BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Transportation

BILL: SB 1682

INTRODUCER: Senators Pizzo and Book

SUBJECT: Transportation Facility Designations/98 Points of Light Road

DATE: January 24, 2022

REVISED: _____

I. Summary:

SB 1682 designates the portion of S.R. A1A/Collins Avenue between 87th Terrace and 88th Street in Miami-Dade County as “98 Points of Light Road” and directs the Florida Department of Transportation (FDOT) to erect suitable markers.

The estimated cost to the FDOT to install the designation markers required under the bill is \$1,040. See the “Fiscal Impact Statement” below for details.

The bill takes effect July 1, 2022.

II. Present Situation:

Section 334.071, F.S., provides that legislative designations of transportation facilities are for honorary or memorial purposes or to distinguish a particular facility. Such designations are not to be construed as requiring any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes.¹

When the Legislature establishes road or bridge designations, the FDOT is required to place markers only at the termini specified for each highway segment or bridge designated by the law creating the designation and to erect any other markers it deems appropriate for the transportation facility.²

The FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the

² Section 334.071(2), F.S.

designated road or bridge segment is located in more than one city or county, each affected local government must pass resolutions supporting the designations before the installation of the markers.³

Surfside Condominium Collapse

On June 24, 2021, a 12-story oceanfront condominium in Surfside, Florida, partially collapsed just before dawn. Ninety-eight people, ranging from children to the elderly, lost their lives.

III. Effect of Proposed Changes:

The bill designates the portion of S.R. A1A/Collins Avenue between 87th Terrace and 88th Street in Miami-Dade County as “98 Points of Light Road” in honor of the 98 victims of the Surfside condominium collapse. The bill also directs the FDOT to erect suitable markers.

The bill takes effect July 1, 2022.

B. Private Sector Impact:

None.

³ Section 334.071(3), F.S.

C. Government Sector Impact:

The estimated cost to erect the designation markers required under this bill is \$1,040, based on the assumption that a minimum of two markers are required for each designation at a cost to the FDOT of no less than \$520 each. The estimate includes sign fabrication, installation, and maintenance over time but does not include any additional expenses related to maintenance of traffic, dedication event costs, or replacement necessitated by damage, vandalism, or storm events. The FDOT is expected to absorb the estimated cost within existing resources.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

The bill creates an undesignated section of Florida law.
