The Committee on Community Affairs (Flores) recommended the following:

**Senate Amendment to Amendment (349612)**

Between lines 97 and 98

insert:

In making purchases or conducting a competitive solicitation pursuant to this section, a commercial service airport is authorized to enact or adopt criteria, standards, preferences, or policies for the promotion of small or locally owned businesses, or otherwise apply such criteria, standards, preferences, or policies otherwise generally applicable to

208538

11 competitive solicitations of the political subdivision owning  
12 and operating such commercial service airport, and may impose  
13 contract provisions necessary to address local economic  
14 conditions or local regulatory requirements.
