The Committee on Rules (Thurston) recommended the following:

**Senate Amendment**

Delete line 205

and insert:

whichever is later. This section does not apply to claims brought against a facility that was cited for a deficiency pursuant to s. 400.23(8)(a), (b), or (c) during the 3 years preceding the date of the State Surgeon General's declaration of the public health emergency relating to COVID-19.
