31 Section 1. Statewide inventory.—

32 (1) The Department of Management Services shall prepare an
33 inventory of all state-owned motor vehicles, maintenance
34 facilities, and fuel depots. By December 31, 2021, the
35 department shall submit the inventory to the Governor, the
36 President of the Senate, and the Speaker of the House of
37 Representatives.

38 (2) The inventory must provide, at a minimum, all of the
39 following:

40 (a) Entity of ownership of all state-owned motor vehicles,
41 maintenance facilities, and fuel depots.

42 (b) Entity of possession of all state-owned motor vehicles,
43 maintenance facilities, and fuel depots.

44 (c) Estimated annual operating and other costs of all
45 state-owned motor vehicles, maintenance facilities, and fuel
46 depots.

47 (d) Number of full-time equivalent and other personal
48 services positions assigned to operate and maintain each state-
49 owned maintenance facility and fuel depot.

50 (e) Physical address for the location of all state-owned
51 motor vehicles, maintenance facilities, and fuel depots.

52 (3) Each state agency and state university shall provide
53 any information requested by the Department of Management
54 Services necessary for the completion of the inventory.

56 management.-

57 (1) The Department of Management Services shall create,
58 administer, and maintain a centralized management system for the
59 fleet of state-owned motor vehicles, maintenance facilities, and
60 fuel depots.

61 (2) The Department of Management Services shall consolidate
62 under a centralized system the management of existing motor
63 vehicles, maintenance facilities, fuel depots, and any full-time
64 equivalent and other personal services positions assigned to
65 operate and maintain each state-owned maintenance facility and
66 fuel depot.

67 (3) Each state agency and state university shall provide
68 any information requested by the Department of Management
69 Services necessary for consolidating under the centralized
70 system the management of existing motor vehicles, maintenance
71 facilities, fuel depots, and any full-time equivalent and other
72 personal services positions assigned to operate and maintain
73 each state-owned maintenance facility and fuel depot.

74 Section 3. Privatization of fleet management.-The
75 Department of Management Services shall contract with a vendor
76 or contractor for privatizing the centralized management and
77 operation of the state-owned motor vehicle fleet, motor vehicle
78 acquisitions, maintenance facilities, and fuel depots. Any data
79 that relates to the contract must be stored in at least one
80 common format approved by the department, and such data remains
81 the property of the department. Any vehicle-monitoring hardware
82 installed in a state-owned motor vehicle must be commercially
83 available and may not be proprietary to the vendor or
84 contractor.
