12 Section 1. Paragraph (c) of subsection (3) of section
13 1008.22, Florida Statutes, is amended to read:

14 1008.22 Student assessment program for public schools.—
15 (3) STATEWIDE, STANDARDIZED ASSESSMENT PROGRAM.—The
16 Commissioner of Education shall design and implement a
17 statewide, standardized assessment program aligned to the core
18 curricular content established in the Next Generation Sunshine
19 State Standards. The commissioner also must develop or select
20 and implement a common battery of assessment tools that will be
21 used in all juvenile justice education programs in the state.
22 These tools must accurately measure the core curricular content
23 established in the Next Generation Sunshine State Standards.
24 Participation in the assessment program is mandatory for all
25 school districts and all students attending public schools,

26 including adult students seeking a standard high school diploma
27 under s. 1003.4282 and students in Department of Juvenile
28 Justice education programs, except as otherwise provided by law.
29 If a student does not participate in the assessment program, the
30 school district must notify the student's parent and provide the
31 parent with information regarding the implications of such
32 nonparticipation. The statewide, standardized assessment program
33 shall be designed and implemented as follows:

34 (c) Students with disabilities and students who have
35 limited English proficiency; Florida Alternate Assessment.—

36 1. Each district school board must provide instruction to
37 prepare students with disabilities and students who have limited
38 English proficiency in the core content knowledge and skills
39 necessary for successful grade-to-grade progression and high
40 school graduation.

41 2. A student with a disability, as defined in s. 1007.02,
42 or a student who has limited English proficiency as defined in
43 s. 1003.56(2)(a), for whom the individual education plan (IEP)
44 team or English Language Learner Committee, respectively,
45 determines that the statewide, standardized assessments under
46 this section cannot accurately measure the student's abilities,
47 taking into consideration all allowable accommodations, shall
48 have assessment results waived for the purpose of receiving a
49 course grade and a standard high school diploma. Such waiver
50 shall be designated on the student's transcript. The statement

51 of waiver shall be limited to a statement that performance on an
52 assessment was waived for the purpose of receiving a course
53 grade or a standard high school diploma, as applicable.

54 3. The State Board of Education shall adopt rules, based
55 upon recommendations of the commissioner, for the provision of
56 assessment accommodations for students with disabilities and for
57 students who have limited English proficiency.

58 a. Accommodations that negate the validity of a statewide,
59 standardized assessment are not allowed during the
60 administration of the assessment. However, instructional
61 accommodations are allowed in the classroom if identified in a
62 student's IEP. Students using instructional accommodations in
63 the classroom that are not allowed on a statewide, standardized
64 assessment may have assessment results waived if the IEP team
65 determines that the assessment cannot accurately measure the
66 student's abilities.

67 b. If a student is provided with instructional
68 accommodations in the classroom that are not allowed as
69 accommodations for statewide, standardized assessments, the
70 district must inform the parent in writing and provide the
71 parent with information regarding the impact on the student's
72 ability to meet expected performance levels. A parent must
73 provide signed consent for a student to receive classroom
74 instructional accommodations that would not be available or
75 permitted on a statewide, standardized assessment and

76 | acknowledge in writing that he or she understands the
77 | implications of such instructional accommodations.

78 | c. If a student's IEP states that online administration of
79 | a statewide, standardized assessment will significantly impair
80 | the student's ability to perform, the assessment shall be
81 | administered in hard copy.

82 | 4. For students with significant cognitive disabilities,
83 | the Department of Education shall provide for implementation of
84 | the Florida Alternate Assessment to accurately measure the core
85 | curricular content established in the Next Generation Sunshine
86 | State Standards.

87 | Section 2. This act shall take effect July 1, 2021.
