

26 | Legislature that an increased priority be given to those  
27 | acquisitions which achieve a combination of conservation goals,  
28 | including protecting Florida's water resources and natural  
29 | groundwater recharge. At a minimum, 3 percent, and no more than  
30 | 10 percent, of the funds allocated pursuant to this paragraph  
31 | shall be spent on capital project expenditures identified during  
32 | the time of acquisition which meet land management planning  
33 | activities necessary for public access. Beginning in the 2017-  
34 | 2018 fiscal year and continuing through the 2026-2027 fiscal  
35 | year, at least \$5 million of the funds allocated pursuant to  
36 | this paragraph shall be spent on land acquisition within the  
37 | Florida Keys Area of Critical State Concern as authorized  
38 | pursuant to s. 259.045. Beginning in the 2020-2021 fiscal year  
39 | and continuing through the 2024-2025 fiscal year, at least \$5  
40 | million of the funds allocated pursuant to this paragraph shall  
41 | be spent on projects that improve surface water and groundwater  
42 | quality within the Apalachicola Bay Area of Critical State  
43 | Concern as designated under s. 380.0555, including the  
44 | construction and replacement of stormwater management facilities  
45 | and central sewage collection facilities, installation of onsite  
46 | sewage treatment and disposal systems, direct and indirect  
47 | potable reuse, and other water quality and water supply  
48 | projects.

49 | Section 3. This act shall take effect July 1, 2020.
