1                                   A bill to be entitled  
2       An act relating to automated license plate recognition  
3       systems; amending s. 316.0778, F.S.; prohibiting  
4       homeowners' associations from owning or operating an  
5       automated license plate recognition system; providing  
6       an effective date.

7  
8   Be It Enacted by the Legislature of the State of Florida:

9  
10       Section 1. Section 316.0778, Florida Statutes, is amended  
11       to read:

12       316.0778 Automated license plate recognition systems;  
13       prohibited uses; records retention.—

14       (1) As used in this section, the term "automated license  
15       plate recognition system" means a system of one or more mobile  
16       or fixed high-speed cameras combined with computer algorithms to  
17       convert images of license plates into computer-readable data.

18       (2) An automated license plate recognition system may not  
19       be owned or operated by a homeowners' association as defined in  
20       s. 720.301(9).

21       (3) In consultation with the Department of Law Enforcement,  
22       the Department of State shall establish a retention schedule for  
23       records containing images and data generated through the use of  
24       an automated license plate recognition system. The retention  
25       schedule must establish a maximum period that the records may be  
26       retained.

27       Section 2. This act shall take effect July 1, 2020.
