11 located within a fiscally constrained county as described in s.
12 218.67(1), the board of trustees may elect to:

13 1. Convey the nonconservation lands for less than appraised
14 value to the county, if the county will use the nonconservation
15 lands for a public purpose; or

16 2. Sell or lease the nonconservation lands for less than
17 appraised value to a private entity, if the private entity
18 prepares and submits an economic development plan to the board
19 of trustees identifying how its proposed use of the lands will
20 create new full-time employment opportunities or will otherwise
21 promote and enhance economic development in the county.
