House

The Committee on Rules (Rodriguez) recommended the following:

Senate Amendment (with title amendment)

Delete lines 1868 - 1869

and insert:

Section 49. Effective upon this act becoming a law,
subsection (10) is added to section 381.0031, Florida Statutes,
to read:

381.0031 Epidemiological research; report of diseases of
public health significance to department.—

(10) Notwithstanding subsection (6) or any other state law,
if the United States Department of Health and Human Services,

12 the Florida Department of Health, or other executive agencies
13 designated by the Governor has declared an outbreak of an
14 infectious disease as a public health emergency the department
15 shall publish a report of the following information related to
16 that infectious disease during the public health emergency,
17 excluding patient-identifying information or information that
18 would identify individual healthcare providers or facilities:

19 (a) The total number of confirmed cases of the infectious
20 disease in this state, differentiated by county.

21 (b) The total number of individuals who have been tested
22 for the infectious disease in this state, differentiated by
23 county.

24 (c) The total number of individuals who are currently being
25 tested or monitored for the infectious disease in this state,
26 differentiated by county.

27 (d) The total number of individuals who have been
28 quarantined for testing or monitoring of the infectious disease
29 in this state, differentiated by county.

30 (e) Any other information the department determines is
31 relevant to prevent or eliminate the spread of the infectious
32 disease or otherwise protect and promote public health in this
33 state.

34 Section 50. Except as otherwise expressly provided in this
35 act and except for this section, which shall take effect upon
36 this act becoming a law, this act shall take effect on July 1,
37 2020.
