| 1169 | court on its own motion may order, an independent assessment by  |
| 1170 | a court-appointed physician or an otherwise agreed-upon          |
| 1171 | physician. If an assessment order is issued, it is valid for 90  |
| 1172 | days, and if the respondent is present or there is either proof  |
| 1173 | of service or his or her location is known, the involuntary      |
| 1174 | treatment hearing shall be continued for no more than 10 court   |
| 1175 | working days. Otherwise, the petitioner and the service provider |
| 1176 | must promptly inform the court that the respondent has been      |
| 1177 | assessed so that the court may schedule a hearing as soon as     |
| 1178 | practicable. The service provider shall then serve the           |
| 1179 | respondent, before his or her discharge, with the notice of      |
| 1180 | hearing and a copy of the petition. The assessment must occur    |
| 1181 | before the new hearing date, and if there is evidence indicating |
| 1182 | that the respondent will not voluntarily appear at the           |
| 1183 | forthcoming hearing, or is a danger to self or others, the court |
| 1184 | may enter a preliminary order committing the respondent to an    |

| 1198 | 12 hours after the minor's admission to the facility. The        |
| 1199 | service provider may also move to extend the 72 hours of         |

| 1201 | time. The service provider must furnish copies of such motion to |
