The Committee on Appropriations (Gruters) recommended the following:

**Senate Amendment**

Delete lines 247 - 257

and insert:

(b) A statewide computer-assisted student advising system that shall support career and education planning for the system and the process of advising, registering, and certifying postsecondary students for graduation and that shall include a degree audit and an articulation component. Florida College System institutions and state universities shall interface

907384

11 institutional advising systems with the statewide computer-  
12 assisted student advising system. At a minimum, the statewide  
13 computer-assisted student advising system shall:

- 14 1. Allow a student to access the system at any time.  
15 2. Support career and education planning.
