Senator Berman moved the following:

Senate Amendment (with title amendment)

Between lines 301 and 302 insert:

Section 7. Paragraph (n) of subsection (2) of section 1003.42, Florida Statutes, is amended to read:

1003.42 Required instruction.—

(2) Members of the instructional staff of the public schools, subject to the rules of the State Board of Education and the district school board, shall teach efficiently and faithfully, using the books and materials required that meet the
highest standards for professionalism and historical accuracy, following the prescribed courses of study, and employing approved methods of instruction, the following:

(n) 1. Comprehensive age-appropriate and developmentally appropriate K-12 health education that addresses concepts of community health, consumer health, environmental health, and family life, including:
   a. Mental and emotional health.
   b. Injury prevention and safety.
   c. Internet safety.
   d. Nutrition.
   e. Personal health.
   f. Prevention and control of disease.
   g. Substance use and abuse.
   h. Prevention of child sexual abuse, exploitation, and human trafficking.

2. The health education curriculum for students in grades 7 through 12 shall include a teen dating violence and abuse component that includes, but is not limited to, the definition of dating violence and abuse, the warning signs of dating violence and abusive behavior, the characteristics of healthy relationships, measures to prevent and stop dating violence and abuse, and community resources available to victims of dating violence and abuse.

3. The health education curriculum for students in grades 6 through 12 shall be medically accurate and developmentally appropriate and shall include an awareness of the benefits of sexual abstinence as the expected standard and the consequences of teenage pregnancy. The health education curriculum shall also
include comprehensive sexual education, to be defined by
department rule and consistent with guidelines and best
practices determined by the federal Centers for Disease Control
and Prevention.

The State Board of Education is encouraged to adopt standards
and pursue assessment of the requirements of this subsection. A
character development program that incorporates the values of
the recipients of the Congressional Medal of Honor and that is
offered as part of a social studies, English Language Arts, or
other schoolwide character building and veteran awareness
initiative meets the requirements of paragraphs (s) and (t).

Section 8. Subsection (2) of section 1003.46, Florida
Statutes, is amended to read:

1003.46 Health education; instruction in acquired immune
deficiency syndrome.—

(2) Throughout instruction in acquired immune deficiency
syndrome, sexually transmitted diseases, or health education,
when such instruction and course material contains instruction
in human sexuality, a school shall:

(a) Teach abstinence from sexual activity outside of
marriage as the expected standard for all school-age students
while teaching the benefits of monogamous heterosexual marriage.

(b) Emphasize that abstinence from sexual activity is a
certain way to avoid out-of-wedlock pregnancy, sexually
transmitted diseases, including acquired immune deficiency
syndrome, and other associated health problems.

(c) Include instruction on comprehensive sexual education,
to be defined by department rule and consistent with guidelines
and best practices determined by the federal Centers for Disease Control and Prevention.

(d) Teach that each student has the power to control personal behavior and encourage students to base actions on reasoning, self-esteem, and respect for others.

(e) Provide instruction and material that is medically accurate and developmentally appropriate for the grade and age of the student.

And the title is amended as follows:
