area test through which an applicant demonstrates subject area
47 mastery.

48 (b) Annually report to the department the number of adjunct
49 teaching certificates issued for part-time teaching positions
50 and full-time teaching positions pursuant to this section.
