26 Section 1. Section 11.65, Florida Statutes, is created to
 27 read:

28 11.65 Legislative review of occupational regulation.-

29 (1) As used in this section:

30 (a) "Occupational regulatory program" or "program" means
 31 any statutory regulatory provision or scheme which places a
 32 condition on practicing an occupation, including, but not
 33 limited to, programs that require a license, certification,
 34 registration, or credential.

35 (b) "Local government" means a county, municipality,
 36 special district, or political subdivision of the state.

37 (c) "Occupation" means a paid job, profession, work, line
 38 of work, trade, employment, position, post, career, field,
 39 vocation, or craft.

40 (2) There is established a schedule for systematic review
 41 of the costs and benefits of occupational regulatory programs.
 42 The Legislature intends to review each program before the
 43 scheduled date on which each occupational regulatory program is
 44 set to expire through scheduled repeal to determine whether to
 45 allow the program to expire, renew the program without
 46 modifications, renew the program with modifications, or provide
 47 for other appropriate actions.

48 (3) If a chapter or section of the Florida Statutes
 49 scheduled for review by this act is subsequently amended or
 50 transferred, such subsequent amendment or transfer, unless

51 otherwise expressly provided in the act amending or transferring
52 such chapter or section, shall not eliminate the scheduled
53 repeal of such chapter or section.

54 (4) Within 60 days after the date on which any
55 occupational regulatory program is allowed to expire through
56 scheduled repeal under this act, the personnel positions which
57 are responsible for carrying out the program shall be abolished,
58 and all unexpended balances of appropriations, allocations, or
59 other funds for such program shall revert to the fund from which
60 they were appropriated or, if that fund is abolished, to the
61 General Revenue Fund. Except as authorized under this section,
62 all regulatory activities related to the repealed program shall
63 cease after the date of repeal.

64 (5) Any remaining unencumbered revenue collected under an
65 occupational regulatory program allowed to expire through repeal
66 shall be refunded on a pro rata basis by the Chief Financial
67 Officer pursuant to s. 215.26, upon request of the person or
68 entity who paid, if such request is made within 1 year after the
69 repeal of the program.

70 (6) Any cause of action pending on the date the
71 occupational regulatory program was repealed, or any cause of
72 action brought thereafter, shall be prosecuted or defended in
73 the name of the state by the Department of Legal Affairs, if
74 prior to repeal such action would have been prosecuted or
75 defended by the occupational regulatory program repealed by this

76 act.

77 (7) Any occupational regulatory program that expires
 78 through scheduled repeal in accordance with this act may not be
 79 subsequently regulated by a local government. The regulation of
