14 applicable Department of Transportation standards, manuals, and
15 specifications. Traffic control signal devices and pedestrian
16 control signals at crosswalk locations described in this section
17 must conform to all of the following requirements:

18 (a) Before the installation of a pedestrian crosswalk on a
19 public highway, street, or road which is located at any point
20 other than at an intersection with another public highway,
21 street, or road, a traffic engineering study must be conducted
22 by a Florida licensed professional engineer, and the study must
23 recommend the installation of such crosswalk.

24 (b) Coordination of traffic control signal devices at
25 intersections adjacent to the crosswalk shall be taken into
26 consideration as provided in the most recent Manual on Uniform
27 Traffic Control Devices and other applicable Department of
28 Transportation specifications.

29 (2) By October 1, 2024, the entity with jurisdiction over
30 a public highway, street, or road with a crosswalk described in
31 subsection (1) which is in existence on July 1, 2020, shall
32 ensure that such crosswalk conforms to the requirements of
33 subsection (1). The entity with jurisdiction may alternatively
34 remove any such existing crosswalk.

35 Section 2. The Legislature finds and declares that this
36 act fulfills an important state interest.
