

House Memorial

A memorial to the Congress of the United States,  
 urging Congress to enact legislation to fund and  
 require the completion of the border wall between the  
 United States and Mexico and impose a total  
 immigration moratorium.

WHEREAS, the United States has a completely open and  
 extremely dangerous border, and action must be taken immediately  
 to protect American citizens, and

WHEREAS, President Joe Biden's open border immigration  
 policies have resulted in an unprecedented increase of migrants  
 and illegal drugs entering the country, and

WHEREAS, the COVID-19 pandemic, created by the Communist  
 Chinese government and worsened by President Biden's domestic  
 policies, has led to the loss of jobs for countless Americans,  
 and it would be wrong and unjust for these unemployed Americans  
 to be replaced with new immigrant labor flown in from abroad,  
 and

WHEREAS, America must take action to protect and care for  
 American workers, and

WHEREAS, with a total immigration moratorium, unemployed  
 Americans will be first in line for jobs as America recovers and  
 reopens, NOW, THEREFORE,
