46 multiplied by the estimated number of charter school students
47 for the applicable fiscal year, and adjusted by changes in the

80 school's sponsor for a nominal fee, or at no charge, or if it is
81 directly or indirectly operated by the school district.

82 Section 5. The amendments to s. 1013.62(1), Florida
83 Statutes, by this act expire July 1, 2022, and the text of that
84 subsection shall revert to that in existence on June 30, 2020,

94 district for operation of schools is not determined in the
95 annual appropriations act or the substantive bill implementing
96 the annual appropriations act, it shall be determined as
97 follows:

98 (17) FUNDING COMPRESSION AND HOLD HARMLESS ALLOCATION.—The

652590

99 Legislature may provide an annual funding compression and hold
100 harmless allocation in the General Appropriations Act. The
101 allocation is created to provide additional funding to school
102 districts if the school district's total funds per FTE in the
103 prior year were less than the statewide average or if the school
104 district's district cost differential in the current year is
105 less than the prior year. The total allocation shall be
106 distributed to eligible school districts as follows:

107 (a) Using the most recent prior year FEFP calculation for
108 each eligible school district, subtract the total school
109 district funds per FTE from the state average funds per FTE, not
110 including any adjustments made pursuant to paragraph (19) (b) .
111 The resulting funds per FTE difference, or a portion thereof, as
112 designated in the General Appropriations Act, shall then be
113 multiplied by the school district's total unweighted FTE.

114 (b) Multiply the absolute value of the difference between
115 the eligible school district's current year district cost
116 differential and the prior year district cost differential by a
117 hold harmless factor as designated in the General Appropriations
118 Act. The result is the district cost differential hold harmless
119 index. Multiply the index by the eligible school district's
120 weighted FTE and by the base student allocation as designated in
121 the General Appropriations Act.

122 (c) For each district, select the greater of ~~Add~~ the
123 amounts calculated in paragraphs (a) and (b) and upon summation,
124 if the total amount is greater than the amount included in the
125 General Appropriations Act, the allocation shall be prorated to
126 the appropriation amount based on each participating school
127 district's share.

449 steering committee consists of at least 11 members.

450 (4) The executive steering committee has the overall
451 responsibility for ensuring that the project to replace FMMIS
452 and the Medicaid fiscal agent meets its primary business
453 objectives and shall:

454 (a) Identify and recommend to the Executive Office of the
455 Governor, the President of the Senate, and the Speaker of the

465 (d) Approve all major project deliverables.

466 (e) Review and verify that ~~Approve~~ all procurement and

470 project.

471 (5) This section expires July 1, 2022 ~~2021~~.

472 Section 22. Effective upon becoming a law, in order to
473 implement section 58 of the 2021-2022 General Appropriations
474 Act, subsection (7) is added to section 409.916, Florida
475 Statutes, to read:

652590

476 409.916 Grants and Donations Trust Fund.—

477 (7) Funds may be used for other purposes as specified in
478 the General Appropriations Act. This subsection expires July 1,
479 2021.

480 Section 23. In order to implement Specific Appropriations
481 572 through 680 and 692 through 726 of the 2021-2022 General
482 Appropriations Act, subsection (4) of section 216.262, Florida
483 Statutes, is amended to read:

484 216.262 Authorized positions.—

485 (4) Notwithstanding the provisions of this chapter relating
486 to increasing the number of authorized positions, and for the
487 2021-2022 ~~2020-2021~~ fiscal year only, if the actual inmate
488 population of the Department of Corrections exceeds the inmate
489 population projections of the March 17, 2021 ~~December 17, 2019~~,
490 Criminal Justice Estimating Conference by 1 percent for 2
491 consecutive months or 2 percent for any month, the Executive
492 Office of the Governor, with the approval of the Legislative
493 Budget Commission, shall immediately notify the Criminal Justice
494 Estimating Conference, which shall convene as soon as possible
495 to revise the estimates. The Department of Corrections may then
496 submit a budget amendment requesting the establishment of
497 positions in excess of the number authorized by the Legislature
498 and additional appropriations from unallocated general revenue
499 sufficient to provide for essential staff, fixed capital
500 improvements, and other resources to provide classification,
501 security, food services, health services, and other variable
502 expenses within the institutions to accommodate the estimated
503 increase in the inmate population. All actions taken pursuant to
504 this subsection are subject to review and approval by the

505 Legislative Budget Commission. This subsection expires July 1,
506 2022 ~~2021~~.

507 Section 24. In order to implement Specific Appropriation
508 714 of the 2021-2022 General Appropriations Act, and upon the
509 expiration and reversion of the amendments made by section 54 of
510 chapter 2020-114, Laws of Florida, paragraph (b) of subsection
511 (8) of section 1011.80, Florida Statutes, is amended to read:

512 1011.80 Funds for operation of workforce education
513 programs.—

514 (8)

515 (b) State funds provided for the operation of postsecondary
516 workforce programs may not be expended for the education of
517 state or federal inmates, except to the extent that such funds
518 are specifically appropriated for such purpose in the 2021-2022
519 General Appropriations Act ~~with more than 24 months of time~~
520 ~~remaining to serve on their sentences or federal inmates.~~

521 Section 25. The amendment to s. 1011.80(8)(b), Florida
522 Statutes, made by this act expires July 1, 2022, and the text of
523 that paragraph shall revert to that in existence on July 1,
524 2019, but not including any amendments made by this act or
525 chapters 2020-114, 2019-116, and 2018-10, Laws of Florida, and
526 any amendments to such text enacted other than by this act shall
527 be preserved and continue to operate to the extent that such
528 amendments are not dependent upon the portions of text which
529 expire pursuant to this section.

530 Section 26. In order to implement Specific Appropriations
531 3113 through 3179 of the 2021-2022 General Appropriations Act,
532 subsection (2) of section 215.18, Florida Statutes, is amended
533 to read:

652590

534 215.18 Transfers between funds; limitation.-

535 (2) The Chief Justice of the Supreme Court may receive one
536 or more trust fund loans to ensure that the state court system
537 has funds sufficient to meet its appropriations in the 2021-2022
538 ~~2020-2021~~ General Appropriations Act. If the Chief Justice
539 accesses the loan, he or she must notify the Governor and the
540 chairs of the legislative appropriations committees in writing.
541 The loan must come from other funds in the State Treasury which
542 are for the time being or otherwise in excess of the amounts
543 necessary to meet the just requirements of such last-mentioned
544 funds. The Governor shall order the transfer of funds within 5
545 days after the written notification from the Chief Justice. If
546 the Governor does not order the transfer, the Chief Financial
547 Officer shall transfer the requested funds. The loan of funds
548 from which any money is temporarily transferred must be repaid
549 by the end of the 2021-2022 ~~2020-2021~~ fiscal year. This
550 subsection expires July 1, 2022 ~~2021~~.

551 Section 27. In order to implement Specific Appropriations
552 1105 through 1116 of the 2021-2022 General Appropriations Act:

553 (1) The Department of Juvenile Justice is required to
554 review county juvenile detention payments to ensure that
555 counties fulfill their financial responsibilities required in s.
556 985.6865, Florida Statutes. If the Department of Juvenile
557 Justice determines that a county has not met its obligations,
558 the department shall direct the Department of Revenue to deduct
559 the amount owed to the Department of Juvenile Justice from the
560 funds provided to the county under s. 218.23, Florida Statutes.
561 The Department of Revenue shall transfer the funds withheld to
562 the Shared County/State Juvenile Detention Trust Fund.

563 (2) As an assurance to holders of bonds issued by counties
564 before July 1, 2021, for which distributions made pursuant to s.
565 218.23, Florida Statutes, are pledged, or bonds issued to refund
566 such bonds which mature no later than the bonds they refunded
567 and which result in a reduction of debt service payable in each
568 fiscal year, the amount available for distribution to a county
569 shall remain as provided by law and continue to be subject to
570 any lien or claim on behalf of the bondholders. The Department
571 of Revenue must ensure, based on information provided by an
572 affected county, that any reduction in amounts distributed
573 pursuant to subsection (1) does not reduce the amount of
574 distribution to a county below the amount necessary for the
575 timely payment of principal and interest when due on the bonds
576 and the amount necessary to comply with any covenant under the
577 bond resolution or other documents relating to the issuance of
578 the bonds. If a reduction to a county's monthly distribution
579 must be decreased in order to comply with this section, the
580 Department of Revenue must notify the Department of Juvenile
581 Justice of the amount of the decrease, and the Department of
582 Juvenile Justice must send a bill for payment of such amount to
583 the affected county.

584 (3) This section expires July 1, 2022.

585 Section 28. In order to implement Specific Appropriations
586 736 through 757, 905 through 1048, and 1069 through 1104 of the
587 2021-2022 General Appropriations Act, and notwithstanding the
588 expiration date in section 59 of chapter 2020-114, Laws of
589 Florida, subsection (1), paragraph (a) of subsection (2),
590 paragraph (a) of subsection (3), and subsections (5), (6), and
591 (7) of section 27.40, Florida Statutes, are reenacted to read:

652590

592 27.40 Court-appointed counsel; circuit registries; minimum
593 requirements; appointment by court.—

594 (1) Counsel shall be appointed to represent any individual
595 in a criminal or civil proceeding entitled to court-appointed
596 counsel under the Federal or State Constitution or as authorized
597 by general law. The court shall appoint a public defender to
598 represent indigent persons as authorized in s. 27.51. The office
599 of criminal conflict and civil regional counsel shall be
600 appointed to represent persons in those cases in which provision
601 is made for court-appointed counsel, but only after the public
602 defender has certified to the court in writing that the public
603 defender is unable to provide representation due to a conflict
604 of interest or is not authorized to provide representation. The
605 public defender shall report, in the aggregate, the specific
606 basis of all conflicts of interest certified to the court. On a
607 quarterly basis, the public defender shall submit this
608 information to the Justice Administrative Commission.

609 (2) (a) Private counsel shall be appointed to represent
610 persons in those cases in which provision is made for court-
611 appointed counsel but only after the office of criminal conflict
612 and civil regional counsel has been appointed and has certified
613 to the court in writing that the criminal conflict and civil
614 regional counsel is unable to provide representation due to a
615 conflict of interest. The criminal conflict and civil regional
616 counsel shall report, in the aggregate, the specific basis of
617 all conflicts of interest certified to the court. On a quarterly
618 basis, the criminal conflict and civil regional counsel shall
619 submit this information to the Justice Administrative
620 Commission.

652590

621 (3) In using a registry:

622 (a) The chief judge of the circuit shall compile a list of
623 attorneys in private practice, by county and by category of
624 cases, and provide the list to the clerk of court in each
625 county. The chief judge of the circuit may restrict the number
626 of attorneys on the general registry list. To be included on a
627 registry, an attorney must certify that he or she:

628 1. Meets any minimum requirements established by the chief
629 judge and by general law for court appointment;

630 2. Is available to represent indigent defendants in cases
631 requiring court appointment of private counsel; and

632 3. Is willing to abide by the terms of the contract for
633 services, s. 27.5304, and this section.

634

635 To be included on a registry, an attorney must enter into a
636 contract for services with the Justice Administrative
637 Commission. Failure to comply with the terms of the contract for
638 services may result in termination of the contract and removal
639 from the registry. Each attorney on the registry is responsible
640 for notifying the clerk of the court and the Justice
641 Administrative Commission of any change in his or her status.
642 Failure to comply with this requirement is cause for termination
643 of the contract for services and removal from the registry until
644 the requirement is fulfilled.

645 (5) The Justice Administrative Commission shall approve
646 uniform contract forms for use in procuring the services of
647 private court-appointed counsel and uniform procedures and forms
648 for use by a court-appointed attorney in support of billing for
649 attorney's fees, costs, and related expenses to demonstrate the

652590

650 attorney's completion of specified duties. Such uniform
651 contracts and forms for use in billing must be consistent with
652 s. 27.5304, s. 216.311, and the General Appropriations Act and
653 must contain the following statement: "The State of Florida's
654 performance and obligation to pay under this contract is
655 contingent upon an annual appropriation by the Legislature."

656 (6) After court appointment, the attorney must immediately
657 file a notice of appearance with the court indicating acceptance
658 of the appointment to represent the defendant and of the terms
659 of the uniform contract as specified in subsection (5).

660 (7) (a) A private attorney appointed by the court from the
661 registry to represent a client is entitled to payment as
662 provided in s. 27.5304 so long as the requirements of subsection
663 (1) and paragraph (2) (a) are met. An attorney appointed by the
664 court who is not on the registry list may be compensated under
665 s. 27.5304 only if the court finds in the order of appointment
666 that there were no registry attorneys available for
667 representation for that case and only if the requirements of
668 subsection (1) and paragraph (2) (a) are met.

669 (b) 1. The flat fee established in s. 27.5304 and the
670 General Appropriations Act shall be presumed by the court to be
671 sufficient compensation. The attorney shall maintain appropriate
672 documentation, including contemporaneous and detailed hourly
673 accounting of time spent representing the client. If the
674 attorney fails to maintain such contemporaneous and detailed
675 hourly records, the attorney waives the right to seek
676 compensation in excess of the flat fee established in s. 27.5304
677 and the General Appropriations Act. These records and documents
678 are subject to review by the Justice Administrative Commission

652590

679 and audit by the Auditor General, subject to the attorney-client
680 privilege and work-product privilege. The attorney shall
681 maintain the records and documents in a manner that enables the
682 attorney to redact any information subject to a privilege in
683 order to facilitate the commission's review of the records and
684 documents and not to impede such review. The attorney may redact
685 information from the records and documents only to the extent
686 necessary to comply with the privilege. The Justice
687 Administrative Commission shall review such records and shall
688 contemporaneously document such review before authorizing
689 payment to an attorney. Objections by or on behalf of the
690 Justice Administrative Commission to records or documents or to
691 claims for payment by the attorney shall be presumed correct by
692 the court unless the court determines, in writing, that
693 competent and substantial evidence exists to justify overcoming
694 the presumption.

695 2. If an attorney fails, refuses, or declines to permit the
696 commission or the Auditor General to review documentation for a
697 case as provided in this paragraph, the attorney waives the
698 right to seek, and the commission may not pay, compensation in
699 excess of the flat fee established in s. 27.5304 and the General
700 Appropriations Act for that case.

701 3. A finding by the commission that an attorney has waived
702 the right to seek compensation in excess of the flat fee
703 established in s. 27.5304 and the General Appropriations Act, as
704 provided in this paragraph, shall be presumed to be correct,
705 unless the court determines, in writing, that competent and
706 substantial evidence exists to justify overcoming the
707 presumption.

708 Section 29. The amendments to s. 27.40(1), (2)(a), (3)(a),
709 (5), (6), and (7), Florida Statutes, as carried forward from
710 chapter 2019-116, Laws of Florida, by this act, expire July 1,
711 2022, and the text of those subsections and paragraphs, as
712 applicable, shall revert to that in existence on June 30, 2019,
713 except that any amendments to such text enacted other than by
714 this act shall be preserved and continue to operate to the
715 extent that such amendments are not dependent upon the portions
716 of text which expire pursuant to this section.

717 Section 30. In order to implement Specific Appropriations
718 736 through 757, 905 through 1048, and 1069 through 1104 of the
719 2021-2022 General Appropriations Act, and notwithstanding the
720 expiration date in section 59 of chapter 2020-114, Laws of
721 Florida, subsection (13) of section 27.5304, Florida Statutes,
722 is amended, and subsections (1), (3), (7), and (11), and
723 paragraphs (a) through (e) of subsection (12) of that section
724 are reenacted, to read:

725 27.5304 Private court-appointed counsel; compensation;
726 notice.-

727 (1) Private court-appointed counsel appointed in the manner
728 prescribed in s. 27.40(1) and (2)(a) shall be compensated by the
729 Justice Administrative Commission only as provided in this
730 section and the General Appropriations Act. The flat fees
731 prescribed in this section are limitations on compensation. The
732 specific flat fee amounts for compensation shall be established
733 annually in the General Appropriations Act. The attorney also
734 shall be reimbursed for reasonable and necessary expenses in
735 accordance with s. 29.007. If the attorney is representing a
736 defendant charged with more than one offense in the same case,

652590

737 the attorney shall be compensated at the rate provided for the
738 most serious offense for which he or she represented the
739 defendant. This section does not allow stacking of the fee
740 limits established by this section.

741 (3) The court retains primary authority and responsibility
742 for determining the reasonableness of all billings for attorney
743 fees, costs, and related expenses, subject to statutory
744 limitations and the requirements of s. 27.40(7). Private court-
745 appointed counsel is entitled to compensation upon final
746 disposition of a case.

747 (7) Counsel eligible to receive compensation from the state
748 for representation pursuant to court appointment made in
749 accordance with the requirements of s. 27.40(1) and (2)(a) in a
750 proceeding under chapter 384, chapter 390, chapter 392, chapter
751 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter
752 744, or chapter 984 shall receive compensation not to exceed the
753 limits prescribed in the General Appropriations Act. Any such
754 compensation must be determined as provided in s. 27.40(7).

755 (11) It is the intent of the Legislature that the flat fees
756 prescribed under this section and the General Appropriations Act
757 comprise the full and complete compensation for private court-
758 appointed counsel. It is further the intent of the Legislature
759 that the fees in this section are prescribed for the purpose of
760 providing counsel with notice of the limit on the amount of
761 compensation for representation in particular proceedings and
762 the sole procedure and requirements for obtaining payment for
763 the same.

764 (a) If court-appointed counsel moves to withdraw prior to
765 the full performance of his or her duties through the completion

652590

766 of the case, the court shall presume that the attorney is not
767 entitled to the payment of the full flat fee established under
768 this section and the General Appropriations Act.

769 (b) If court-appointed counsel is allowed to withdraw from
770 representation prior to the full performance of his or her
771 duties through the completion of the case and the court appoints
772 a subsequent attorney, the total compensation for the initial
773 and any and all subsequent attorneys may not exceed the flat fee
774 established under this section and the General Appropriations
775 Act, except as provided in subsection (12).

776
777 This subsection constitutes notice to any subsequently appointed
778 attorney that he or she will not be compensated the full flat
779 fee.

780 (12) The Legislature recognizes that on rare occasions an
781 attorney may receive a case that requires extraordinary and
782 unusual effort.

783 (a) If counsel seeks compensation that exceeds the limits
784 prescribed by law, he or she must file a motion with the chief
785 judge for an order approving payment of attorney fees in excess
786 of these limits.

787 1. Before filing the motion, the counsel shall deliver a
788 copy of the intended billing, together with supporting
789 affidavits and all other necessary documentation, to the Justice
790 Administrative Commission.

791 2. The Justice Administrative Commission shall review the
792 billings, affidavit, and documentation for completeness and
793 compliance with contractual and statutory requirements and shall
794 contemporaneously document such review before authorizing

652590

795 payment to an attorney. If the Justice Administrative Commission
796 objects to any portion of the proposed billing, the objection
797 and supporting reasons must be communicated in writing to the
798 private court-appointed counsel. The counsel may thereafter file
799 his or her motion, which must specify whether the commission
800 objects to any portion of the billing or the sufficiency of
801 documentation, and shall attach the commission's letter stating
802 its objection.

803 (b) Following receipt of the motion to exceed the fee
804 limits, the chief judge or a single designee shall hold an
805 evidentiary hearing. The chief judge may select only one judge
806 per circuit to hear and determine motions pursuant to this
807 subsection, except multicounty circuits and the eleventh circuit
808 may have up to two designees.

809 1. At the hearing, the attorney seeking compensation must
810 prove by competent and substantial evidence that the case
811 required extraordinary and unusual efforts. The chief judge or
812 single designee shall consider criteria such as the number of
813 witnesses, the complexity of the factual and legal issues, and
814 the length of trial. The fact that a trial was conducted in a
815 case does not, by itself, constitute competent substantial
816 evidence of an extraordinary and unusual effort. In a criminal
817 case, relief under this section may not be granted if the number
818 of work hours does not exceed 75 or the number of the state's
819 witnesses deposed does not exceed 20.

820 2. Objections by or on behalf of the Justice Administrative
821 Commission to records or documents or to claims for payment by
822 the attorney shall be presumed correct by the court unless the
823 court determines, in writing, that competent and substantial

824 evidence exists to justify overcoming the presumption. The chief
825 judge or single designee shall enter a written order detailing
826 his or her findings and identifying the extraordinary nature of
827 the time and efforts of the attorney in the case which warrant
828 exceeding the flat fee established by this section and the
829 General Appropriations Act.

830 (c) A copy of the motion and attachments shall be served on
831 the Justice Administrative Commission at least 20 business days
832 before the date of a hearing. The Justice Administrative
833 Commission has standing to appear before the court, and may
834 appear in person or telephonically, including at the hearing
835 under paragraph (b), to contest any motion for an order
836 approving payment of attorney fees, costs, or related expenses
837 and may participate in a hearing on the motion by use of
838 telephonic or other communication equipment. The Justice
839 Administrative Commission may contract with other public or
840 private entities or individuals to appear before the court for
841 the purpose of contesting any motion for an order approving
842 payment of attorney fees, costs, or related expenses. The fact
843 that the Justice Administrative Commission has not objected to
844 any portion of the billing or to the sufficiency of the
845 documentation is not binding on the court.

846 (d) If the chief judge or a single designee finds that
847 counsel has proved by competent and substantial evidence that
848 the case required extraordinary and unusual efforts, the chief
849 judge or single designee shall order the compensation to be paid
850 to the attorney at a percentage above the flat fee rate,
851 depending on the extent of the unusual and extraordinary effort
852 required. The percentage must be only the rate necessary to

853 ensure that the fees paid are not confiscatory under common law.
854 The percentage may not exceed 200 percent of the established
855 flat fee, absent a specific finding that 200 percent of the flat
856 fee in the case would be confiscatory. If the chief judge or
857 single designee determines that 200 percent of the flat fee
858 would be confiscatory, he or she shall order the amount of
859 compensation using an hourly rate not to exceed \$75 per hour for
860 a noncapital case and \$100 per hour for a capital case. However,
861 the compensation calculated by using the hourly rate shall be
862 only that amount necessary to ensure that the total fees paid
863 are not confiscatory, subject to the requirements of s.
864 27.40(7).

865 (e) Any order granting relief under this subsection must be
866 attached to the final request for a payment submitted to the
867 Justice Administrative Commission and must satisfy the
868 requirements of subparagraph (b)2.

869 (13) Notwithstanding the limitation set forth in subsection
870 (5) and for the 2021-2022 ~~2020-2021~~ fiscal year only, the
871 compensation for representation in a criminal proceeding may not
872 exceed the following:

873 (a) For misdemeanors and juveniles represented at the trial
874 level: \$1,000.

1165 appropriations from each of the land acquisition trust funds for
1166 the fiscal year by the total appropriations from the Land
1167 Acquisition Trust Fund within the department and the land
1168 acquisition trust funds within the Department of Agriculture and

1189 department's Land Acquisition Trust Fund and the other land
1190 acquisition trust funds, and the amounts actually transferred
1191 between those trust funds during the 2020-2021 fiscal year.

1192 (4) The department may advance funds from the beginning
1193 unobligated fund balance in the Land Acquisition Trust Fund to

1832 constitutes the allocation under which the Public Counsel will
1833 manage the duties of his or her office. The Public Counsel:

1834 (a) Shall submit an annual budget request to the
1835 Legislature in the format, detail, and schedule determined by
