The Committee on Health Policy (Cruz) recommended the following:

**Senate Amendment to Amendment (215354)**

Between lines 88 and 89

insert:

4. A health care practitioner may not use the title  
"anesthetist" unless he or she is an advanced practice  
registered nurse licensed in this state to practice professional  
nursing and certified as a certified registered nurse  
anesthetist under part I of chapter 464 or is an  
anesthesiologist as defined in s. 458.3475 or s. 459.023.
