96 (3) EMERGENCY SERVICES; DISCRIMINATION; LIABILITY OF
97 FACILITY OR HEALTH CARE PERSONNEL.—

98 (m)1. A freestanding emergency department may not hold
99 itself out to the public as an urgent care center, unless that
100 site is operating in accordance with s. 395.107 and provides
101 urgent care services that are not billed at emergency department

113 following: "THIS IS NOT AN URGENT CARE CENTER. HOSPITAL
114 EMERGENCY DEPARTMENT RATES ARE BILLED FOR OUR SERVICES." The

115 signs must also specify the facility's average facility fee, if
116 any, and notify the public that the facility or a physician
117 providing medical care at the facility may be an out-of-network
118 provider. The signs must be at least 2 square feet in size and
119 the text must be in at least 36-point type. A freestanding
120 emergency department that shares a location and public entrance

128 must include the following statement: "This emergency department
129 is not an urgent care center. It is part of (insert hospital
130 name) and its services and care are billed at hospital emergency

143 insured and insurer paid amounts from the inappropriate use of

410084

576-03901-21

145 setting compared to the use of nonemergent services and care in
146 an urgent care center;

147 (II) An interactive tool to locate local urgent care
148 centers; and

149 (III) What to do in the event of a true emergency.

159 form must have a heading that reads, "Your visit today will be
160 billed as an emergency room visit" and must contain the
161 following statement: "I, (insert patient's name), understand
162 that today's visit will be BILLED AS AN EMERGENCY ROOM VISIT. I
163 certify that the (insert hospital name) has not withheld,
164 delayed, or conditioned a medical screening examination or
165 stabilizing care based upon me signing or refusing to sign this
166 form or based upon any payment related concerns. I understand
167 that I may qualify for financial assistance if I am unable to
168 pay for my care today."

169 Section 4. Section 627.6405, Florida Statutes, is amended
170 to read:

171 627.6405 Decreasing inappropriate utilization of emergency
172 care.—

410084

576-03901-21

173 ~~(1) The Legislature finds and declares it to be of vital~~
174 ~~importance that emergency services and care be provided by~~
175 ~~hospitals and physicians to every person in need of such care,~~
176 ~~but with the double-digit increases in health insurance~~
177 ~~premiums, health care providers and insurers should encourage~~
178 ~~patients and the insured to assume responsibility for their~~
179 ~~treatment, including emergency care. The Legislature finds that~~
180 ~~inappropriate utilization of emergency department services~~
181 ~~increases the overall cost of providing health care and these~~
182 ~~costs are ultimately borne by the hospital, the insured~~
183 ~~patients, and, many times, by the taxpayers of this state.~~
184 ~~Finally, the Legislature declares that the providers and~~
185 ~~insurers must share the responsibility of providing alternative~~
186 ~~treatment options to urgent care patients outside of the~~
187 ~~emergency department. Therefore, it is the intent of the~~
188 ~~Legislature to place the obligation for educating consumers and~~
189 ~~creating mechanisms for delivery of care that will decrease the~~
190 ~~overutilization of emergency service on health insurers and~~
191 ~~providers.~~

192 ~~(2) A health insurer ~~insurers~~ shall post ~~provide~~ on its~~
193 ~~website ~~their websites~~ information regarding appropriate~~
194 ~~utilization of emergency care services which shall include, but~~
195 ~~need not be limited to:~~

196 ~~(a) A list of alternative urgent care contracted~~
197 ~~providers;~~

198 ~~(b) The types of services offered by these providers;~~

199 ~~(c) A comparison of statewide average in-network and out-~~
200 ~~of-network urgent care center and freestanding emergency~~
201 ~~department charges for the 30 most common urgent care center~~

410084

576-03901-21

202 services;

203 (d) At least two examples illustrating the impact on
204 insured and insurer paid amounts of inappropriate utilization of
205 nonemergent services and care in a hospital emergency department
206 setting compared to utilization of nonemergent services and care
207 in an urgent care center;

208 (e) An interactive tool to locate local in-network and out-
209 of-network urgent care centers; and

210 (f) What to do in the event of a true emergency.

211

212 Health insurers shall update the information required in this
213 subsection on its website at least annually.

214 (2)-(3) Health insurers shall develop community emergency
215 department diversion programs. Such programs may include, at the
216 discretion of the insurer, but not be limited to, enlisting
217 providers to be on call to insurers after hours, coordinating
218 care through local community resources, and providing incentives
219 to providers for case management.

220 (3)-(4) As a disincentive for insureds to inappropriately
221 use emergency department services for nonemergency care, health
222 insurers may require higher copayments for urgent care or
223 primary care provided in an emergency department and higher
224 copayments for use of out-of-network emergency departments.
225 Higher copayments may not be charged for the utilization of the
226 emergency department for emergency care. For the purposes of
227 this section, the term "emergency care" has the same meaning as
228 the term "emergency services and care" as defined provided in s.
229 395.002(9) s. 395.002 and includes shall include services
230 provided to rule out an emergency medical condition.

410084

235 (2) Notwithstanding chapter 893, medical centers recognized
236 pursuant to s. 381.925, or an academic medical research
237 institution legally affiliated with a licensed children's
238 specialty hospital as defined in s. 395.002(28) ~~s. 395.002(27)~~

242 production, clinical research, and use of liquid medical
243 derivatives of cannabidiol and low-THC cannabis for the
244 treatment for refractory or intractable epilepsy. The authority
245 for recognized medical centers to conduct this research is
246 derived from 21 C.F.R. parts 312 and 316. Current state or
247 privately obtained research funds may be used to support the
248 activities described in this section.

256 Statutes, is amended to read:

257 394.4787 Definitions; ss. 394.4786, 394.4787, 394.4788, and

279 clinic. The medical director or the clinic director shall:

280 (i) Ensure that the clinic publishes a schedule of charges
281 for the medical services offered to patients. The schedule must
282 include the prices charged to an uninsured person paying for
283 such services by cash, check, credit card, or debit card. The
284 schedule may group services by price levels, listing services in

304 service under this section shall be provided only when medically
305 necessary and in accordance with state and federal law.

306 Mandatory services rendered by providers in mobile units to
307 Medicaid recipients may be restricted by the agency. Nothing in
308 this section shall be construed to prevent or limit the agency
309 from adjusting fees, reimbursement rates, lengths of stay,
310 number of visits, number of services, or any other adjustments
311 necessary to comply with the availability of moneys and any
312 limitations or directions provided for in the General

324 uninhabitable by natural disaster or other emergency and another
325 nursing facility is not available, the agency must pay for
326 similar services temporarily in a hospital licensed under part I
