I. Summary:

SB 1552 saves from repeal the Stanley G. Tate Florida Prepaid College Foundation, Inc., which is a direct-support organization for the Florida Prepaid College Board created to administer the Florida Prepaid Tuition Scholarship Program and other scholarship programs approved by the Florida Prepaid College Board.

The bill takes effect July 1, 2022.

II. Present Situation:

Citizen Support Organizations and Direct-Support Organizations

Citizen support organizations (CSOs) and direct-support organizations (DSOs) are statutorily created private entities that are generally required to be non-profit corporations, and are authorized to carry out specific tasks in support of public entities or public causes. The functions and purpose of a CSO or DSO are prescribed by its enacting statute and, for most, by a written contract with the agency the CSO or DSO was created to support.

CSO and DSO Transparency and Reporting Requirements

In 2014, the Legislature created s. 20.058, F.S., establishing a comprehensive set of transparency and reporting requirements for CSOs and DSOs that are created or authorized pursuant to law or executive order and created, approved, or administered by a state agency.¹ Specifically, the law requires each CSO and DSO to annually submit, by August 1, the following information related to its organization, mission, and finances to the agency it supports:²

- The name, mailing address, telephone number, and website address of the organization;
- The statutory authority or executive order that created the organization;

¹ Chapter 2014-96, L.O.F.

² Section 20.058(1), F.S.

- A brief description of the mission of, and results obtained by, the organization;
- A brief description of the organization's plans for the next three fiscal years;
- A copy of the organization's code of ethics; and
- A copy of the organization's most recent federal Internal Revenue Service (IRS) Return of Organization Exempt from Income Tax form (Form 990).³

Each agency receiving the above information must make the information available to the public through the agency's website. If the CSO or DSO maintains a website, the agency's website must provide a link to the website of the CSO or DSO.⁴ Additionally, any contract between an agency and a CSO or DSO must be contingent upon the CSO or DSO submitting and posting the information.⁵ If a CSO or DSO fails to submit the required information for two consecutive years, the agency must terminate the contract with the CSO or DSO.⁶ The contract must also include a provision for ending operations and returning state-issued funds to the state if the authorizing statute is repealed, the contract is terminated, or the organization is dissolved.⁷

By August 15 of each year, the agency must report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Office of Program Policy Analysis and Government Accountability (OPPAGA) the information provided by the CSO or DSO. The report must also include a recommendation by the agency, with supporting rationale, to continue, terminate, or modify the agency's association with each CSO or DSO.⁸

Lastly, a law creating or authorizing the creation of a CSO or DSO must state that the creation or authorization for the CSO or DSO is repealed on October 1 of the fifth year after enactment, unless reviewed and saved from repeal by the Legislature.

CSO and DSO Audit Requirements

Section 215.981, F.S., requires each CSO and DSO created or authorized pursuant to law with annual expenditures in excess of \$100,000 to provide for an annual financial audit of its accounts and records.⁹ The audit must be conducted by an independent certified public accountant in accordance with rules adopted by the Auditor General and the state agency that created, approved, or administers the CSO or DSO. The audit report must be submitted within nine months after the end of the fiscal year to the Auditor General and to the state agency the CSO or DSO supports.

Additionally, the Auditor General may conduct audits or other engagements of the accounts and records of the CSO or DSO, pursuant to his or her own authority, or at the direction of the

³ The IRS Form 990 is an annual information return required to be filed with the IRS by most organizations exempt from federal income tax under 26 U.S.C. 501.

⁹ The independent audit requirement does not apply to a CSO or DSO for a university, district board of trustees of a community college, or district school board. Legislative Auditing Committee.¹⁰ The Auditor General is authorized to require and receive any records from the CSO or DSO, or its independent auditor.¹¹

CSO and DSO Ethics Code Requirement

Section 112.3251, F.S., requires a CSO or DSO created or authorized pursuant to law to adopt its own ethics code. The ethics code must contain the specified standards of conduct and disclosures provided in ss. 112.313 and 112.3143(2), F.S. A CSO or DSO may adopt additional or more stringent standards of conduct and disclosure requirements and must conspicuously post its code of ethics on its website.¹²

- Organized exclusively to receive, hold, invest, and administer property and to make expenditures on behalf of the board.

The Foundation has awarded more than 51,000 Florida Prepaid College Plan scholarships, and more than 32,600 Foundation scholarship recipients have gone to college using their benefits.²² The STARS Program remains the Foundation's largest initiative, representing 80 percent of the scholarships purchased by the Foundation.²³

Requirement: The chair of the Board is required to serve as a director of the Foundation. The chair of the Board and the executive director of the Board are required to jointly name, at a minimum, four other individuals to serve as directors of the organization.²⁸

Findings: The Foundation meets this requirement. The chair of the Board is also the chair of the Foundation.²⁹ The Foundation has confirmed that the Foundation complies with the requirement for the appointment of the Foundation's directors.³⁰

Requirement: By August 1 of each year, the Foundation must submit the following information to the Board:³¹

- The name, mailing address, telephone number, and website address of the Foundation.

- Misuse of public position for private gain.
- Disclosure or use of certain information for personal gain.

If the Foundation fails to submit the required information for two consecutive years, the Board chair must terminate any contract between the Board and the Foundation.⁴⁷ In addition, the contract must provide for:⁴⁸

- Approval of the articles of incorporation and bylaws of the Foundation by the Board.
- Submission of an annual budget for the approval of the Board. The budget must comply with rules adopted by the Board.
- Certification by the Board that the Foundation is complying with the terms of the contract and in a manner consistent with the goals and purposes of the Board and in the best interest of the state. Such certification must be made annually and reported in the official minutes of a meeting of the Board.
- The fiscal year of the Foundation, which must begin July 1 of each year and end June 30 of the following year.
- The disclosure of material provisions of the contract and of the distinction between the Board and the Foundation to donors of gifts, contributions, or bequests, and such disclosure on all promotional and fundraising publications.

Finding: The contract between the Board and Foundation, effective December 9, 2021, through December 8, 2026 contains the required language.⁴⁹

Requirement: The Foundation must administer the Florida Prepaid Tuition Scholarship Program and additional scholarship programs supported from escheated funds retained by the Board, provided that any matching funds for such scholarships are obtained solely from the private sector.⁵⁰

Finding: The Foundation administers additional scholarship programs with matching funds obtained solely from the private sector.⁵¹
