---

Appropriations Subcommittee on Transportation, Tourism, and Economic Development (Diaz) recommended the following:

**Senate Amendment to Amendment (182606) (with title amendment)**

Delete lines 31 - 53  
and insert:

other tax collection systems. Other tax collection systems may include technology systems provided by vendors contracted with the tax collector for in-person transactions of motor vehicle and mobile home registration certificates, registration license plates, and validation stickers and online motor vehicle and

11 mobile home registration renewals and validation stickers. Upon  
12 the tax collector's request, the department shall provide the  
13 tax collector and their approved vendors with the same data  
14 access and interface functionality that other third parties  
15 receive from the department, including, but not limited to, bulk  
16 data for vehicle registrations and each applicant's current  
17 residential address and electronic mail address collected  
18 pursuant to s. 320.95. Such data and functionality shall be used  
19 only for purposes of fulfilling the tax collector's statutory  
20 duties, and it may not be resold or used for any other purpose  
21 under this chapter. For purposes of this subsection, other tax  
22 collection systems do not include electronic filing systems  
23 pursuant to s. 320.03. The department shall administer this  
24 program upon consultation with the Florida Tax Collectors, Inc.,  
25 to ensure that each county tax collector's office is  
26 technologically equipped and functional for the operation of the  
27 Florida Real Time Vehicle Information System and that tax  
28 collectors' approved vendors enter into a memorandum of  
29 understanding with the department. Tax collectors and their
