Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (9) is added to section 468.603, Florida Statutes, to read:

468.603 Definitions.—As used in this part:

(9) "Private entity" has the same meaning as in s. 553.5141(1)(f).

Section 2. Paragraph (c) of subsection (2), paragraphs (c) and (d) of subsection (7), and paragraph (b) of subsection (10) of section 468.609, Florida Statutes, are amended to read:

468.609 Administration of this part; standards for certification; additional categories of certification.—

(2) A person may take the examination for certification as a building code inspector or plans examiner pursuant to this part if the person:

(c) Meets eligibility requirements according to one of the following criteria:

1. Demonstrates 4 years' combined experience in the field of construction or a related field, building code inspection, or plans review corresponding to the certification category sought;

2. Demonstrates a combination of postsecondary education...
in the field of construction or a related field and experience which totals 3 years, with at least 1 year of such total being experience in construction, building code inspection, or plans review.

3. Demonstrates a combination of technical education in the field of construction or a related field and experience which totals 3 years, with at least 1 year of such total being experience in construction, building code inspection, or plans review;

4. Currently holds a standard certificate issued by the board or a firesafety inspector license issued under pursuant to chapter 633, with a minimum of 3 years' verifiable full-time experience in firesafety inspection or firesafety plan review, and has satisfactorily completed a building code inspector or plans examiner training program that provides at least 100 hours but not more than 200 hours of cross-training in the certification category sought. The board shall establish by rule criteria for the development and implementation of the training programs. The board must shall accept all classroom training offered by an approved provider if the content substantially meets the intent of the classroom component of the training program;

5. Demonstrates a combination of the completion of an approved training program in the field of building code inspection or plan review and a minimum of 2 years' experience
in the field of building code inspection, plan review, fire code
ispections and fire plans review of new buildings as a
firesafety inspector certified under s. 633.216, or
construction. The approved training portion of this requirement
must shall include proof of satisfactory completion of a
training program that provides at least 200 hours but not more
than 300 hours of cross-training that is approved by the board
in the chosen category of building code inspection or plan
review in the certification category sought with at least 20
hours but not more than 30 hours of instruction in state laws,
rules, and ethics relating to professional standards of
practice, duties, and responsibilities of a certificateholder.
The board shall coordinate with the Building Officials
Association of Florida, Inc., to establish by rule the
development and implementation of the training program. However,
the board must shall accept all classroom training offered by an
approved provider if the content substantially meets the intent
of the classroom component of the training program;
6. Currently holds a standard certificate issued by the
board or a firesafety inspector license issued under pursuant to
chapter 633 and:
a. Has at least 4 years' verifiable full-time experience
as an inspector or plans examiner in a standard certification
category currently held or has a minimum of 4 years' verifiable
full-time experience as a firesafety inspector licensed under
pursuant to chapter 633.

b. Has satisfactorily completed a building code inspector or plans examiner classroom training course or program that provides at least 200 but not more than 300 hours in the certification category sought, except for residential one-family and two-family dwelling training programs, which must provide at least 500 but not more than 800 hours of training as prescribed by the board. The board shall establish by rule criteria for the development and implementation of classroom training courses and programs in each certification category; or

7.a. Has completed a 4-year internship certification program as a building code inspector or plans examiner while also employed full-time by a municipality, county, or other governmental jurisdiction, under the direct supervision of a certified building official, or by a private entity that conducts the same or similar services as a municipality, county, or other governmental jurisdiction, while under the direct supervision of a person licensed as a building code administrator under this part. Proof of graduation with a related vocational degree or college degree or of verifiable work experience may be exchanged for the internship experience requirement year-for-year, but may reduce the requirement to no less than 1 year.

b. Has passed an examination administered by the International Code Council in the certification category sought.
Such examination must be passed before beginning the internship certification program.

c. Has passed the principles and practice examination before completing the internship certification program.

d. Has passed a board-approved 40-hour code training course in the certification category sought before completing the internship certification program.

e. Has obtained a favorable recommendation from the supervising building official after completion of the internship certification program.

(7)

(c) The board shall provide for appropriate levels of provisional certificates and may issue these certificates with such special conditions or requirements relating to the place of employment of the person holding the certificate, the supervision of such person on a consulting or advisory basis, or other matters as the board deems necessary to protect the public safety and health. The board may not place a special condition or requirement on a provisional certificate with respect to the requirement of employment by a municipality, county, or other local government agency.

(d) A person may perform the duties of a plans examiner or building code inspector for 120 days if a provisional certificate application has been submitted if such person is under the direct supervision of a person licensed as a certified
building code administrator under this part who holds a standard certification and who has found such person qualified for a provisional certificate. Direct supervision and the determination of qualifications may also be provided by a building code administrator who holds a limited or provisional certificate in a county having a population of fewer than 75,000 and in a municipality located within such county.

(10)

(b) The board shall by rule establish:

1. Reciprocity of certification with any other state that requires an examination administered by the International Code Council.

2. That an applicant for certification as a building code inspector or plans examiner may apply for a provisional certificate valid for the duration of the internship period.

3. That partial completion of an internship program may be transferred between jurisdictions or private entities on a form prescribed by the board.

4. That an applicant may apply for a standard certificate on a form prescribed by the board upon successful completion of an internship certification program.

5. That an applicant may apply for a standard certificate at least 30 days but and no more than 60 days before completing the internship certification program.

6. That a building code inspector or plans examiner who
has standard certification may seek an additional certification in another category by completing an additional nonconcurrent 1-year internship program in the certification category sought and passing an examination administered by the International Code Council and a board-approved 40-hour code training course.

Section 3. Paragraph (b) of subsection (2) and subsection (13) of section 553.791, Florida Statutes, are amended, and paragraph (c) is added to subsection (2) of that section, to read:

553.791 Alternative plans review and inspection.—

(2)

(b) If an owner or contractor retains a private provider for purposes of plans review or building inspection services, the local jurisdiction must reduce the permit fee by the amount of cost savings realized by the local enforcement agency for not having to perform such services. Such reduction may be calculated on a flat fee or percentage basis, or any other reasonable means by which a local enforcement agency assesses the cost for its plans review or inspection services. The local jurisdiction may not charge fees for building inspections if the fee owner or contractor hires a private provider to perform such services; however, the local jurisdiction may charge a reasonable administrative fee, which shall be based on the cost that is actually incurred, including the labor cost of the personnel providing the service, by the local jurisdiction or
attributable to the local jurisdiction for the clerical and
supervisory assistance required, or both.

(c) If an owner or contractor retains a private provider
for purposes of plans review or building inspection services,
the local jurisdiction must provide equal access to all
permitting and inspection documents and reports to the private
provider, owner, and contractor.

(13) No more than 2 business days after receipt of a
request for a certificate of occupancy or certificate of
completion and the applicant's presentation of a certificate of
compliance and approval of all other government approvals
required by law, the local building official shall issue the
certificate of occupancy or certificate of completion or provide
a notice to the applicant identifying the specific deficiencies,
as well as the specific code chapters and sections. If the local
building official does not provide notice of the deficiencies
within the prescribed 2-day period, the request for a
certificate of occupancy or certificate of completion is
automatically shall be deemed granted and considered the
certificate of occupancy or certificate of completion shall be
issued as of by the local building official on the next business
day, and the permit is closed. The local building official must
provide the applicant with the written certificate of occupancy
or certificate of completion within 10 days after it is
automatically granted and issued. To resolve any identified
deficiencies, the applicant may elect to dispute the

deficiencies pursuant to subsection (14) or to submit a
corrected request for a certificate of occupancy or certificate
of completion.

Section 4. This act shall take effect July 1, 2022.
