House

The Committee on Rules (Rodriguez) recommended the following:

Senate Amendment to Amendment (444270)

Delete lines 12 - 16

and insert:

the department, or any other executive agency designated by the
Governor has declared an outbreak of an infectious disease as a
public health emergency, the department shall provide to the
public a daily report, published on the department's website, of
all of the following information related to that infectious
disease for the duration of the declared public health
emergency,
