1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(15) FUNDING COMPRESSION AND HOLD HARMLESS ALLOCATION.—The Legislature may provide an annual funding compression and hold harmless allocation in the General Appropriations Act. The allocation is created to provide additional funding to school districts if the school district's total funds per FTE in the prior year were less than the statewide average or if the school district's district cost differential in the current year is less than the prior year. The total allocation shall be distributed to eligible school districts as follows:

(a) Using the most recent prior year FEFP calculation for each eligible school district, subtract the total school district funds per FTE from the state average funds per FTE, not including any adjustments made pursuant to paragraph (17)(b). The resulting funds per FTE difference, or a portion thereof, as designated in the General Appropriations Act, shall then be multiplied by the school district's total unweighted FTE.

(b) Multiply the absolute value of the difference between the eligible school district's current year district cost
differential and the prior year district cost differential by a hold harmless factor as designated in the General Appropriations Act. The result is the district cost differential hold harmless index. Multiply the index by the eligible school district's weighted FTE and by the base student allocation as designated in the General Appropriations Act.

(c) For each district, select the greater of the amounts calculated in paragraphs (a) and (b) and upon summation, if the total amount is greater than the amount included in the General Appropriations Act, the allocation shall be prorated to the appropriation amount based on each participating school district's share.

This subsection expires July 1, 2023.

(e) Provision of both statewide programming funds and station programming support for educational television to meet statewide priorities. Priorities for station programming need not be the same as priorities for programming to be used statewide. Station programming may include, but shall not be limited to, citizens' participation programs, music and fine arts programs, coverage of public hearings and governmental meetings, equal air time for political candidates, and other public interest programming.

Section 21. (1) The Agency for Health Care Administration shall replace the current Florida Information System (FMMIS) and fiscal agent operations with a system that is modular, interoperable, and scalable for the Florida Medicaid program that complies with all applicable federal and state laws and requirements. The agency may not include in the project to replace the current FMMIS and fiscal agent contract:

(a) Functionality that duplicates any of the information systems of the other health and human services state agencies;

or

(b) Procurement for agency requirements external to Medicaid programs with the intent to leverage the Medicaid technology infrastructure for other purposes without legislative appropriation or legislative authorization to procure these requirements. The new system, the Florida Health Care Connection (FX) system, must provide better integration with subsystems supporting Florida's Medicaid program; uniformity, consistency, and improved access to data; and compatibility with the Centers
for Medicare and Medicaid Services' Medicaid Information Technology Architecture (MITA) as the system matures and expands its functionality.

(2) For purposes of replacing FMMIS and the current Medicaid fiscal agent, the Agency for Health Care Administration shall:

   (a) Prioritize procurements for the replacement of the current functions of FMMIS and the responsibilities of the current Medicaid fiscal agent, to minimize the need to extend all or portions of the current fiscal agent contract.

   (b) Comply with and not exceed the Centers for Medicare and Medicaid Services funding authorizations for the FX system.

   (c) Ensure compliance and uniformity with published MITA framework and guidelines.

   (d) Ensure that all business requirements and technical specifications have been provided to all affected state agencies for their review and input and approved by the executive steering committee established in paragraph (g).

   (e) Consult with the Executive Office of the Governor's working group for interagency information technology integration for the development of competitive solicitations that provide for data interoperability and shared information technology services across the state's health and human services agencies.

   (f) Implement a data governance structure for the project to coordinate data sharing and interoperability across state
healthcare entities.

(g) Implement a project governance structure that includes an executive steering committee composed of:

1. The Secretary of Health Care Administration, or the executive sponsor of the project.

2. A representative of the Division of Operations of the Agency for Health Care Administration, appointed by the Secretary of Health Care Administration.

7. The state chief information officer, or his or her designee.

8. Two representatives of the Department of Children and Families, appointed by the Secretary of Children and Families.

9. A representative of the Department of Health, appointed
by the State Surgeon General.

10. A representative of the Agency for Persons with Disabilities, appointed by the director of the Agency for Persons with Disabilities.

11. A representative from the Florida Healthy Kids Corporation.

12. A representative from the Department of Elderly Affairs, appointed by the Secretary of Elderly Affairs.

13. A representative of the Department of Financial Services who has experience with the state's financial processes including development of the PALM system, appointed by the Chief Financial Officer.

(3) The Secretary of Health Care Administration or the executive sponsor of the project shall serve as chair of the executive steering committee, and the committee shall take action by a vote of at least 10 affirmative votes with the chair voting on the prevailing side. A quorum of the executive steering committee consists of at least 11 members.

(4) The executive steering committee has the overall responsibility for ensuring that the project to replace FMMIS and the Medicaid fiscal agent meets its primary business objectives and shall:

(a) Identify and recommend to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives any statutory changes needed to
implement the modular replacement to standardize, to the fullest extent possible, the state's healthcare data and business processes.

(b) Review and approve any changes to the project's scope, schedule, and budget which do not conflict with the requirements of subsections (1) and (2).

(c) Ensure that adequate resources are provided throughout all phases of the project.

(d) Approve all major project deliverables.

(e) Review and verify that all procurement and contractual documents associated with the replacement of the current FMMIS and Medicaid fiscal agent align with the scope, schedule, and anticipated budget for the project.

(5) This section expires July 1, 2023.

Section 26. In order to implement Specific Appropriation 325A of the 2022-2023 General Appropriations Act, and notwithstanding s. 409.990(5), Florida Statutes, the unexpended balance of funds provided to the Department of Children and Families for the Family Support Services of Suncoast Community Based Care lead agency shall be carried forward and made available to the lead agency for the same purpose. Section 27. In order to implement Specific Appropriations 581-684 and 696-731 of the 2022-2023 General Appropriations Act, subsection (4) of section 216.262, Florida Statutes, is amended...
to read:

216.262 Authorized positions.—

(4) Notwithstanding the provisions of this chapter relating to increasing the number of authorized positions, and for the 2022-2023 fiscal year only, if the actual inmate population of the Department of Corrections exceeds the inmate population projections of the January 13, 2022, Criminal Justice Estimating Conference by 1 percent for 2 consecutive months or 2 percent for any month, the Executive Office of the Governor, with the approval of the Legislative Budget Commission, shall immediately notify the Criminal Justice Estimating Conference, which shall convene as soon as possible to revise the estimates. The Department of Corrections may then submit a budget amendment requesting the establishment of positions in excess of the number authorized by the Legislature and additional appropriations from unallocated general revenue sufficient to provide for essential staff, fixed capital improvements, and other resources to provide classification, security, food services, health services, and other variable expenses within the institutions to accommodate the estimated increase in the inmate population. All actions taken pursuant to this subsection are subject to review and approval by the Legislative Budget Commission. This subsection expires July 1, 2023.

Section 28. In order to implement Specific Appropriation
719 of the 2022-2023 General Appropriations Act, paragraph (b) of subsection (8) of section 1011.80, Florida Statutes, is amended to read:

1011.80 Funds for operation of workforce education programs.—

(b) State funds provided for the operation of postsecondary workforce programs may not be expended for the education of state or federal inmates, except to the extent that such funds are specifically appropriated for such purpose in the 2022-2023 General Appropriations Act.

Section 29. The text of s. 1011.80(8)(b), Florida Statutes, as amended by section 24 of chapter 2021-37, Law of Florida, and by this act, expires July 1, 2023, and the text of that paragraph shall revert to that in existence on June 30, 2019, and any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.

Section 30. In order to implement Specific Appropriations 3201-3267 of the 2022-2023 General Appropriations Act, subsection (2) of section 215.18, Florida Statutes, is amended to read:

215.18 Transfers between funds; limitation.—

(2) The Chief Justice of the Supreme Court may receive one
or more trust fund loans to ensure that the state court system
has funds sufficient to meet its appropriations in the 2022-2023
General Appropriations Act. If the Chief Justice
accesses the loan, he or she must notify the Governor and the
chairs of the legislative appropriations committees in writing.
The loan must come from other funds in the State Treasury which
are for the time being or otherwise in excess of the amounts
necessary to meet the just requirements of such last-mentioned
funds. The Governor shall order the transfer of funds within 5
days after the written notification from the Chief Justice. If
the Governor does not order the transfer, the Chief Financial
Officer shall transfer the requested funds. The loan of funds
from which any money is temporarily transferred must be repaid
by the end of the 2022-2023 fiscal year. This
subsection expires July 1, 2023.

Section 31. In order to implement Specific Appropriations
1113-1123 of the 2022-2023 General Appropriations Act:

(1) The Department of Juvenile Justice is required to
review county juvenile detention payments to ensure that
counties fulfill their financial responsibilities required in s.
985.6865, Florida Statutes. If the Department of Juvenile
Justice determines that a county has not met its obligations,
the department shall direct the Department of Revenue to deduct
the amount owed to the Department of Juvenile Justice from the
funds provided to the county under s. 218.23, Florida Statutes.
The Department of Revenue shall transfer the funds withheld to the Shared County/State Juvenile Detention Trust Fund.

(2) As an assurance to holders of bonds issued by counties before July 1, 2022, for which distributions made pursuant to s. 218.23, Florida Statutes, are pledged, or bonds issued to refund such bonds which mature no later than the bonds they refunded and which result in a reduction of debt service payable in each fiscal year, the amount available for distribution to a county shall remain as provided by law and continue to be subject to any lien or claim on behalf of the bondholders. The Department of Revenue must ensure, based on information provided by an affected county, that any reduction in amounts distributed pursuant to subsection (1) does not reduce the amount of distribution to a county below the amount necessary for the timely payment of principal and interest when due on the bonds and the amount necessary to comply with any covenant under the bond resolution or other documents relating to the issuance of the bonds. If a reduction to a county's monthly distribution must be decreased in order to comply with this section, the Department of Revenue must notify the Department of Juvenile Justice of the amount of the decrease, and the Department of Juvenile Justice must send a bill for payment of such amount to the affected county.

(3) This section expires July 1, 2023.

Section 32. In order to implement Specific Appropriations
HB 5003  2022

741-762, 913-1056, and 1077-1112 of the 2022-2023 General Appropriations Act, subsection (1), paragraph (a) of subsection (2), paragraph (a) of subsection (3), and subsections (5), (6), and (7) of section 27.40, Florida Statutes, are reenacted to read:

27.40 Court-appointed counsel; circuit registries; minimum requirements; appointment by court.—

(1) Counsel shall be appointed to represent any individual in a criminal or civil proceeding entitled to court-appointed counsel under the Federal or State Constitution or as authorized by general law. The court shall appoint a public defender to represent indigent persons as authorized in s. 27.51. The office of criminal conflict and civil regional counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel, but only after the public defender has certified to the court in writing that the public defender is unable to provide representation due to a conflict of interest or is not authorized to provide representation. The public defender shall report, in the aggregate, the specific basis of all conflicts of interest certified to the court. On a quarterly basis, the public defender shall submit this information to the Justice Administrative Commission.

(2)(a) Private counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel but only after the office of criminal conflict
and civil regional counsel has been appointed and has certified
to the court in writing that the criminal conflict and civil
regional counsel is unable to provide representation due to a
conflict of interest. The criminal conflict and civil regional
counsel shall report, in the aggregate, the specific basis of
all conflicts of interest certified to the court. On a quarterly
basis, the criminal conflict and civil regional counsel shall
submit this information to the Justice Administrative
Commission.

(3) In using a registry:

(a) The chief judge of the circuit shall compile a list of
attorneys in private practice, by county and by category of
cases, and provide the list to the clerk of court in each
county. The chief judge of the circuit may restrict the number
of attorneys on the general registry list. To be included on a
registry, an attorney must certify that he or she:

1. Meets any minimum requirements established by the chief
judge and by general law for court appointment;

2. Is available to represent indigent defendants in cases
requiring court appointment of private counsel; and

3. Is willing to abide by the terms of the contract for
services, s. 27.5304, and this section.

To be included on a registry, an attorney must enter into a
contract for services with the Justice Administrative
Commission. Failure to comply with the terms of the contract for services may result in termination of the contract and removal from the registry. Each attorney on the registry is responsible for notifying the clerk of the court and the Justice Administrative Commission of any change in his or her status. Failure to comply with this requirement is cause for termination of the contract for services and removal from the registry until the requirement is fulfilled.

(5) The Justice Administrative Commission shall approve uniform contract forms for use in procuring the services of private court-appointed counsel and uniform procedures and forms for use by a court-appointed attorney in support of billing for attorney's fees, costs, and related expenses to demonstrate the attorney's completion of specified duties. Such uniform contracts and forms for use in billing must be consistent with s. 27.5304, s. 216.311, and the General Appropriations Act and must contain the following statement: "The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature."

(6) After court appointment, the attorney must immediately file a notice of appearance with the court indicating acceptance of the appointment to represent the defendant and of the terms of the uniform contract as specified in subsection (5).

(7)(a) A private attorney appointed by the court from the registry to represent a client is entitled to payment as
provided in s. 27.5304 so long as the requirements of subsection (1) and paragraph (2)(a) are met. An attorney appointed by the court who is not on the registry list may be compensated under s. 27.5304 only if the court finds in the order of appointment that there were no registry attorneys available for representation for that case and only if the requirements of subsection (1) and paragraph (2)(a) are met.

(b)1. The flat fee established in s. 27.5304 and the General Appropriations Act shall be presumed by the court to be sufficient compensation. The attorney shall maintain appropriate documentation, including contemporaneous and detailed hourly accounting of time spent representing the client. If the attorney fails to maintain such contemporaneous and detailed hourly records, the attorney waives the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act. These records and documents are subject to review by the Justice Administrative Commission and audit by the Auditor General, subject to the attorney-client privilege and work-product privilege. The attorney shall maintain the records and documents in a manner that enables the attorney to redact any information subject to a privilege in order to facilitate the commission's review of the records and documents and not to impede such review. The attorney may redact information from the records and documents only to the extent necessary to comply with the privilege. The Justice
Administrative Commission shall review such records and shall contemporaneously document such review before authorizing payment to an attorney. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

2. If an attorney fails, refuses, or declines to permit the commission or the Auditor General to review documentation for a case as provided in this paragraph, the attorney waives the right to seek, and the commission may not pay, compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act for that case.

3. A finding by the commission that an attorney has waived the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act, as provided in this paragraph, shall be presumed to be correct, unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

Section 33. The text of s. 27.40(1), (2)(a), (3)(a), (5), (6), and (7), Florida Statutes, as carried forward from chapter 2021-37, Laws of Florida, by this act expires July 1, 2023, and the text of those subsections and paragraphs, as applicable,
shall revert to that in existence on June 30, 2019, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.

Section 34. In order to implement Specific Appropriations 741-762, 913-1056, and 1077-1112 of the 2022-2023 General Appropriations Act, subsection (13) of section 27.5304, Florida Statutes, is reenacted and amended, and subsections (1), (3), (7), and (11), and paragraphs (a) through (e) of subsection (12) of that section are reenacted, to read:

27.5304 Private court-appointed counsel; compensation; notice.—

(1) Private court-appointed counsel appointed in the manner prescribed in s. 27.40(1) and (2)(a) shall be compensated by the Justice Administrative Commission only as provided in this section and the General Appropriations Act. The flat fees prescribed in this section are limitations on compensation. The specific flat fee amounts for compensation shall be established annually in the General Appropriations Act. The attorney also shall be reimbursed for reasonable and necessary expenses in accordance with s. 29.007. If the attorney is representing a defendant charged with more than one offense in the same case, the attorney shall be compensated at the rate provided for the most serious offense for which he or she represented the
defendant. This section does not allow stacking of the fee limits established by this section.

(3) The court retains primary authority and responsibility for determining the reasonableness of all billings for attorney fees, costs, and related expenses, subject to statutory limitations and the requirements of s. 27.40(7). Private court-appointed counsel is entitled to compensation upon final disposition of a case.

(7) Counsel eligible to receive compensation from the state for representation pursuant to court appointment made in accordance with the requirements of s. 27.40(1) and (2)(a) in a proceeding under chapter 384, chapter 390, chapter 392, chapter 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter 744, or chapter 984 shall receive compensation not to exceed the limits prescribed in the General Appropriations Act. Any such compensation must be determined as provided in s. 27.40(7).

(11) It is the intent of the Legislature that the flat fees prescribed under this section and the General Appropriations Act comprise the full and complete compensation for private court-appointed counsel. It is further the intent of the Legislature that the fees in this section are prescribed for the purpose of providing counsel with notice of the limit on the amount of compensation for representation in particular proceedings and the sole procedure and requirements for obtaining payment for the same.
(a) If court-appointed counsel moves to withdraw prior to the full performance of his or her duties through the completion of the case, the court shall presume that the attorney is not entitled to the payment of the full flat fee established under this section and the General Appropriations Act.

(b) If court-appointed counsel is allowed to withdraw from representation prior to the full performance of his or her duties through the completion of the case and the court appoints a subsequent attorney, the total compensation for the initial and any and all subsequent attorneys may not exceed the flat fee established under this section and the General Appropriations Act, except as provided in subsection (12).

This subsection constitutes notice to any subsequently appointed attorney that he or she will not be compensated the full flat fee.

(12) The Legislature recognizes that on rare occasions an attorney may receive a case that requires extraordinary and unusual effort.

(a) If counsel seeks compensation that exceeds the limits prescribed by law, he or she must file a motion with the chief judge for an order approving payment of attorney fees in excess of these limits.

1. Before filing the motion, the counsel shall deliver a copy of the intended billing, together with supporting
affidavits and all other necessary documentation, to the Justice
Administrative Commission.

2. The Justice Administrative Commission shall review the
billings, affidavit, and documentation for completeness and
compliance with contractual and statutory requirements and shall
contemporaneously document such review before authorizing
payment to an attorney. If the Justice Administrative Commission
objects to any portion of the proposed billing, the objection
and supporting reasons must be communicated in writing to the
private court-appointed counsel. The counsel may thereafter file
his or her motion, which must specify whether the commission
objects to any portion of the billing or the sufficiency of
documentation, and shall attach the commission's letter stating
its objection.

(b) Following receipt of the motion to exceed the fee
limits, the chief judge or a single designee shall hold an
evidentiary hearing. The chief judge may select only one judge
per circuit to hear and determine motions pursuant to this
subsection, except multicounty circuits and the eleventh circuit
may have up to two designees.

1. At the hearing, the attorney seeking compensation must
prove by competent and substantial evidence that the case
required extraordinary and unusual efforts. The chief judge or
single designee shall consider criteria such as the number of
witnesses, the complexity of the factual and legal issues, and
the length of trial. The fact that a trial was conducted in a
case does not, by itself, constitute competent substantial
evidence of an extraordinary and unusual effort. In a criminal
case, relief under this section may not be granted if the number
of work hours does not exceed 75 or the number of the state's
witnesses deposed does not exceed 20.

2. Objections by or on behalf of the Justice
Administrative Commission to records or documents or to claims
for payment by the attorney shall be presumed correct by the
court unless the court determines, in writing, that competent
and substantial evidence exists to justify overcoming the
presumption. The chief judge or single designee shall enter a
written order detailing his or her findings and identifying the
extraordinary nature of the time and efforts of the attorney in
the case which warrant exceeding the flat fee established by
this section and the General Appropriations Act.

(c) A copy of the motion and attachments shall be served
on the Justice Administrative Commission at least 20 business
days before the date of a hearing. The Justice Administrative
Commission has standing to appear before the court, and may
appear in person or telephonically, including at the hearing
under paragraph (b), to contest any motion for an order
approving payment of attorney fees, costs, or related expenses
and may participate in a hearing on the motion by use of
telephonic or other communication equipment. The Justice
Administrative Commission may contract with other public or private entities or individuals to appear before the court for the purpose of contesting any motion for an order approving payment of attorney fees, costs, or related expenses. The fact that the Justice Administrative Commission has not objected to any portion of the billing or to the sufficiency of the documentation is not binding on the court.

(d) If the chief judge or a single designee finds that counsel has proved by competent and substantial evidence that the case required extraordinary and unusual efforts, the chief judge or single designee shall order the compensation to be paid to the attorney at a percentage above the flat fee rate, depending on the extent of the unusual and extraordinary effort required. The percentage must be only the rate necessary to ensure that the fees paid are not confiscatory under common law. The percentage may not exceed 200 percent of the established flat fee, absent a specific finding that 200 percent of the flat fee in the case would be confiscatory. If the chief judge or single designee determines that 200 percent of the flat fee would be confiscatory, he or she shall order the amount of compensation using an hourly rate not to exceed $75 per hour for a noncapital case and $100 per hour for a capital case. However, the compensation calculated by using the hourly rate shall be only that amount necessary to ensure that the total fees paid are not confiscatory, subject to the requirements of s.
27.40(7).

(e) Any order granting relief under this subsection must be attached to the final request for a payment submitted to the Justice Administrative Commission and must satisfy the requirements of subparagraph (b)2.

(13) Notwithstanding the limitation set forth in subsection (5) and for the 2022-2023 fiscal year only, the compensation for representation in a criminal proceeding may not exceed the following:

(a) For misdemeanors and juveniles represented at the trial level: $1,000.

(b) For noncapital, nonlife felonies represented at the trial level: $15,000.

(c) For life felonies represented at the trial level: $15,000.

(d) For capital cases represented at the trial level: $25,000. For purposes of this paragraph, a "capital case" is any offense for which the potential sentence is death and the state has not waived seeking the death penalty.

(e) For representation on appeal: $9,000.

(f) This subsection expires July 1, 2023.
