I. Summary:

SB 734 establishes a 17-day “disaster preparedness” sales tax holiday, from Friday, May 28, to Sunday, June 13, 2021, for certain disaster preparedness supplies.

The bill appropriates \$70,072 in nonrecurring funds from the General Revenue Fund to the Department of Revenue in Fiscal Year 2020-2021.

The Revenue Estimating Conference has not yet estimated the revenue impact of the bill.

The bill takes effect upon becoming law.

II. Present Situation:

Florida Sales Tax

Florida levies a 6 percent sales and use tax on the sale or rental of most tangible personal property,¹ admissions,² transient rentals,³ and a limited number of services. Chapter 212, F.S., contains provisions authorizing the levy and collection of Florida’s sales and use tax, as well as the exemptions and credits applicable to certain items or uses under specified circumstances. Sales tax is added to the price of the taxable good or service and collected from the purchaser at the time of sale.⁴ Sales tax receipts accounted for approximately 79 percent of the state’s General Revenue in Fiscal Year 2019-2020.⁵

Section 212.055, F.S., authorizes counties to impose local discretionary sales surtaxes in addition to the state sales tax. A surtax applies to “all transactions occurring in the county which transactions are subject to the state tax imposed on sales, use, services, rentals, admissions, and other transactions by [ch. 212, F.S.], and communications services as defined in ch. 202.”⁶ The discretionary sales surtax is based on the tax rate imposed by the county where the taxable goods or services are sold or delivered. Discretionary sales surtax rates currently levied vary by county in a range of 0.5 to 2.5 percent.⁷

“Disaster Preparedness” Sales Tax Holidays

Florida has enacted a “disaster preparedness” sales tax holiday eight times since 2005, exempting specified items in preparation for the Atlantic hurricane season that officially begins June 1 of each year. The types and values of exempted items have varied, and length of the exemption periods has varied from 3 to 18 days.⁸

The Florida Division of Emergency Management recommends having a disaster supply kit with items such as a battery operated radio, flashlight, batteries, and first-aid kit to last for a minimum of 7 days.⁹

III. Effect of Proposed Changes:

The bill establishes a 17-day period, from Friday, May 28, to Sunday, June 13, 2021, during which the following items are exempt from the state sales tax and local discretionary sales surtaxes:

- Portable self-powered light sources selling for \$20 or less;
- Portable self-powered radios, two-way radios, or weather-band radios selling for \$50 or less;
- Tarpaulins or other flexible waterproof sheeting selling for \$50 or less;
- Any items normally sold as, or generally advertised as, ground anchor systems or tie-down kits selling for \$50 or less;
- Gas or diesel fuel tanks selling for \$25 or less;
- Packages of AA-cell, AAA-cell, C-cell, D-cell, 6-volt, or 9-volt batteries, excluding automobile and boat batteries, selling for \$30 or less;
- Nonelectric food storage coolers selling for \$30 or less;
- Portable generators used to provide light or communications or to preserve food selling for \$750 or less;
- Reusable ice selling for \$10 or less;
- Impact-resistant windows, when sold in units of 20 or fewer; and
- Impact-resistant doors and impact-resistant garage doors, when sold in units of 10 or fewer.

The exemptions for impact-resistant windows, doors, and garage doors apply to purchases made by an owner of residential real property where the impact-resistant windows, doors, or garage

doors will be installed. The bill defines “impact-resistant” to mean that the window, door, or garage door complies with the standards for protection of openings and for windborne debris protection in the Florida Building Code, 7th Edition (2020) Residential, or in the Florida Building Code, 7th Edition (2020) Building. The purchaser must furnish to the selling dealer an affidavit stating that the impact-resistant items are to be used on residential property owned by the purchaser. The affidavit must include the name of the owner and the address of the residential property where the items will be installed. If a person furnishes a false affidavit in order to evade payment of the sales tax, the purchaser is subject to repayment of the tax plus a mandatory penalty of 200 percent of the tax in addition to a fine and punishment as provided by law for a conviction of a felony of the third degree.¹⁰

The exemptions provided for in the bill do not apply to the following:

- Sales within a theme park or entertainment complex, as defined in s. 509.013(9), F.S.;
- Sales within a public lodging establishment, as defined in s. 509.013(4), F.S.; and
- Sales within an airport, as defined in s. 330.27(2), F.S.

The bill appropriates \$70,072 in nonrecurring funds in Fiscal Year 2020-2021 from the General Revenue Fund to the Department of Revenue (DOR) for the purpose of implementing the sales tax holiday. Funds remaining unexpended as of June 30, 2021, shall revert and be re-appropriated for the same purpose in the 2021-2022 fiscal year.

The DOR may adopt emergency rules pursuant to s. 120.54(4), F.S., for the purpose of implementing the bill.

The bill takes effect upon becoming law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Article VII, s. 18 of the Florida Constitution governs laws that require counties and municipalities to spend funds, limit the ability of counties and municipalities to raise revenue, or reduce the percentage of state tax shared with counties and municipalities.

Subsection (b) of s. 18, Art. VII of the Florida Constitution provides that except upon approval of each house of the Legislature by two-thirds vote of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenue in the aggregate, as such authority existed on February 1, 1989. However, the
