House

The Committee on Health Policy (Harrell) recommended the following:

Senate Amendment to Amendment (705054)

Delete line 288

and insert:

donations. The rules must include the requirement that each hospital designate at least one employee or representative of the hospital who is educated on the protocols of the hospital and federal and state regulations regarding organ donation, to provide a clear explanation of such subjects to any patient, or a patient's representative, who is considering posthumous or
