Senate Amendment (with directory and title amendments)

Between lines 684 and 685

insert:

(e) If an immediate mental health or substance abuse crisis is suspected, school personnel shall follow policies established by the threat assessment team to engage behavioral health crisis resources. Behavioral health crisis resources, including, but not limited to, mobile crisis teams and school resource officers trained in crisis intervention, shall provide emergency intervention and assessment, make recommendations, and refer the

12 student for appropriate services. Onsite school personnel shall
13 report all such situations and actions taken to the threat
14 assessment team, which shall contact the other agencies involved
15 with the student and any known service providers to share
16 information and coordinate any necessary followup actions. Upon
17 the student's transfer to a different school within the
18 district, the threat assessment team or school administration
19 shall verify that the receiving school has received the
20 student's records identifying the intervention services the
21 student received. The receiving school should provide similar
22 intervention services to the student within its programs and
23 practices, as applicable, until the threat assessment team of
24 the receiving school independently determines the need for and
25 composition of intervention services. The threat assessment team
26 or school administration shall verify the receipt of records for
27 any student who transfers to another school within the state but
28 outside of the school district ~~the threat assessment team shall~~
29 ~~verify that any intervention services provided to the student~~
30 ~~remain in place until the threat assessment team of the~~
31 ~~receiving school independently determines the need for~~
32 ~~intervention services.~~
