30 any statutory regulatory provision or scheme which places a
31 condition on practicing an occupation, including, but not
32 limited to, programs that require a license, certification,
33 registration, or credential.

34 (b) "Local government" means a county, municipality,

37 of work, trade, employment, position, post, career, field,
38 vocation, or craft.

39 (2) There is established a schedule for systematic review
40 of the costs and benefits of occupational regulatory programs.
41 The Legislature intends to review each program before the
42 scheduled date on which each occupational regulatory program is
43 set to expire through scheduled repeal to determine whether to
44 allow the program to expire, renew the program without
45 modifications, renew the program with modifications, or provide
46 for other appropriate actions.

47 (3) If a chapter or section scheduled for review by this
48 act is subsequently amended or transferred, such subsequent
49 amendment or transfer, unless otherwise expressly provided in

51 not eliminate the scheduled repeal of such chapter or section.

54 under this act, the personnel positions which are responsible
55 for carrying out the program shall be abolished, and all

63 occupational regulatory program allowed to expire through repeal
64 shall be refunded on a pro rata basis by the Chief Financial
65 Officer pursuant to s. 215.26, upon request of the person or
66 entity who paid, if such request is made within 1 year after the
67 repeal of the program.

68 (6) Any cause of action pending on the date the
69 occupational regulatory program was repealed, or any cause of
70 action brought thereafter, shall be prosecuted or defended in
71 the name of the state by the Department of Legal Affairs, if
72 prior to repeal such action would have been prosecuted or

76 through scheduled repeal in accordance with this act may not be
77 subsequently regulated by a local government. The regulation of
