3 Representative Koster offered the following:

4

5 **Amendment**

6 Remove lines 30-176 and insert:

7 school, workplace, community, and other settings for clients who
 8 have or are at risk of developing an illness, injury, disease,
 9 disorder, condition, impairment, disability, activity
 10 limitation, or participation restriction ~~purposeful activity or~~
 11 interventions to achieve functional outcomes.

12 (a) For the purposes of this subsection:

13 1. "Activities of daily living" means functions and tasks
 14 for self-care which are performed on a daily or routine basis,
 15 including functional mobility, bathing, dressing, eating and
 16 swallowing, personal hygiene and grooming, toileting, and other

Amendment No. 1

17 similar tasks. "Achieving functional outcomes" means to maximize
18 the independence and the maintenance of health of any individual
19 who is limited by a physical injury or illness, a cognitive
20 impairment, a psychosocial dysfunction, a mental illness, a
21 developmental or a learning disability, or an adverse
22 environmental condition.

23 2. "Assessment" means the use of skilled observation or
24 the administration and interpretation of standardized or
25 nonstandardized tests and measurements to identify areas for
26 occupational therapy services.

27 3. "Behavioral health services" means the promotion of
28 occupational performance through services to support positive
29 mental health by providing direct individual and group
30 interventions to improve the client's participation in daily
31 occupations.

32 4. "Health management" means activities related to
33 developing, managing, and maintaining health and wellness,
34 including self-management, with the goal of improving or
35 maintaining health to support participation in occupations.

36 5. "Instrumental activities of daily living" means daily
37 or routine activities a person must perform to live
38 independently within the home and community.

39 6. "Mental health services" means the promotion of
40 occupational performance related to mental health, coping,
41 resilience, and well-being by providing individual, group, and

Amendment No. 1

42 population level supports and services to improve the client's
43 participation in daily occupations for those who are at risk of,
44 experiencing, or in recovery from these conditions, along with
45 their families and communities.

46 7. "Occupations" means meaningful and purposeful everyday
47 activities performed and engaged in by individuals, groups,
48 populations, families, or communities which occur in contexts
49 and over time, such as activities of daily living, instrumental
50 activities of daily living, health management, rest and sleep,
51 education, work, play, leisure, and social participation. The
52 term includes more specific occupations and execution of
53 multiple activities that are influenced by performance patterns,
54 performance skills, and client factors, resulting in varied
55 outcomes.

56 8. "Occupational performance" means the ability to
57 perceive, desire, recall, plan, and carry out roles, routines,
58 tasks, and subtasks for the purpose of self-maintenance, self-
59 preservation, productivity, leisure, and rest, for oneself or
60 others, in response to internal or external demands of
61 occupations and contexts.

62 (b) The practice of occupational therapy includes services
63 include, but is are not limited to:

64 1. Assessment, treatment, education of, and consultation
65 with, individuals, groups, and populations whose abilities to
66 participate safely in occupations, including activities of daily

Amendment No. 1

67 living, instrumental activities of daily living, rest and sleep,
68 education, work, play, leisure, and social participation, are
69 impaired or at risk for impairment due to issues related, but
70 not limited to, developmental deficiencies, the aging process,
71 learning disabilities, physical environment and sociocultural
72 context, physical injury or disease, cognitive impairments, and
73 psychological and social disabilities; ~~The assessment,~~
74 treatment, and education of or consultation with the individual,
75 family, or other persons.

76 2. Methods or approaches to determine abilities and
77 limitations related to performance of occupations, including but
78 not limited to, the identification of physical, sensory,
79 cognitive, emotional, or social deficiencies ~~Interventions~~
80 ~~directed toward developing daily living skills, work readiness~~
81 ~~or work performance, play skills or leisure capacities, or~~
82 ~~enhancing educational performance skills.~~

83 3. Specific occupational therapy techniques used for
84 treatment that involve, but are not limited to, training in
85 activities of daily living; environmental modification;
86 assessment of the need for the use of interventions such as the
87 design, fabrication, and application of orthotics or orthotic
88 devices; selecting, applying, and training in the use of
89 assistive technology and adaptive devices; sensory, motor, and
90 cognitive activities; therapeutic exercises; manual techniques;
91 physical agent modalities; behavioral health services; and
