

By the Committee on Transportation; and Senator Hutson

596-02905-21

20211466c1

1                   A bill to be entitled  
2           An act relating to airports; amending s. 332.007,  
3           F.S.; revising the types of airports to which funds  
4           for master planning and eligible aviation development  
5           projects are limited; providing an effective date.  
6

7 Be It Enacted by the Legislature of the State of Florida:  
8

9           Section 1. Paragraph (c) of subsection (6) of section  
10          332.007, Florida Statutes, is amended to read:

11           332.007 Administration and financing of aviation and  
12          airport programs and projects; state plan.—

13           (6) Subject to the availability of appropriated funds, the  
14          department may participate in the capital cost of eligible  
15          public airport and aviation development projects in accordance  
16          with the following rates, unless otherwise provided in the  
17          General Appropriations Act or the substantive bill implementing  
18          the General Appropriations Act:

19           (c) When federal funds are not available, the department  
20          may fund up to 80 percent of master planning and eligible  
21          aviation development projects at publicly owned, publicly  
22          operated airports. If federal funds are available, the  
23          department may fund up to 80 percent of the nonfederal share of  
24          such projects. Such funding is limited to general aviation  
25          airports, or commercial service airports that have been  
26          classified as a nonprimary airport by the Federal Aviation  
27          Administration ~~airports that have no scheduled commercial~~  
28          ~~service.~~

29           Section 2. This act shall take effect July 1, 2021.
