Senator Brodeur moved the following:

**Senate Amendment (with title amendment)**

Delete lines 183 - 240  
and insert:  
assessment due January 1, 2023, pursuant to s. 403.928.

(6) This section applies to a rural area of opportunity as defined in s. 288.0656 unless the requirements of this section would create an undue economic hardship for the county, municipality, or special district in the rural area of opportunity.

Section 5. Section 403.9302, Florida Statutes, is created

427668

12 to read:

13 403.9302 Stormwater management projections.-

14 (1) The Legislature intends for each county, municipality,  
15 or special district providing a stormwater management program or  
16 stormwater management system to create a 20-year needs analysis.

17 (2) As used in this section, the term:

18 (a) "Facility" means any equipment, structure, or other  
19 property, including conveyance systems, used or useful in  
20 connection with providing a stormwater management program or  
21 stormwater management system.

22 (b) "Stormwater management program" has the same meaning as  
23 provided in s. 403.031(15).

24 (c) "Stormwater management system" has the same meaning as  
25 provided in s. 403.031(16).

26 (3) By June 30, 2022, and every 5 years thereafter, each  
27 county, municipality, or special district providing a stormwater  
28 management program or stormwater management system shall develop  
29 a needs analysis for its jurisdiction over the subsequent 20  
30 years. In projecting such needs, each local government shall  
31 include the following:

32 (a) A detailed description of the stormwater management  
33 program or stormwater management system and its facilities and  
34 projects.

35 (b) The number of current and projected residents served  
36 calculated in 5-year increments.

37 (c) The current and projected service area for the  
38 stormwater management program or stormwater management system.

39 (d) The current and projected cost of providing services  
40 calculated in 5-year increments.

427668

41       (e) The estimated remaining useful life of each facility or  
42 its major components.

43       (f) The most recent 5-year history of annual contributions  
44 to, expenditures from, and balances of any capital account for  
45 maintenance or expansion of any facility or its major  
46 components.

47       (g) The local government's plan to fund the maintenance or  
48 expansion of any facility or its major components. The plan must  
49 include historical and estimated future revenues and  
50 expenditures with an evaluation of how the local government  
51 expects to close any projected funding gap.

52       (4) Upon completing the requirements of subsection (3),  
53 each municipality or special district shall submit its needs  
54 analysis, as well as the methodology and any supporting data  
55 necessary to interpret the results, to the county within which  
56 the largest portion of its stormwater management program or  
57 stormwater management system is located. Each county shall  
58 compile all analyses submitted to it under this subsection into  
59 a single document and include its own analysis in the document.  
60 The county shall file the compiled document with the Secretary  
61 of Environmental Protection and the coordinator of the Office of  
62 Economic and Demographic Research no later than July 31, 2022,  
63 and every 5 years thereafter.

64       (5) The Office of Economic and Demographic Research shall  
65 evaluate the compiled documents from the counties for the  
66 purpose of developing a statewide analysis for inclusion in the  
67 assessment due January 1, 2023, pursuant to s. 403.928.

68       (6) This section applies to a rural area of opportunity as  
69 defined in s. 288.0656 unless the requirements of this section

427668

70 would create an undue economic hardship for the county,  
71 municipality, or special district in the rural area of  
72 opportunity.
