117 business operations;

118 3. Has not been disclosed except as required by law or a
119 private agreement that provides that the information will not be
120 released to the public;

121 4. Is not publicly available or otherwise readily
122 ascertainable through proper means from another source in the
123 same configuration as received by the department; and

124 5. Includes:

125 a. Trade secrets as defined in s. 688.002.

126 b. Competitive interests, the disclosure of which would
127 impair the competitive advantage of the business that is the
128 subject of the information.

129 (e) This subsection is subject to the Open Government
130 Sunset Review Act in accordance with s. 119.15 and shall stand
131 repealed on October 2, 2026, unless reviewed and saved from
132 repeal through reenactment by the Legislature.

133 Section 3. The Legislature finds that it is a public
134 necessity that all information received by the Attorney General
135 and the Department of Legal Affairs pursuant to an investigation
136 by the Attorney General, the Department of Legal Affairs, or a
137 law enforcement agency under ss. 287.137 and 501.2041, Florida
138 Statutes, be made confidential and exempt from s. 119.07(1),
139 Florida Statutes, and s. 24(a), Article I of the State
140 Constitution for the following reasons:

141 (1) A notification of a violation of s. 501.172, Florida
142 Statutes, or antitrust laws may result in an investigation of
143 such violations. The premature release of such investigatory
144 information could frustrate or thwart the investigation and
145 impair the ability of the Attorney General and the Department of

20217074er

146 Legal Affairs to effectively and efficiently administer ss.
147 287.137 and 501.2041, Florida Statutes. In addition, release of
148 such information before completion of an active investigation
149 could jeopardize the ongoing investigation.

150 (2) To continue to protect from public disclosure all
151 information to which another public record exemption applies
152 once an investigation is completed or ceases to be active.
153 Release of such information by the Department of Legal Affairs
154 and the Attorney General would undo the specific statutory
155 exemption protecting that information.

156 (3) An investigation of social media platform activities is
157 likely to result in the gathering of personal identifying
158 information that could be used for the purpose of identity
159 theft. For this reason, personal identifying information should
160 remain confidential and exempt once an investigation is
161 completed or ceases to be active.

162 (4) Information received by the Attorney General and the
163 Department of Legal Affairs may contain proprietary business
164 information, including trade secrets. Through such information,
165 including trade secrets, a business derives independent,
166 economic value, actual or potential, from the information being
167 generally unknown to, and not readily ascertainable by, other
168 persons who might obtain economic value from its disclosure or
169 use. Allowing public access to proprietary business information,
170 including trade secrets, through a public records request could
171 destroy the value of the proprietary business information and
172 cause a financial loss to the business submitting the
173 information. Release of such information could give business
174 competitors an unfair advantage and weaken the position of the

20217074er

175 entity supplying the proprietary business information in the
176 marketplace.

177 (5) Information received by the Attorney General and the
178 Department of Legal Affairs may contain a computer forensic
179 report or information that could reveal weaknesses in a
180 business' data security. The release of this information could
181 result in the identification of vulnerabilities in the business'
182 cybersecurity system and be used to harm the business and the
183 business' clients. For this reason, a computer forensic report
184 and information that could reveal weaknesses in a business' data
185 security should remain confidential and exempt once an
186 investigation is completed or ceases to be active.

187 (6) The Legislature finds that the harm that may result
188 from the release of information received by the Attorney General
189 and the Department of Legal Affairs pursuant to an investigation
190 by the Attorney General, the Department of Legal Affairs, or a
191 law enforcement agency under ss. 287.137 and 501.2041, Florida
192 Statutes, could impair the effective and efficient
193 administration of these investigations and thus, outweighs the
194 public benefit that may be derived from the disclosure of the
195 information.

196 Section 4. This act shall take effect July 1, 2021, if SB
197 7072 or similar legislation takes effect, if such legislation is
198 adopted in the same legislative session or an extension thereof
199 and becomes a law.
