COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1628 expands the required instruction associated with the history of the Holocaust. Specifically, the bill:

- Adds the policy against anti-Semitism to the required instruction on the history of the Holocaust.
- Requires each school district to annually certify and provide evidence to the Department of Education (DOE) that instructional requirements on the history of the Holocaust are met.
- Authorizes the DOE to prepare and offer standards and curriculum for the required instruction on the history of the Holocaust.
- Authorizes the DOE to contract with the Commissioner of Education's Task Force on Holocaust Education and other entities to develop training for instructional personnel and grade-appropriate classroom resources to support the developed curriculum.
- Designates the second week in November as Holocaust Education Week.

The bill does not have an impact on state revenues or expenditures. However, the DOE may incur minimal costs associated with preparing grade-appropriate curricula, training and resources. In addition, the DOE may incur minimal costs associated with verifying that each district has met the requirements of the bill. Such costs can be absorbed by the DOE within existing resources.

The bill takes effect July 1, 2020.

II. Present Situation:

Required Instruction in Florida

Florida law specifies required standards and instruction for public school students. Instructional staff of public schools, subject to the rules of the State Board of Education and the district school board, are required by law to teach prescribed courses of study, including the following historical subject matter:¹

- The history and content of the Declaration of Independence, including national sovereignty, natural law, self-evident truth, equality of all persons, limited government, popular sovereignty, and inalienable rights of life, liberty, and property, and how they form the philosophical foundation of our government.
- The history of the United States, including the period of discovery, early colonies, the War for Independence, the Civil War, the expansion of the United States to its present boundaries, the world wars, and the civil rights movement to the present.
- The history of the Holocaust (1933-1945), the systematic, planned annihilation of European Jews and other groups by Nazi Germany, a watershed event in the history of humanity, to be taught in a manner that leads to an investigation of human behavior, an understanding of the ramifications of prejudice, racism, and stereotyping, and an examination of what it means to be a responsible and respectful person, for the purposes of encouraging tolerance of diversity in a pluralistic society and for nurturing and protecting democratic values and institutions.
- The history of African Americans, including the history of African peoples before the political conflicts that led to the development of slavery, the passage to America, the enslavement experience, abolition, and the contributions of African Americans to society.

The History of the Holocaust

Florida Law was amended in 1994 to require instruction on the history of the Holocaust.² Florida school districts must report to the Commissioner of Education (commissioner), annually by July 1, details on the specific courses delivered for each grade level, as well as the materials and resources used, to deliver instruction for all required instruction, including the history of the Holocaust.³

The social studies standards for grades 9-12 World History⁴ and American History⁵ include standards on teaching about the Holocaust. These standards require students to be able to:

¹ Section 1003.42(2), F.S.

² Florida Department of Education, *Commission of Education's Task Force on Holocaust Education*, <http://www.fldoe.org/holocausteducation> (last visited Jan. 29, 2020). See s. 1003.42(2)(g), F.S.

³ Rule 6A-1.094124, F.A.C.

- Explain the causes, events, and effects of the Holocaust (1933-1945) including its roots in the long tradition of anti-Semitism, nineteenth century ideas about race and nation, and Nazi dehumanization of the Jews and other victims.⁶
- Analyze the impact of the Holocaust during World War II on Jews as well as other groups.⁷

Commissioner's Task Force on Holocaust Education

The commissioner created the Commissioner's Task Force on Holocaust Education (task force) in 1994 with the core mission of promoting Holocaust education in Florida. The task force serves as an advisory group to the commissioner and coordinates Holocaust education activities in Florida school districts throughout the state on the commissioner's behalf.

The task force continues to pursue efforts to help teachers, school administrators, and other educators identify effective instructional strategies and materials for integrating Holocaust education in classrooms kindergarten through grade 12,⁸ including State of Florida Resource Manuals on Holocaust Education.

Discrimination Policy

The Florida Educational Equity Act prohibits discrimination against students and employees in the Florida K-20 public education system on the basis of criteria including race, ethnicity, national origin, and religion.⁹ Public K-20 educational institutions in Florida are required by law to treat discrimination by students or employees or resulting from institutional policies motivated by anti-Semitic intent in an identical manner to discrimination motivated by race.¹⁰

Examples of anti-Semitism include:¹¹

- Calling for, aiding, or justifying the killing or harming of Jews, often in the name of a radical ideology or an extremist view of religion.
- Making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as a collective, especially, but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions.
- Accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, the State of Israel, or even for acts committed by non-Jews.
- Accusing Jews as a people or the State of Israel of inventing or exaggerating the Holocaust.
- Accusing Jewish citizens of being more loyal to Israel, or the alleged priorities of Jews worldwide, than to the interest of their own nations.

⁶ CPALMS, *supra* note 4.

⁷ Another related standard requires students to be able to describe the attempts to promote international justice through the Nuremberg Trials. CPALMS, *supra* note 5.

⁸ See Florida Department of Education, *supra* note 2.

⁹ Section 1000.05(1)-(2), F.S.

¹⁰ "Anti-Semitism" is defined as including a certain perception of the Jewish people, which may be expressed as hatred toward Jewish people, rhetorical and physical manifestation of anti-Semitism directed toward a person, his or her property, or toward Jewish community institutions or religious facilities. Section 1000.05(7), F.S.

¹¹ Section 1000.05(7)(a), F.S.

Examples of anti-Semitism related to Israel include:¹²

- Demonizing Israel by using the symbols and images associated with classic anti-Semitism to characterize Israel or Israelis, drawing comparisons of contemporary Israeli policy to that of the Nazis, or blaming Israel for all inter-religious or political tensions.
- Applying a double standard to Israel by requiring behavior of Israel that is not expected or demanded of any other democratic nation or focusing peace or human rights investigations only on Israel.
- Delegitimizing Israel by denying the Jewish people their right to self-determination and denying Israel the right to exist.

III. Effect of Proposed Changes:

The bill expands the required instruction associated with the history of the Holocaust. Specifically, the bill:

- Adds the policy against anti-Semitism to the required instruction on the history of the Holocaust.
- Requires each school district to annually certify and provide evidence to the DOE that instructional requirements on the history of the Holocaust are met.
- Authorizes the DOE to prepare and offer standards and curriculum for the required instruction on the history of the Holocaust.
- Designates the second week in November as Holocaust Education Week.
- Authorizes the DOE to contract with the Commissioner of Education's Task Force on Holocaust Education and other entities to develop training for instructional personnel and grade-appropriate classroom resources to support the developed curriculum.

The bill expands the list of entities the DOE may contract with in developing training for instructional personnel and grade-appropriate classroom resources to include, in addition to other state or nationally recognized Holocaust educational organizations:

- The Holocaust Education Resource Council;
- Florida State University's Holocaust Institute for Educators;
- The Holocaust Memorial Resource and Education Center of Florida;
- The Holocaust Education and Documentation Center, Inc.;

- The Holocaust Museum and Janet G. and Harvey D. Cohen Education Center;
- The University of Florida Center for Jewish Studies;
- The Northeast Florida Center for Holocaust and Human Rights Education; and
- The Florida Holocaust Museum.

The requirements of the bill may assist school districts in providing required instruction on the history of the Holocaust and improve the quality of such instruction statewide.

The bill takes effect July 1, 2020.
