Following Specific Appropriation 1611A, INSERT:

The nonrecurring funds in Specific Appropriation 1611A are provided to the Department of Environmental Protection for the purpose of entering into financial assistance agreements with local governments located in the Florida Keys Area of Critical State Concern or the City of Key West Area of Critical State Concern, to be distributed in accordance with the existing interlocal agreement among the Village of Islamorada, the Key Largo Wastewater Treatment District, the City of Marathon, the Monroe County/Florida Keys Aqueduct Authority, the City of Key West, and Key Colony Beach, to finance or refinance the cost of constructing sewage collection, treatment, and disposal facilities, building projects that protect, restore, or enhance nearshore water quality and fisheries, such as stormwater or canal restoration projects and projects to protect water resources available to the Florida Keys, or for the purposes of land acquisition within the Florida Keys Area of Critical Concern as authorized pursuant to s. 259.045, Florida Statutes, with increased priority given these acquisitions that achieve a combination of conservation goals, including protecting Florida's water resources and natural groundwater recharge.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
