

26 | articles of clothing. This paragraph does not apply to a
 27 | newspaper, magazine, flyer, billboard, phone book, Internet, or
 28 | broadcast advertisement for alarm system contracting as long as
 29 | the contractor maintains an Internet website that contains the
 30 | contractor's registration or certification number and the
 31 | advertisement directs consumers to the contractor's Internet
 32 | website.

33 | (c) The board shall assess a fine of not less than \$100 or
 34 | issue a citation to any contractor who fails to include that
 35 | contractor's certification or registration number when
 36 | submitting an advertisement for publication, broadcast, or
 37 | printing. In addition, any person who claims in any
 38 | advertisement to be a certified or registered contractor, but
 39 | who does not hold a valid state certification or registration,
 40 | commits a misdemeanor of the second degree, punishable as
 41 | provided in s. 775.082 or s. 775.083.

42 | Section 2. Section 553.7921, Florida Statutes, is amended
 43 | to read:

44 | 553.7921 Fire alarm permit application to local
 45 | enforcement agency.—

46 | (1) A contractor must file a Uniform Fire Alarm Permit
 47 | Application as provided in subsection (2) with the local
 48 | enforcement agency and must receive the fire alarm permit
 49 | before:

50 | ~~(a)~~ installing or replacing a fire alarm if the local

51 enforcement agency requires a plan review for the installation
52 or replacement. If the local enforcement agency requires a fire
53 alarm permit in order to repair;~~or~~

54 ~~(b) Repairing~~ an existing alarm system that was previously
55 permitted by the local enforcement agency, a contractor must
56 file a Uniform Fire Alarm Permit Application as provided in
57 subsection (2) but may begin work before receiving the permit if
58 the local enforcement agency requires a fire alarm permit for
59 the repair. A repaired fire alarm system is not in compliance
60 with applicable codes and standards until the required permit
61 has been issued and the local enforcement agency has approved
62 the repair.

63 (2) A Uniform Fire Alarm Permit Application must be
64 submitted with any drawing, plan, and supporting documentation
65 required by a local enforcement agency for a project for which a
66 plan review or fire alarm permit is required under subsection
67 (1). The application may be submitted electronically or by
68 facsimile and must be signed by the owner, or the owner's
69 authorized representative, and the contractor, or the
70 contractor's agent. The application must contain the following
71 information, in a substantially similar form:
