### ***SkillBridge***

The Department of Defense SkillBridge program connects servicemembers with participating companies that provide training, apprenticeships, and internships. A servicemember is eligible to participate during his or her last 180 days of military service. Once approved, a unit commander authorizes the servicemember up to 180 days of permissive leave for the servicemember to gain civilian experience with an industry participant.<sup>17</sup> Companies benefit at no cost, and the servicemember continues to receive military compensation.

For servicemembers, SkillBridge provides a chance to work and learn in civilian career areas, and can help bridge the gap between the end of service and the beginning of civilian careers.<sup>18</sup>

Guard and Reserve members are also eligible to participate in SkillBridge, and if space is available, a veteran or a military spouse may seek a position in SkillBridge.<sup>19</sup>

To view opportunities, SkillBridge maintains an online platform of listings submitted by industry partners.<sup>20</sup> As of January 14, 2021, 52 SkillBridge programs operate in Florida.<sup>21</sup> An additional listing is provided of organizations that have been authorized by the Department of Defense through a “Memorandum of Understanding” to work with each of the branches of the military and installation commanders to develop SkillBridge training programs for their personnel. Florida is for Veterans is one of the 5 approved organizations in Florida.<sup>22</sup>
