481 1011.62 Funds for operation of schools.—If the annual

483 district for operation of schools is not determined in the
484 annual appropriations act or the substantive bill implementing
485 the annual appropriations act, it shall be determined as
486 follows:

487 (8) DECLINE IN FULL-TIME EQUIVALENT STUDENTS.—

488 (a) In those districts where there is a decline between
489 prior year and current year unweighted FTE students, a
490 percentage of the decline in the unweighted FTE students as
491 determined by the Legislature shall be multiplied by the prior
492 year calculated FEFP per unweighted FTE student and shall be

497 another institution not under the authority of the district's
498 school board, including a charter technical career center, the
499 decline is to be multiplied by a factor of 0.15. However, if the
500 funds provided for the Florida Education Finance Program in the

501 General Appropriations Act for any fiscal year are reduced by a
502 subsequent appropriation for that fiscal year, the percent of
503 the decline in the unweighted FTE students to be funded shall be
504 determined by the Legislature and designated in the subsequent
505 appropriation.

506 (b) The allocation authorized in this paragraph (a) is
507 suspended for the 2020-2021 fiscal year and does not apply
508 during such fiscal year. This paragraph expires July 1, 2021.

509 (17) (a) FUNDING COMPRESSION AND HOLD HARMLESS ALLOCATION.—
510 The Legislature may provide an annual funding compression and

512 allocation is created to provide additional funding to school
513 districts if the school district's ~~and developmental research~~
514 ~~schools whose~~ total funds per FTE in the prior year were less

520 each eligible school district, subtract the total school
521 district funds per FTE ~~shall be subtracted~~ from the state
522 average funds per FTE, not including any adjustments made
523 pursuant to paragraph (19) (b). The resulting funds per FTE
524 difference, or a portion thereof, as designated in the General

527 | (c) Multiply the absolute value of the difference between
 528 | the eligible school district's current year district cost
 529 | differential and the prior year district cost differential by a
 530 | hold harmless factor as designated in the General Appropriations
 531 | Act. The result is the district cost differential hold harmless
 532 | index. Multiply the index by the eligible school district's
 533 | weighted FTE and by the base student allocation as designated in
 534 | the General Appropriations Act.

535 | (d) Add the amounts calculated in paragraphs (b) and (c)
 536 | and if the amount is calculated funds are greater than the
 537 | amount included in the General Appropriations Act, the
 538 | allocation shall ~~they must~~ be prorated to the appropriation

722 bidding pursuant to s. 287.057, and other mechanisms the agency
723 considers efficient and effective for purchasing services or
724 goods on behalf of recipients. If a provider is reimbursed based
725 on cost reporting and submits a cost report late and that cost

726 report would have been used to set a lower reimbursement rate
727 for a rate semester, then the provider's rate for that semester
728 shall be retroactively calculated using the new cost report, and
729 full payment at the recalculated rate shall be effected
730 retroactively. Medicare-granted extensions for filing cost
731 reports, if applicable, shall also apply to Medicaid cost
732 reports. Payment for Medicaid compensable services made on
733 behalf of Medicaid eligible persons is subject to the
734 availability of moneys and any limitations or directions
735 provided for in the General Appropriations Act or chapter 216.
736 Further, nothing in this section shall be construed to prevent
737 or limit the agency from adjusting fees, reimbursement rates,
738 lengths of stay, number of visits, or number of services, or
739 making any other adjustments necessary to comply with the
740 availability of moneys and any limitations or directions
741 provided for in the General Appropriations Act, provided the
742 adjustment is consistent with legislative intent.

756 General Appropriations Act.

757 Section 13. The text of s. 409.908(23), Florida Statutes,
758 as carried forward from chapter 2019-116, Laws of Florida, by
759 this act expires July 1, 2021, and the text of that subsection
760 shall revert to that in existence on October 1, 2018, not
761 including any amendments made by chapter 2019-116, Laws of
762 Florida, except that any amendments to such text enacted other
763 than by this act and chapters 2019-116 and 2018-10, Laws of
764 Florida, shall be preserved and continue to operate to the
765 extent that such amendments are not dependent upon the portions
766 of text which expire pursuant to this section.

767 Section 14. In order to implement Specific Appropriation
768 209 of the 2020-2021 General Appropriations Act, and

771 Florida Statutes, is reenacted and amended to read:

772 409.908 Reimbursement of Medicaid providers.—Subject to
773 specific appropriations, the agency shall reimburse Medicaid
774 providers, in accordance with state and federal law, according
775 to methodologies set forth in the rules of the agency and in

776 policy manuals and handbooks incorporated by reference therein.
777 These methodologies may include fee schedules, reimbursement
778 methods based on cost reporting, negotiated fees, competitive
779 bidding pursuant to s. 287.057, and other mechanisms the agency
780 considers efficient and effective for purchasing services or
781 goods on behalf of recipients. If a provider is reimbursed based
782 on cost reporting and submits a cost report late and that cost
783 report would have been used to set a lower reimbursement rate
784 for a rate semester, then the provider's rate for that semester
785 shall be retroactively calculated using the new cost report, and
786 full payment at the recalculated rate shall be effected
787 retroactively. Medicare-granted extensions for filing cost
788 reports, if applicable, shall also apply to Medicaid cost
789 reports. Payment for Medicaid compensable services made on
790 behalf of Medicaid eligible persons is subject to the
791 availability of moneys and any limitations or directions
792 provided for in the General Appropriations Act or chapter 216.
793 Further, nothing in this section shall be construed to prevent
794 or limit the agency from adjusting fees, reimbursement rates,
795 lengths of stay, number of visits, or number of services, or
796 making any other adjustments necessary to comply with the
797 availability of moneys and any limitations or directions
798 provided for in the General Appropriations Act, provided the
799 adjustment is consistent with legislative intent.

800 (26) The agency may receive funds from state entities,

801 including, but not limited to, the Department of Health, local
802 governments, and other local political subdivisions, for the
803 purpose of making special exception payments and Low Income Pool
804 Program payments, including federal matching funds. Funds
805 received for this purpose shall be separately accounted for and
806 may not be commingled with other state or local funds in any
807 manner. The agency may certify all local governmental funds used
808 as state match under Title XIX of the Social Security Act to the
809 extent and in the manner authorized under the General
810 Appropriations Act and pursuant to an agreement between the
811 agency and the local governmental entity. In order for the
812 agency to certify such local governmental funds, a local
813 governmental entity must submit a final, executed letter of
814 agreement to the agency, which must be received by October 1 of
815 each fiscal year and provide the total amount of local
816 governmental funds authorized by the entity for that fiscal year
817 under the General Appropriations Act. The local governmental
818 entity shall use a certification form prescribed by the agency.
819 At a minimum, the certification form must identify the amount
820 being certified and describe the relationship between the
821 certifying local governmental entity and the local health care
822 provider. Local governmental funds outlined in the letters of
823 agreement must be received by the agency no later than October
824 31 of each fiscal year in which such funds are pledged, unless
825 an alternative plan is specifically approved by the agency. To

826 be eligible for low-income pool funding or other forms of
827 supplemental payments funded by intergovernmental transfers, and
828 in addition to any other applicable requirements, essential
829 providers under s. 409.975(1)(a)2. must offer to contract with
830 each managed care plan in their region and essential providers
831 under s. 409.975(1)(b)1. and 3. must offer to contract with each
832 managed care plan in the state. Before releasing such
833 supplemental payments, in the event the parties have not
834 executed network contracts, the agency shall evaluate the
835 parties' efforts to complete negotiations. If such efforts
836 continue to fail, the agency shall withhold such supplemental
837 payments beginning in the third quarter of the fiscal year if it
838 determines that, based upon the totality of the circumstances,
839 the essential provider has negotiated with the managed care plan
840 in bad faith. If the agency determines that an essential
841 provider has negotiated in bad faith, it must notify the
842 essential provider at least 90 days in advance of the start of
843 the third quarter of the fiscal year, and afford the essential
844 provider hearing rights in accordance with chapter 120.

846 Statutes, made by this act and carried forward from chapter
847 2019-116, Laws of Florida, by this act expire July 1, 2021, and
848 the text of that subsection shall revert to that in existence on
849 June 30, 2019, except that any amendments to such text enacted
850 other than by this act shall be preserved and continue to

851 operate to the extent that such amendments are not dependent
 852 upon the portions of text which expire pursuant to this section.

 858 may make payments for medical assistance and related services on
 859 behalf of the following persons who are determined to be

 861 eligibility tests set forth in federal and state law. Payment on
 862 behalf of these Medicaid eligible persons is subject to the
 863 availability of moneys and any limitations established by the
 864 General Appropriations Act or chapter 216.

865 (12) Effective July 1, 2020 ~~2019~~, the agency shall make
 866 payments to Medicaid-covered services:

878 Administration shall submit to the Governor, the President of
879 the Senate, and the Speaker of the House of Representatives the

881 the impact of the waiver of Medicaid retroactive eligibility on
882 beneficiaries and providers. The evaluation shall include, but
883 is not limited to:

884 (1) Analysis of how the waiver of Medicaid retroactive
885 eligibility impacted enrollment continuity.

886 (2) Information on how hospitals and nursing facilities
887 have changed their enrollment procedures following the waiver of
888 Medicaid retroactive eligibility.

889 (3) The impact of the waiver of retroactive eligibility on
890 enrollee financial burden.

892 provider uncompensated care.

893 (5) The impact of the waiver of retroactive eligibility on
894 provider financial performance.

895 (6) Additional recommendations to improve outreach to
896 nonpregnant adults who would be eligible for Medicaid if they

1455 (b) Comply with and not exceed the Centers for Medicare
1456 and Medicaid Services funding authorizations for the FX system.

1457 (c) Ensure compliance and uniformity with published MITA

1575 Section 45. In order to implement Specific Appropriation

1576 226 of the 2020-2021 General Appropriations Act, subsection (1)
1577 of section 409.984, Florida Statutes, is amended to read:
1578 409.984 Enrollment in a long-term care managed care plan.—
1579 (1) The agency shall automatically enroll into a long-term
1580 care managed care plan those Medicaid recipients who do not
1581 voluntarily choose a plan pursuant to s. 409.969. The agency
1582 shall automatically enroll recipients in plans that meet or
1583 exceed the performance or quality standards established pursuant
1584 to s. 409.967 and may not automatically enroll recipients in a
1585 plan that is deficient in those performance or quality
1586 standards. If a recipient is deemed dually eligible for Medicaid
1587 and Medicare services and is currently receiving Medicare
1588 services from an entity qualified under 42 C.F.R. part 422 as a
1589 Medicare Advantage Preferred Provider Organization, Medicare
1590 Advantage Provider-sponsored Organization, or Medicare Advantage
1591 Special Needs Plan, the agency shall automatically enroll the
1592 recipient in such plan for Medicaid services if the plan is
1593 currently participating in the long-term care managed care
1594 program. For a dually eligible recipient receiving Medicare
1595 services from an entity qualified under 42 C.F.R. part 422 who
1596 is not participating in the long-term care managed care program,
1597 the agency shall automatically enroll the dually eligible
1598 recipient in a long-term care plan that has established a
1599 collaboration and coordination agreement with that
1600 nonparticipating entity, if the agency determines the agreement

1601 is sufficient to ensure provision of all required services in a
1602 manner consistent with state and federal requirements. Except as
1603 otherwise provided in this part, the agency may not engage in
1604 practices that are designed to favor one managed care plan over
1605 another.

1606 Section 46. The amendments to s. 409.984(1), Florida
1607 Statutes, by this act expire July 1, 2021, and the text of that
1608 subsection shall revert to that in existence on June 30, 2020,
1609 except that any amendments to such text enacted other than by
1610 this act shall be preserved and continue to operate to the
1611 extent that such amendments are not dependent upon the portion
1612 of text which expires pursuant to this section.

1613 Section 47. In order to implement Specific Appropriations
1614 225 and 226 of the 2020-2021 General Appropriations Act,
1615 paragraph (b) of subsection (2) of section 409.908, Florida
1616 Statutes, is amended to read:

1617 409.908 Reimbursement of Medicaid providers.—Subject to
1618 specific appropriations, the agency shall reimburse Medicaid
1619 providers, in accordance with state and federal law, according
1620 to methodologies set forth in the rules of the agency and in
1621 policy manuals and handbooks incorporated by reference therein.
1622 These methodologies may include fee schedules, reimbursement
1623 methods based on cost reporting, negotiated fees, competitive
1624 bidding pursuant to s. 287.057, and other mechanisms the agency
1625 considers efficient and effective for purchasing services or

1626 goods on behalf of recipients. If a provider is reimbursed based
1627 on cost reporting and submits a cost report late and that cost
1628 report would have been used to set a lower reimbursement rate
1629 for a rate semester, then the provider's rate for that semester
1630 shall be retroactively calculated using the new cost report, and
1631 full payment at the recalculated rate shall be effected
1632 retroactively. Medicare-granted extensions for filing cost
1633 reports, if applicable, shall also apply to Medicaid cost
1634 reports. Payment for Medicaid compensable services made on
1635 behalf of Medicaid eligible persons is subject to the
1636 availability of moneys and any limitations or directions
1637 provided for in the General Appropriations Act or chapter 216.
1638 Further, nothing in this section shall be construed to prevent
1639 or limit the agency from adjusting fees, reimbursement rates,
1640 lengths of stay, number of visits, or number of services, or
1641 making any other adjustments necessary to comply with the
1642 availability of moneys and any limitations or directions
1643 provided for in the General Appropriations Act, provided the
1644 adjustment is consistent with legislative intent.

1645 (2)

1646 (b) Subject to any limitations or directions in the
1647 General Appropriations Act, the agency shall establish and
1648 implement a state Title XIX Long-Term Care Reimbursement Plan
1649 for nursing home care in order to provide care and services in
1650 conformance with the applicable state and federal laws, rules,

1651 regulations, and quality and safety standards and to ensure that
1652 individuals eligible for medical assistance have reasonable
1653 geographic access to such care.

1654 1. The agency shall amend the long-term care reimbursement
1655 plan and cost reporting system to create direct care and
1656 indirect care subcomponents of the patient care component of the
1657 per diem rate. These two subcomponents together shall equal the
1658 patient care component of the per diem rate. Separate prices
1659 shall be calculated for each patient care subcomponent,
1660 initially based on the September 2016 rate setting cost reports
1661 and subsequently based on the most recently audited cost report
1662 used during a rebasing year. The direct care subcomponent of the
1663 per diem rate for any providers still being reimbursed on a cost
1664 basis shall be limited by the cost-based class ceiling, and the
1665 indirect care subcomponent may be limited by the lower of the
1666 cost-based class ceiling, the target rate class ceiling, or the
1667 individual provider target. The ceilings and targets apply only
1668 to providers being reimbursed on a cost-based system. Effective
1669 October 1, 2018, a prospective payment methodology shall be
1670 implemented for rate setting purposes with the following
1671 parameters:

1735 | provider.

1736 | 6. A direct care supplemental payment may be made to

1746 | plus the July 1, 2020, unit cost increase or their prospective

1758 agency shall set rates for all facilities remaining on a cost-
1759 based prospective payment system using each facility's most
1760 recently audited cost report, eliminating retroactive
1761 settlements.

1762
1763 It is the intent of the Legislature that the reimbursement plan
1764 achieve the goal of providing access to health care for nursing
1765 home residents who require large amounts of care while
1766 encouraging diversion services as an alternative to nursing home
1767 care for residents who can be served within the community. The
1768 agency shall base the establishment of any maximum rate of
1769 payment, whether overall or component, on the available moneys
1770 as provided for in the General Appropriations Act. The agency
1771 may base the maximum rate of payment on the results of
1772 scientifically valid analysis and conclusions derived from
1773 objective statistical data pertinent to the particular maximum
1774 rate of payment.

1775 Section 48. The amendments to s. 409.908(2)(b), Florida

1776 Statutes, by this act expire July 1, 2021, and the text of that
1777 paragraph shall revert to that in existence on July 1, 2019,
1778 except that any amendments to such text enacted other than by
1779 this act shall be preserved and continue to operate to the
1780 extent that such amendments are not dependent upon the portions
1781 of text which expire pursuant to this section.

1792 declared public health emergency become available in the 2019-

1801 400.179 Liability for Medicaid underpayments and
 1802 overpayments.—

1803 (2) Because any transfer of a nursing facility may expose
 1804 the fact that Medicaid may have underpaid or overpaid the
 1805 transferor, and because in most instances, any such underpayment
 1806 or overpayment can only be determined following a formal field
 1807 audit, the liabilities for any such underpayments or
 1808 overpayments shall be as follows:

1809 (d) Where the transfer involves a facility that has been
 1810 leased by the transferor:

1811 1. The transferee shall, as a condition to being issued a
 1812 license by the agency, acquire, maintain, and provide proof to
 1813 the agency of a bond with a term of 30 months, renewable
 1814 annually, in an amount not less than the total of 3 months'
 1815 Medicaid payments to the facility computed on the basis of the
 1816 preceding 12-month average Medicaid payments to the facility.

1817 2. A leasehold licensee may meet the requirements of
 1818 subparagraph 1. by payment of a nonrefundable fee, paid at
 1819 initial licensure, paid at the time of any subsequent change of
 1820 ownership, and paid annually thereafter, in the amount of 1
 1821 percent of the total of 3 months' Medicaid payments to the
 1822 facility computed on the basis of the preceding 12-month average
 1823 Medicaid payments to the facility. If a preceding 12-month
 1824 average is not available, projected Medicaid payments may be
 1825 used. The fee shall be deposited into the Grants and Donations

1826 Trust Fund and shall be accounted for separately as a Medicaid
1827 nursing home overpayment account. These fees shall be used at
1828 the sole discretion of the agency to repay nursing home Medicaid
1829 overpayments or for enhanced payments to nursing facilities as
1830 specified in the General Appropriations Act or other law.
1831 Payment of this fee shall not release the licensee from any
1832 liability for any Medicaid overpayments, nor shall payment bar
1833 the agency from seeking to recoup overpayments from the licensee
1834 and any other liable party. As a condition of exercising this
1835 lease bond alternative, licensees paying this fee must maintain
1836 an existing lease bond through the end of the 30-month term
1837 period of that bond. The agency is herein granted specific
1838 authority to promulgate all rules pertaining to the
1839 administration and management of this account, including
1840 withdrawals from the account, subject to federal review and
1841 approval. This provision shall take effect upon becoming law and
1842 shall apply to any leasehold license application. The financial
1843 viability of the Medicaid nursing home overpayment account shall
1844 be determined by the agency through annual review of the account
1845 balance and the amount of total outstanding, unpaid Medicaid
1846 overpayments owing from leasehold licensees to the agency as
1847 determined by final agency audits. By March 31 of each year, the
1848 agency shall assess the cumulative fees collected under this
1849 subparagraph, minus any amounts used to repay nursing home
1850 Medicaid overpayments and amounts transferred to contribute to

1851 the General Revenue Fund pursuant to s. 215.20. If the net
1852 cumulative collections, minus amounts utilized to repay nursing
1853 home Medicaid overpayments, exceed \$10 ~~\$25~~ million, the
1854 provisions of this subparagraph shall not apply for the
1855 subsequent fiscal year.

1856 3. The leasehold licensee may meet the bond requirement
1857 through other arrangements acceptable to the agency. The agency
1858 is herein granted specific authority to promulgate rules
1859 pertaining to lease bond arrangements.

1860 4. All existing nursing facility licensees, operating the
1861 facility as a leasehold, shall acquire, maintain, and provide
1862 proof to the agency of the 30-month bond required in
1863 subparagraph 1., above, on and after July 1, 1993, for each
1864 license renewal.

1865 5. It shall be the responsibility of all nursing facility
1866 operators, operating the facility as a leasehold, to renew the
1867 30-month bond and to provide proof of such renewal to the agency
1868 annually.

1869 6. Any failure of the nursing facility operator to
1870 acquire, maintain, renew annually, or provide proof to the
1871 agency shall be grounds for the agency to deny, revoke, and
1872 suspend the facility license to operate such facility and to
1873 take any further action, including, but not limited to,
1874 enjoining the facility, asserting a moratorium pursuant to part
1875 II of chapter 408, or applying for a receiver, deemed necessary

1876 to ensure compliance with this section and to safeguard and
1877 protect the health, safety, and welfare of the facility's
1878 residents. A lease agreement required as a condition of bond
1879 financing or refinancing under s. 154.213 by a health facilities
1880 authority or required under s. 159.30 by a county or
1881 municipality is not a leasehold for purposes of this paragraph
1882 and is not subject to the bond requirement of this paragraph.

1883 Section 51. The amendment to s. 400.179(2)(d), Florida
1884 Statutes, by this act expires July 1, 2021, and the text of that
1885 paragraph shall revert to that in existence on June 30, 2019,
1886 except that any amendments to such text enacted other than by
1887 this act shall be preserved and continue to operate to the
1888 extent that such amendments are not dependent upon the portions
1889 of text which expire pursuant to this section.

1890 Section 52. In order to implement Specific Appropriations
1891 582 through 673 and 685 through 720 of the 2020-2021 General
1892 Appropriations Act, subsection (4) of section 216.262, Florida
1893 Statutes, is amended to read:

1894 216.262 Authorized positions.—

1895 (4) Notwithstanding the provisions of this chapter
1896 relating to increasing the number of authorized positions, and
1897 for the 2020-2021 ~~2019-2020~~ fiscal year only, if the actual
1898 inmate population of the Department of Corrections exceeds the
1899 inmate population projections of the December 17 ~~February 22,~~
1900 2019, Criminal Justice Estimating Conference by 1 percent for 2

1901 consecutive months or 2 percent for any month, the Executive
 1902 Office of the Governor, with the approval of the Legislative
 1903 Budget Commission, shall immediately notify the Criminal Justice
 1904 Estimating Conference, which shall convene as soon as possible
 1905 to revise the estimates. The Department of Corrections may then
 1906 submit a budget amendment requesting the establishment of
 1907 positions in excess of the number authorized by the Legislature
 1908 and additional appropriations from unallocated general revenue
 1909 sufficient to provide for essential staff, fixed capital
 1910 improvements, and other resources to provide classification,
 1911 security, food services, health services, and other variable
 1912 expenses within the institutions to accommodate the estimated
 1913 increase in the inmate population. All actions taken pursuant to
 1914 this subsection are subject to review and approval by the
 1915 Legislative Budget Commission. This subsection expires July 1,
 1916 2021 ~~2020~~.

1917 Section 53. In order to implement Specific Appropriation
 1918 707 of the 2020-2021 General Appropriations Act, and upon the
 1919 expiration and reversion of the amendments made by section 52 of
 1920 chapter 2019-116, Laws of Florida, paragraph (b) of subsection
 1921 (8) of section 1011.80, Florida Statutes, is amended to read:

1922 1011.80 Funds for operation of workforce education
 1923 programs.—

1924 (8)

1925 (b) State funds provided for the operation of

1926 | postsecondary workforce programs may not be expended for the
 1927 | education of state or federal inmates, except to the extent that
 1928 | such funds are specifically appropriated for such purpose in the
 1929 | 2020-2021 General Appropriations Act ~~with more than 24 months of~~
 1930 | ~~time remaining to serve on their sentences or federal inmates.~~

1931 | Section 54. The amendment made to s. 1011.80(8)(b),
 1932 | Florida Statutes, by this act expires July 1, 2021, and the text
 1933 | of that paragraph shall revert to that in existence on July 1,
 1934 | 2019, but not including any amendments made by this act or
 1935 | chapters 2019-116 and 2018-10, Laws of Florida, and any
 1936 | amendments to such text enacted other than by this act shall be
 1937 | preserved and continue to operate to the extent that such
 1938 | amendments are not dependent upon the portions of text which
 1939 | expire pursuant to this section.

1940 | Section 55. In order to implement Specific Appropriations
 1941 | 3187 through 3253 of the 2020-2021 General Appropriations Act,
 1942 | subsection (2) of section 215.18, Florida Statutes, is amended
 1943 | to read:

1944 | 215.18 Transfers between funds; limitation.—

1945 | (2) The Chief Justice of the Supreme Court may receive one
 1946 | or more trust fund loans to ensure that the state court system
 1947 | has funds sufficient to meet its appropriations in the 2020-2021
 1948 | ~~2019-2020~~ General Appropriations Act. If the Chief Justice
 1949 | accesses the loan, he or she must notify the Governor and the
 1950 | chairs of the legislative appropriations committees in writing.

1951 The loan must come from other funds in the State Treasury which
 1952 are for the time being or otherwise in excess of the amounts
 1953 necessary to meet the just requirements of such last-mentioned
 1954 funds. The Governor shall order the transfer of funds within 5
 1955 days after the written notification from the Chief Justice. If
 1956 the Governor does not order the transfer, the Chief Financial
 1957 Officer shall transfer the requested funds. The loan of funds
 1958 from which any money is temporarily transferred must be repaid
 1959 by the end of the 2020-2021 ~~2019-2020~~ fiscal year. This
 1960 subsection expires July 1, 2021 ~~2020~~.

1961 Section 56. (1) In order to implement Specific
 1962 Appropriations 1120 through 1131 of the 2020-2021 General
 1963 Appropriations Act, the Department of Juvenile Justice is
 1964 required to review county juvenile detention payments to ensure
 1965 that counties fulfill their financial responsibilities required
 1966 in s. 985.6865, Florida Statutes. If the Department of Juvenile
 1967 Justice determines that a county has not met its obligations,
 1968 the department shall direct the Department of Revenue to deduct
 1969 the amount owed to the Department of Juvenile Justice from the
 1970 funds provided to the county under s. 218.23, Florida Statutes.
 1971 The Department of Revenue shall transfer the funds withheld to
 1972 the Shared County/State Juvenile Detention Trust Fund.

1973 (2) As an assurance to holders of bonds issued by counties
 1974 before July 1, 2020, for which distributions made pursuant to s.
 1975 218.23, Florida Statutes, are pledged, or bonds issued to refund

1976 such bonds which mature no later than the bonds they refunded
 1977 and which result in a reduction of debt service payable in each
 1978 fiscal year, the amount available for distribution to a county
 1979 shall remain as provided by law and continue to be subject to
 1980 any lien or claim on behalf of the bondholders. The Department
 1981 of Revenue must ensure, based on information provided by an
 1982 affected county, that any reduction in amounts distributed
 1983 pursuant to subsection (1) does not reduce the amount of
 1984 distribution to a county below the amount necessary for the
 1985 timely payment of principal and interest when due on the bonds
 1986 and the amount necessary to comply with any covenant under the
 1987 bond resolution or other documents relating to the issuance of
 1988 the bonds. If a reduction to a county's monthly distribution
 1989 must be decreased in order to comply with this section, the
 1990 Department of Revenue must notify the Department of Juvenile
 1991 Justice of the amount of the decrease, and the Department of
 1992 Juvenile Justice must send a bill for payment of such amount to
 1993 the affected county.

1994 (3) This section expires July 1, 2021.

1995 Section 57. In order to implement Specific Appropriations
 1996 731 through 752, 916 through 1062, and 1083 through 1119 of the
 1997 2020-2021 General Appropriations Act, and notwithstanding the
 1998 expiration date in section 57 of chapter 2019-116, Laws of
 1999 Florida, subsection (1), paragraph (a) of subsection (2),
 2000 paragraph (a) of subsection (3), and subsections (5), (6), and

2001 (7) of that section are reenacted, to read:

2002 27.40 Court-appointed counsel; circuit registries; minimum
2003 requirements; appointment by court.—

2004 (1) Counsel shall be appointed to represent any individual
2005 in a criminal or civil proceeding entitled to court-appointed
2006 counsel under the Federal or State Constitution or as authorized
2007 by general law. The court shall appoint a public defender to
2008 represent indigent persons as authorized in s. 27.51. The office
2009 of criminal conflict and civil regional counsel shall be
2010 appointed to represent persons in those cases in which provision
2011 is made for court-appointed counsel, but only after the public
2012 defender has certified to the court in writing that the public
2013 defender is unable to provide representation due to a conflict
2014 of interest or is not authorized to provide representation. The
2015 public defender shall report, in the aggregate, the specific
2016 basis of all conflicts of interest certified to the court. On a
2017 quarterly basis, the public defender shall submit this
2018 information to the Justice Administrative Commission.

2019 (2) (a) Private counsel shall be appointed to represent
2020 persons in those cases in which provision is made for court-
2021 appointed counsel but only after the office of criminal conflict
2022 and civil regional counsel has been appointed and has certified
2023 to the court in writing that the criminal conflict and civil
2024 regional counsel is unable to provide representation due to a
2025 conflict of interest. The criminal conflict and civil regional

2026 counsel shall report, in the aggregate, the specific basis of
 2027 all conflicts of interest certified to the court. On a quarterly
 2028 basis, the criminal conflict and civil regional counsel shall
 2029 submit this information to the Justice Administrative
 2030 Commission.

2031 (3) In using a registry:

2032 (a) The chief judge of the circuit shall compile a list of
 2033 attorneys in private practice, by county and by category of
 2034 cases, and provide the list to the clerk of court in each
 2035 county. The chief judge of the circuit may restrict the number
 2036 of attorneys on the general registry list. To be included on a
 2037 registry, an attorney must certify that he or she:

2038 1. Meets any minimum requirements established by the chief
 2039 judge and by general law for court appointment;

2040 2. Is available to represent indigent defendants in cases
 2041 requiring court appointment of private counsel; and

2042 3. Is willing to abide by the terms of the contract for
 2043 services, s. 27.5304, and this section.

2044
 2045 To be included on a registry, an attorney must enter into a
 2046 contract for services with the Justice Administrative
 2047 Commission. Failure to comply with the terms of the contract for
 2048 services may result in termination of the contract and removal
 2049 from the registry. Each attorney on the registry is responsible
 2050 for notifying the clerk of the court and the Justice

2051 Administrative Commission of any change in his or her status.
2052 Failure to comply with this requirement is cause for termination
2053 of the contract for services and removal from the registry until
2054 the requirement is fulfilled.

2055 (5) The Justice Administrative Commission shall approve
2056 uniform contract forms for use in procuring the services of
2057 private court-appointed counsel and uniform procedures and forms
2058 for use by a court-appointed attorney in support of billing for
2059 attorney's fees, costs, and related expenses to demonstrate the
2060 attorney's completion of specified duties. Such uniform
2061 contracts and forms for use in billing must be consistent with
2062 s. 27.5304, s. 216.311, and the General Appropriations Act and
2063 must contain the following statement: "The State of Florida's
2064 performance and obligation to pay under this contract is
2065 contingent upon an annual appropriation by the Legislature."

2066 (6) After court appointment, the attorney must immediately
2067 file a notice of appearance with the court indicating acceptance
2068 of the appointment to represent the defendant and of the terms
2069 of the uniform contract as specified in subsection (5).

2070 (7) (a) A private attorney appointed by the court from the
2071 registry to represent a client is entitled to payment as
2072 provided in s. 27.5304 so long as the requirements of subsection
2073 (1) and paragraph (2) (a) are met. An attorney appointed by the
2074 court who is not on the registry list may be compensated under
2075 s. 27.5304 only if the court finds in the order of appointment

2076 that there were no registry attorneys available for
2077 representation for that case and only if the requirements of
2078 subsection (1) and paragraph (2)(a) are met.

2079 (b)1. The flat fee established in s. 27.5304 and the
2080 General Appropriations Act shall be presumed by the court to be
2081 sufficient compensation. The attorney shall maintain appropriate
2082 documentation, including contemporaneous and detailed hourly
2083 accounting of time spent representing the client. If the
2084 attorney fails to maintain such contemporaneous and detailed
2085 hourly records, the attorney waives the right to seek
2086 compensation in excess of the flat fee established in s. 27.5304
2087 and the General Appropriations Act. These records and documents
2088 are subject to review by the Justice Administrative Commission
2089 and audit by the Auditor General, subject to the attorney-client
2090 privilege and work-product privilege. The attorney shall
2091 maintain the records and documents in a manner that enables the
2092 attorney to redact any information subject to a privilege in
2093 order to facilitate the commission's review of the records and
2094 documents and not to impede such review. The attorney may redact
2095 information from the records and documents only to the extent
2096 necessary to comply with the privilege. The Justice
2097 Administrative Commission shall review such records and shall
2098 contemporaneously document such review before authorizing
2099 payment to an attorney. Objections by or on behalf of the
2100 Justice Administrative Commission to records or documents or to

2101 claims for payment by the attorney shall be presumed correct by
2102 the court unless the court determines, in writing, that
2103 competent and substantial evidence exists to justify overcoming
2104 the presumption.

2105 2. If an attorney fails, refuses, or declines to permit
2106 the commission or the Auditor General to review documentation
2107 for a case as provided in this paragraph, the attorney waives
2108 the right to seek, and the commission may not pay, compensation
2109 in excess of the flat fee established in s. 27.5304 and the
2110 General Appropriations Act for that case.

2111 3. A finding by the commission that an attorney has waived
2112 the right to seek compensation in excess of the flat fee
2113 established in s. 27.5304 and the General Appropriations Act, as
2114 provided in this paragraph, shall be presumed to be correct,
2115 unless the court determines, in writing, that competent and
2116 substantial evidence exists to justify overcoming the
2117 presumption.

2118 Section 58. In order to implement Specific Appropriations
2119 731 through 752, 916 through 1062, and 1083 through 1119 of the
2120 2020-2021 General Appropriations Act, and notwithstanding the
2121 expiration date in section 59 of chapter 2019-116, Laws of
2122 Florida, subsection (13) of section 27.5304, Florida Statutes,
2123 is amended, and subsections (1), (3), (7), and (11), and
2124 paragraphs (a) through (e) of subsection (12), are reenacted, to
2125 read:

2126 27.5304 Private court-appointed counsel; compensation;
 2127 notice.—

2128 (1) Private court-appointed counsel appointed in the
 2129 manner prescribed in s. 27.40(1) and (2)(a) shall be compensated
 2130 by the Justice Administrative Commission only as provided in
 2131 this section and the General Appropriations Act. The flat fees
 2132 prescribed in this section are limitations on compensation. The
 2133 specific flat fee amounts for compensation shall be established
 2134 annually in the General Appropriations Act. The attorney also
 2135 shall be reimbursed for reasonable and necessary expenses in
 2136 accordance with s. 29.007. If the attorney is representing a
 2137 defendant charged with more than one offense in the same case,
 2138 the attorney shall be compensated at the rate provided for the
 2139 most serious offense for which he or she represented the
 2140 defendant. This section does not allow stacking of the fee
 2141 limits established by this section.

2142 (3) The court retains primary authority and responsibility
 2143 for determining the reasonableness of all billings for attorney
 2144 fees, costs, and related expenses, subject to statutory
 2145 limitations and the requirements of s. 27.40(7). Private court-
 2146 appointed counsel is entitled to compensation upon final
 2147 disposition of a case.

2148 (7) Counsel eligible to receive compensation from the
 2149 state for representation pursuant to court appointment made in
 2150 accordance with the requirements of s. 27.40(1) and (2)(a) in a

2151 proceeding under chapter 384, chapter 390, chapter 392, chapter
 2152 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter
 2153 744, or chapter 984 shall receive compensation not to exceed the
 2154 limits prescribed in the General Appropriations Act. Any such
 2155 compensation must be determined as provided in s. 27.40(7).

2156 (11) It is the intent of the Legislature that the flat
 2157 fees prescribed under this section and the General
 2158 Appropriations Act comprise the full and complete compensation
 2159 for private court-appointed counsel. It is further the intent of
 2160 the Legislature that the fees in this section are prescribed for
 2161 the purpose of providing counsel with notice of the limit on the
 2162 amount of compensation for representation in particular
 2163 proceedings and the sole procedure and requirements for
 2164 obtaining payment for the same.

2165 (a) If court-appointed counsel moves to withdraw prior to
 2166 the full performance of his or her duties through the completion
 2167 of the case, the court shall presume that the attorney is not
 2168 entitled to the payment of the full flat fee established under
 2169 this section and the General Appropriations Act.

2170 (b) If court-appointed counsel is allowed to withdraw from
 2171 representation prior to the full performance of his or her
 2172 duties through the completion of the case and the court appoints
 2173 a subsequent attorney, the total compensation for the initial
 2174 and any and all subsequent attorneys may not exceed the flat fee
 2175 established under this section and the General Appropriations

2176 Act, except as provided in subsection (12).

2177

2178 This subsection constitutes notice to any subsequently appointed
2179 attorney that he or she will not be compensated the full flat
2180 fee.

2181 (12) The Legislature recognizes that on rare occasions an
2182 attorney may receive a case that requires extraordinary and
2183 unusual effort.

2184 (a) If counsel seeks compensation that exceeds the limits
2185 prescribed by law, he or she must file a motion with the chief
2186 judge for an order approving payment of attorney fees in excess
2187 of these limits.

2188 1. Before filing the motion, the counsel shall deliver a
2189 copy of the intended billing, together with supporting
2190 affidavits and all other necessary documentation, to the Justice
2191 Administrative Commission.

2192 2. The Justice Administrative Commission shall review the
2193 billings, affidavit, and documentation for completeness and
2194 compliance with contractual and statutory requirements and shall
2195 contemporaneously document such review before authorizing
2196 payment to an attorney. If the Justice Administrative Commission
2197 objects to any portion of the proposed billing, the objection
2198 and supporting reasons must be communicated in writing to the
2199 private court-appointed counsel. The counsel may thereafter file
2200 his or her motion, which must specify whether the commission

2201 objects to any portion of the billing or the sufficiency of
2202 documentation, and shall attach the commission's letter stating
2203 its objection.

2204 (b) Following receipt of the motion to exceed the fee
2205 limits, the chief judge or a single designee shall hold an
2206 evidentiary hearing. The chief judge may select only one judge
2207 per circuit to hear and determine motions pursuant to this
2208 subsection, except multicounty circuits and the eleventh circuit
2209 may have up to two designees.

2210 1. At the hearing, the attorney seeking compensation must
2211 prove by competent and substantial evidence that the case
2212 required extraordinary and unusual efforts. The chief judge or
2213 single designee shall consider criteria such as the number of
2214 witnesses, the complexity of the factual and legal issues, and
2215 the length of trial. The fact that a trial was conducted in a
2216 case does not, by itself, constitute competent substantial
2217 evidence of an extraordinary and unusual effort. In a criminal
2218 case, relief under this section may not be granted if the number
2219 of work hours does not exceed 75 or the number of the state's
2220 witnesses deposed does not exceed 20.

2221 2. Objections by or on behalf of the Justice
2222 Administrative Commission to records or documents or to claims
2223 for payment by the attorney shall be presumed correct by the
2224 court unless the court determines, in writing, that competent
2225 and substantial evidence exists to justify overcoming the

2226 | presumption. The chief judge or single designee shall enter a
2227 | written order detailing his or her findings and identifying the
2228 | extraordinary nature of the time and efforts of the attorney in
2229 | the case which warrant exceeding the flat fee established by
2230 | this section and the General Appropriations Act.

2231 | (c) A copy of the motion and attachments shall be served
