11 interface institutional advising systems with the statewide
12 computer-assisted student advising system. At a minimum, the
13 statewide computer-assisted student advising system shall:
14 1. Allow a student to access the system at any time.
15 2. Support K-12 career and education planning.
16 3. Allow a student to search public postsecondary education
17 institutions and identify course options that will meet the
18 requirements of a selected path toward a degree.
19 4. Audit transcripts of students enrolled in a public
20 postsecondary education institution to assess current academic
21 standing, the requirements for a student to transfer to another
22 institution, and all requirements necessary for graduation.
23 5. Serve as the official statewide repository for the
24 common prerequisite manual, admissions information for
25 transferring programs, foreign language requirements, residency
26 requirements, and statewide articulation agreements.
27 6. Provide information relating to career descriptions and
28 corresponding educational requirements, admissions requirements,
29 and available sources of student financial assistance.
30 7. Provide the admissions application for transient
31 students pursuant to paragraph (a) which must include the
32 electronic transfer and receipt of information and records for:
33 a. Admissions and readmissions.
34 b. Financial aid.
35 c. Transfer of credit awarded by the institution offering
36 the course to the transient student's degree-granting
37 institution.
