The Committee on Health Policy (Harrell) recommended the following:

**Senate Amendment (with title amendment)**

Delete everything after the enacting clause  
and insert:

Section 1. Paragraph (1) is added to subsection (5) of  
section 119.071, Florida Statutes, to read:

119.071 General exemptions from inspection or copying of  
public records.—

(5) OTHER PERSONAL INFORMATION.—

(1)1. For purposes of this paragraph, the term "emergency

11 room health care practitioner” means any licensed health care  
12 practitioner whose duties are performed in a hospital emergency  
13 department, including, but not limited to, a physician or a  
14 physician assistant licensed under chapter 458 or chapter 459;  
15 an advanced practice registered nurse, a registered nurse, or a  
16 licensed practical nurse licensed under part I of chapter 464;  
17 or any other licensed health care personnel.

18 2. The home addresses, telephone numbers, dates of birth,  
19 places of employment, and photographs of current or former  
20 emergency room health care practitioners; the names, home  
21 addresses, telephone numbers, dates of birth, and places of  
22 employment of the spouses and children of such practitioners;  
23 and the names and locations of schools and day care facilities  
24 attended by the children of such practitioners are exempt from  
25 s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

26 3. The exemption in subparagraph 2. applies to information  
27 held by an agency before, on, or after the effective date of the  
28 exemption.

29 4. This paragraph is subject to the Open Government Sunset  
30 Review Act in accordance with s. 119.15 and shall stand repealed  
31 on October 2, 2025, unless reviewed and saved from repeal  
32 through reenactment by the Legislature.

33 Section 2. The Legislature finds that it is a public  
34 necessity that the home addresses, telephone numbers, dates of  
35 birth, places of employment, and photographs of current or  
36 former emergency room health care practitioners; the names, home  
37 addresses, telephone numbers, and places of employment of the  
38 spouses and children of such practitioners; and the names and  
39 locations of schools and day care facilities attended by the

40 children of such practitioners be exempt from public records  
41 requirements. Emergency room health care practitioners, by  
42 nature of their duties, are often placed in traumatic  
43 circumstances in which loss of life and severe bodily injuries  
44 have occurred. Such practitioners are particularly vulnerable to  
45 physical violence, harassment, and intimidation perpetrated by  
46 patients or relatives of patients who can be violent, angry, or  
47 mentally unstable. As a result, the Legislature finds that the  
48 release of identifying and location information of emergency  
49 room health care practitioners, or the spouses and children of  
50 such practitioners, could place them in danger of being  
51 physically or emotionally harmed or stalked by a person who has  
52 a hostile reaction to his or her encounter with such  
53 practitioners. The Legislature further finds that the harm that  
54 may result from the release of such identifying and location  
55 information outweighs any public benefit that may be derived  
56 from the disclosure of the information.

57 Section 3. This act shall take effect upon becoming a law.
