563 such bonds which mature no later than the bonds they refunded  
564 and which result in a reduction of debt service payable in each  
565 fiscal year, the amount available for distribution to a county  
566 shall remain as provided by law and continue to be subject to  
567 any lien or claim on behalf of the bondholders. The Department  
568 of Revenue must ensure, based on information provided by an  
569 affected county, that any reduction in amounts distributed  
570 pursuant to subsection (1) does not reduce the amount of  
571 distribution to a county below the amount necessary for the  
572 timely payment of principal and interest when due on the bonds  
573 and the amount necessary to comply with any covenant under the  
574 bond resolution or other documents relating to the issuance of  
575 the bonds. If a reduction to a county's monthly distribution  
576 must be decreased in order to comply with this section, the  
577 Department of Revenue must notify the Department of Juvenile  
578 Justice of the amount of the decrease, and the Department of  
579 Juvenile Justice must send a bill for payment of such amount to  
580 the affected county.

585 (a) of subsection (2), paragraph (a) of subsection (3), and

587 Statutes, are reenacted, to read:

588 27.40 Court-appointed counsel; circuit registries; minimum  
589 requirements; appointment by court.—

590 (1) Counsel shall be appointed to represent any individual  
591 in a criminal or civil proceeding entitled to court-appointed  
592 counsel under the Federal or State Constitution or as authorized  
593 by general law. The court shall appoint a public defender to  
594 represent indigent persons as authorized in s. 27.51. The office  
595 of criminal conflict and civil regional counsel shall be  
596 appointed to represent persons in those cases in which provision  
597 is made for court-appointed counsel, but only after the public  
598 defender has certified to the court in writing that the public  
599 defender is unable to provide representation due to a conflict  
600 of interest or is not authorized to provide representation. The  
601 public defender shall report, in the aggregate, the specific  
602 basis of all conflicts of interest certified to the court. On a  
603 quarterly basis, the public defender shall submit this  
604 information to the Justice Administrative Commission.

605 (2) (a) Private counsel shall be appointed to represent  
606 persons in those cases in which provision is made for court-  
607 appointed counsel but only after the office of criminal conflict  
608 and civil regional counsel has been appointed and has certified  
609 to the court in writing that the criminal conflict and civil

610 regional counsel is unable to provide representation due to a  
611 conflict of interest. The criminal conflict and civil regional  
612 counsel shall report, in the aggregate, the specific basis of  
613 all conflicts of interest certified to the court. On a quarterly  
614 basis, the criminal conflict and civil regional counsel shall  
615 submit this information to the Justice Administrative  
616 Commission.

617 (3) In using a registry:

618 (a) The chief judge of the circuit shall compile a list of  
619 attorneys in private practice, by county and by category of  
620 cases, and provide the list to the clerk of court in each  
621 county. The chief judge of the circuit may restrict the number  
622 of attorneys on the general registry list. To be included on a  
623 registry, an attorney must certify that he or she:

624 1. Meets any minimum requirements established by the chief  
625 judge and by general law for court appointment;

626 2. Is available to represent indigent defendants in cases  
627 requiring court appointment of private counsel; and

628 3. Is willing to abide by the terms of the contract for  
629 services, s. 27.5304, and this section.

630

631 To be included on a registry, an attorney must enter into a  
632 contract for services with the Justice Administrative  
633 Commission. Failure to comply with the terms of the contract for  
634 services may result in termination of the contract and removal

Amendment No.

635 from the registry. Each attorney on the registry is responsible  
636 for notifying the clerk of the court and the Justice  
637 Administrative Commission of any change in his or her status.  
638 Failure to comply with this requirement is cause for termination  
639 of the contract for services and removal from the registry until  
640 the requirement is fulfilled.

641 (5) The Justice Administrative Commission shall approve  
642 uniform contract forms for use in procuring the services of  
643 private court-appointed counsel and uniform procedures and forms  
644 for use by a court-appointed attorney in support of billing for  
645 attorney's fees, costs, and related expenses to demonstrate the  
646 attorney's completion of specified duties. Such uniform  
647 contracts and forms for use in billing must be consistent with  
648 s. 27.5304, s. 216.311, and the General Appropriations Act and  
649 must contain the following statement: "The State of Florida's  
650 performance and obligation to pay under this contract is  
651 contingent upon an annual appropriation by the Legislature."

652 (6) After court appointment, the attorney must immediately  
653 file a notice of appearance with the court indicating acceptance  
654 of the appointment to represent the defendant and of the terms  
655 of the uniform contract as specified in subsection (5).

656 (7) (a) A private attorney appointed by the court from the  
657 registry to represent a client is entitled to payment as  
658 provided in s. 27.5304 so long as the requirements of subsection  
659 (1) and paragraph (2) (a) are met. An attorney appointed by the

660 court who is not on the registry list may be compensated under  
661 s. 27.5304 only if the court finds in the order of appointment  
662 that there were no registry attorneys available for  
663 representation for that case and only if the requirements of  
664 subsection (1) and paragraph (2)(a) are met.

665 (b)1. The flat fee established in s. 27.5304 and the  
666 General Appropriations Act shall be presumed by the court to be  
667 sufficient compensation. The attorney shall maintain appropriate  
668 documentation, including contemporaneous and detailed hourly  
669 accounting of time spent representing the client. If the  
670 attorney fails to maintain such contemporaneous and detailed  
671 hourly records, the attorney waives the right to seek  
672 compensation in excess of the flat fee established in s. 27.5304  
673 and the General Appropriations Act. These records and documents  
674 are subject to review by the Justice Administrative Commission  
675 and audit by the Auditor General, subject to the attorney-client  
676 privilege and work-product privilege. The attorney shall  
677 maintain the records and documents in a manner that enables the  
678 attorney to redact any information subject to a privilege in  
679 order to facilitate the commission's review of the records and  
680 documents and not to impede such review. The attorney may redact  
681 information from the records and documents only to the extent  
682 necessary to comply with the privilege. The Justice  
683 Administrative Commission shall review such records and shall  
684 contemporaneously document such review before authorizing

685 payment to an attorney. Objections by or on behalf of the  
686 Justice Administrative Commission to records or documents or to  
687 claims for payment by the attorney shall be presumed correct by  
688 the court unless the court determines, in writing, that  
689 competent and substantial evidence exists to justify overcoming  
690 the presumption.

691 2. If an attorney fails, refuses, or declines to permit  
692 the commission or the Auditor General to review documentation  
693 for a case as provided in this paragraph, the attorney waives  
694 the right to seek, and the commission may not pay, compensation  
695 in excess of the flat fee established in s. 27.5304 and the  
696 General Appropriations Act for that case.

697 3. A finding by the commission that an attorney has waived  
698 the right to seek compensation in excess of the flat fee  
699 established in s. 27.5304 and the General Appropriations Act, as  
700 provided in this paragraph, shall be presumed to be correct,  
701 unless the court determines, in writing, that competent and  
702 substantial evidence exists to justify overcoming the  
703 presumption.

704 Section 28. The text to s. 27.40(1), (2)(a), (3)(a), (5),  
705 (6), and (7), Florida Statutes, as carried forward from chapter  
706 2020-114, Laws of Florida, by this act, expires July 1, 2022,  
707 and the text of those subsections and paragraphs, as applicable,  
708 shall revert to that in existence on June 30, 2019, except that  
709 any amendments to such text enacted other than by this act shall

710 be preserved and continue to operate to the extent that such  
711 amendments are not dependent upon the portions of text which  
712 expire pursuant to this section.

713 Section 29. In order to implement Specific Appropriations  
714 736 through 757, 905 through 1048, and 1069 through 1104 of the  
715 2021-2022 General Appropriations Act, subsections (1), (3), (7),  
716 and (11), and paragraphs (a) through (e) of subsection (12), of  
717 section 27.5304, Florida Statutes, are reenacted, and subsection  
718 (13) is reenacted and amended, to read:

719 27.5304 Private court-appointed counsel; compensation;  
720 notice.—

721 (1) Private court-appointed counsel appointed in the  
722 manner prescribed in s. 27.40(1) and (2)(a) shall be compensated  
723 by the Justice Administrative Commission only as provided in  
724 this section and the General Appropriations Act. The flat fees  
725 prescribed in this section are limitations on compensation. The  
726 specific flat fee amounts for compensation shall be established  
727 annually in the General Appropriations Act. The attorney also  
728 shall be reimbursed for reasonable and necessary expenses in  
729 accordance with s. 29.007. If the attorney is representing a  
730 defendant charged with more than one offense in the same case,  
731 the attorney shall be compensated at the rate provided for the  
732 most serious offense for which he or she represented the  
733 defendant. This section does not allow stacking of the fee  
734 limits established by this section.

735 (3) The court retains primary authority and responsibility  
736 for determining the reasonableness of all billings for attorney  
737 fees, costs, and related expenses, subject to statutory  
738 limitations and the requirements of s. 27.40(7). Private court-  
739 appointed counsel is entitled to compensation upon final  
740 disposition of a case.

741 (7) Counsel eligible to receive compensation from the  
742 state for representation pursuant to court appointment made in  
743 accordance with the requirements of s. 27.40(1) and (2)(a) in a  
744 proceeding under chapter 384, chapter 390, chapter 392, chapter  
745 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter  
746 744, or chapter 984 shall receive compensation not to exceed the  
747 limits prescribed in the General Appropriations Act. Any such  
748 compensation must be determined as provided in s. 27.40(7).

749 (11) It is the intent of the Legislature that the flat  
750 fees prescribed under this section and the General  
751 Appropriations Act comprise the full and complete compensation  
752 for private court-appointed counsel. It is further the intent of  
753 the Legislature that the fees in this section are prescribed for  
754 the purpose of providing counsel with notice of the limit on the  
755 amount of compensation for representation in particular  
756 proceedings and the sole procedure and requirements for  
757 obtaining payment for the same.

758 (a) If court-appointed counsel moves to withdraw prior to  
759 the full performance of his or her duties through the completion

Amendment No.

760 of the case, the court shall presume that the attorney is not  
761 entitled to the payment of the full flat fee established under  
762 this section and the General Appropriations Act.

763 (b) If court-appointed counsel is allowed to withdraw from  
764 representation prior to the full performance of his or her  
765 duties through the completion of the case and the court appoints  
766 a subsequent attorney, the total compensation for the initial  
767 and any and all subsequent attorneys may not exceed the flat fee  
768 established under this section and the General Appropriations  
769 Act, except as provided in subsection (12).

770

771 This subsection constitutes notice to any subsequently appointed  
772 attorney that he or she will not be compensated the full flat  
773 fee.

774 (12) The Legislature recognizes that on rare occasions an  
775 attorney may receive a case that requires extraordinary and  
776 unusual effort.

777 (a) If counsel seeks compensation that exceeds the limits  
778 prescribed by law, he or she must file a motion with the chief  
779 judge for an order approving payment of attorney fees in excess  
780 of these limits.

781 1. Before filing the motion, the counsel shall deliver a  
782 copy of the intended billing, together with supporting  
783 affidavits and all other necessary documentation, to the Justice  
784 Administrative Commission.

107435

Approved For Filing: 4/7/2021 8:33:30 PM

Amendment No.

785           2. The Justice Administrative Commission shall review the  
786 billings, affidavit, and documentation for completeness and  
787 compliance with contractual and statutory requirements and shall  
788 contemporaneously document such review before authorizing  
789 payment to an attorney. If the Justice Administrative Commission  
790 objects to any portion of the proposed billing, the objection  
791 and supporting reasons must be communicated in writing to the  
792 private court-appointed counsel. The counsel may thereafter file  
793 his or her motion, which must specify whether the commission  
794 objects to any portion of the billing or the sufficiency of  
795 documentation, and shall attach the commission's letter stating  
796 its objection.

797           (b) Following receipt of the motion to exceed the fee  
798 limits, the chief judge or a single designee shall hold an  
799 evidentiary hearing. The chief judge may select only one judge  
800 per circuit to hear and determine motions pursuant to this  
801 subsection, except multicounty circuits and the eleventh circuit  
802 may have up to two designees.

803           1. At the hearing, the attorney seeking compensation must  
804 prove by competent and substantial evidence that the case  
805 required extraordinary and unusual efforts. The chief judge or  
806 single designee shall consider criteria such as the number of  
807 witnesses, the complexity of the factual and legal issues, and  
808 the length of trial. The fact that a trial was conducted in a  
809 case does not, by itself, constitute competent substantial

107435

810 evidence of an extraordinary and unusual effort. In a criminal  
811 case, relief under this section may not be granted if the number  
812 of work hours does not exceed 75 or the number of the state's  
813 witnesses deposed does not exceed 20.

814 2. Objections by or on behalf of the Justice  
815 Administrative Commission to records or documents or to claims  
816 for payment by the attorney shall be presumed correct by the  
817 court unless the court determines, in writing, that competent  
818 and substantial evidence exists to justify overcoming the  
819 presumption. The chief judge or single designee shall enter a  
820 written order detailing his or her findings and identifying the  
821 extraordinary nature of the time and efforts of the attorney in  
822 the case which warrant exceeding the flat fee established by  
823 this section and the General Appropriations Act.

824 (c) A copy of the motion and attachments shall be served  
825 on the Justice Administrative Commission at least 20 business  
826 days before the date of a hearing. The Justice Administrative  
827 Commission has standing to appear before the court, and may  
828 appear in person or telephonically, including at the hearing  
829 under paragraph (b), to contest any motion for an order  
830 approving payment of attorney fees, costs, or related expenses  
831 and may participate in a hearing on the motion by use of  
832 telephonic or other communication equipment. The Justice  
833 Administrative Commission may contract with other public or  
834 private entities or individuals to appear before the court for

107435

Amendment No.

835 the purpose of contesting any motion for an order approving  
836 payment of attorney fees, costs, or related expenses. The fact  
837 that the Justice Administrative Commission has not objected to  
838 any portion of the billing or to the sufficiency of the  
839 documentation is not binding on the court.

840 (d) If the chief judge or a single designee finds that  
841 counsel has proved by competent and substantial evidence that  
842 the case required extraordinary and unusual efforts, the chief  
843 judge or single designee shall order the compensation to be paid  
844 to the attorney at a percentage above the flat fee rate,  
845 depending on the extent of the unusual and extraordinary effort  
846 required. The percentage must be only the rate necessary to  
847 ensure that the fees paid are not confiscatory under common law.  
848 The percentage may not exceed 200 percent of the established  
849 flat fee, absent a specific finding that 200 percent of the flat  
850 fee in the case would be confiscatory. If the chief judge or  
851 single designee determines that 200 percent of the flat fee  
852 would be confiscatory, he or she shall order the amount of  
853 compensation using an hourly rate not to exceed \$75 per hour for  
854 a noncapital case and \$100 per hour for a capital case. However,  
855 the compensation calculated by using the hourly rate shall be  
856 only that amount necessary to ensure that the total fees paid  
857 are not confiscatory, subject to the requirements of s.  
858 27.40(7).

859 (e) Any order granting relief under this subsection must  
860 be attached to the final request for a payment submitted to the  
861 Justice Administrative Commission and must satisfy the  
862 requirements of subparagraph (b)2.

863 (13) Notwithstanding the limitation set forth in  
864 subsection (5) and for the 2021-2022 ~~2020-2021~~ fiscal year only,  
865 the compensation for representation in a criminal proceeding may  
866 not exceed the following:

867 (a) For misdemeanors and juveniles represented at the  
868 trial level: \$1,000.

869 (b) For noncapital, nonlife felonies represented at the  
870 trial level: \$15,000.

871 (c) For life felonies represented at the trial level:  
872 \$15,000.

873 (d) For capital cases represented at the trial level:  
874 \$25,000. For purposes of this paragraph, a "capital case" is any  
875 offense for which the potential sentence is death and the state  
876 has not waived seeking the death penalty.

877 (e) For representation on appeal: \$9,000.

878 (f) This subsection expires July 1, 2022 ~~2021~~.

884 except that any amendments to such text enacted other than by  
885 this act shall be preserved and continue to operate to the  
886 extent that such amendments are not dependent upon the portions  
887 of text which expire pursuant to this section.

888 Section 31. In order to implement Specific Appropriation  
889 1105 through 1187 of the 2021-2022 General Appropriations Act,

913 of the chief circuit judge in each judicial circuit affected by  
914 such request. Upon a showing that geographic proximity,

916 of operations merits alternative placement, each affected chief  
917 circuit judge may authorize the execution of an interagency  
918 agreement specifying the alternative juvenile justice operating  
919 circuit in which the county is to be placed and the basis for  
920 the alternative placement. Upon the execution of said
