79 631.718 Assessments.—

80 (3) (a) The amount of any Class A assessment shall be
81 determined by the board and may be made on a pro rata or non-pro
82 rata basis. If on a pro rata basis, the board may credit the
83 assessment against future Class B assessments ~~The assessment may~~
84 ~~not be credited against future insolvency assessments and may~~
85 ~~not exceed \$250 per member insurer in any one calendar year.~~

86 (b)1. The amount of any Class B assessment, except for
87 assessments related to long-term care insurance, must be
88 allocated for assessment purposes among the accounts pursuant to
89 an allocation formula, which may be based on the premiums or
90 reserves of the impaired or insolvent insurer.

91 2. The amount of the Class B assessment for long-term care
92 insurance written by the impaired or insolvent insurer must be
93 allocated according to a methodology included in the plan of
94 operation and approved by the department. The methodology must
95 provide for 50 percent of the assessment to be allocated to
96 health member insurers and 50 percent to be allocated to life
97 and annuity member insurers.

98 3. For the purposes of the methodology outlined in
99 subparagraph 2. and included in the plan of operation, the
100 health member insurers' share of the assessment must be

101 calculated by including the assessable premiums of member health
102 maintenance organizations of the Florida Health Maintenance
103 Organization Consumer Assistance Plan.

104 (c) Class B assessments against member insurers for each
105 account must be based upon the premiums received on business in
106 this state by each assessed member insurer on policies or
107 contracts covered by each account for the 3 most recent calendar
108 years for which information is available preceding the year of
109 the assessment in proportion to premiums received on business in
110 this state for those calendar years by all assessed member
111 insurers. If the most recent 3 years of premium information is
112 not available for each member insurer, the board of directors
113 may use the premium information that is reasonably available.

114 (4) The association may abate or defer, in whole or in
115 part, the assessment of a member insurer if, in the opinion of
116 the board, payment of the assessment would endanger the ability
117 of the member insurer to fulfill its contractual obligations. In
118 the event an assessment against a member insurer is abated, or
119 deferred in whole or in part, the amount by which such
120 assessment is abated or deferred may be assessed against the
121 other member insurers in a manner consistent with the basis for
122 assessments set forth in this section. Once the conditions that
123 caused a deferral have been removed or rectified, the member

132 ~~this state in the previous year as premium tax and corporate tax~~
133 ~~on the business to which this part applies or 0.1 percent of~~
134 ~~written premium on such business in this state, whichever is~~
