10 Be It Enacted by the Legislature of the State of Florida:

11
12 Section 1. Chapter 73-370, Laws of Florida, is repealed.

13 Section 2. (1) The Legislature intends that the repeal of
14 chapter 73-370, Laws of Florida, as provided in this act
15 implements the recommendation of the Florida State University
16 President's Advisory Panel on University Namings and
17 Recognitions to seek legislative action to legally remove the
18 legislatively designated facility name of B.K. Roberts Hall,
19 which recommendation was accepted by the president of Florida
20 State University.

21 (2) The Legislature further intends that the repeal does
22 not constitute a legislative position regarding the ultimate
23 disposition of the original designation; rather, the Legislature
24 recognizes the university's transparent, collaborative, and
25 thorough review process, which resulted in the recommendation
26 that precipitated this repeal, and further intends that the
27 university is solely responsible for faithful implementation of
28 the panel's recommendations regarding this issue.

29 Section 3. This act shall take effect upon becoming a law.
