

1                                   A bill to be entitled  
2           An act relating to disability claims coordinators;  
3           creating s. 381.029, F.S.; defining the terms  
4           "department" and "disability claims coordinator";  
5           authorizing counties to request the Department of  
6           Health to assign disability claims coordinators to  
7           their respective county health departments; providing  
8           that the counties are responsible for such  
9           coordinators' employment terms, duty assignments, and  
10          salaries and benefits; requiring the department to  
11          certify disability claims coordinators if they meet  
12          certain qualifications; requiring disability claims  
13          coordinators to complete certain initial and annual  
14          training; providing requirements for such training;  
15          providing duties for disability claims coordinators;  
16          requiring the department to designate at least five  
17          employees to provide administrative support to, and  
18          facilitate the exchange of information between,  
19          counties, county health departments, and disability  
20          claims coordinators; requiring the department to  
21          maintain specified information on its website;  
22          requiring the information to be made available on a  
23          dedicated webpage and in a specified manner;  
24          authorizing the department to adopt rules; providing  
25          an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 381.029, Florida Statutes, is created to read:

381.029 Disability claims coordinators.-

(1) As used in this section, the term:

(a) "Department" means the Department of Health.

(b) "Disability claims coordinator" means a person certified by the department to assist residents seeking state or federal disability benefits.

(2) Counties may request the department to assign disability claims coordinators to their respective county health departments to assist residents seeking state or federal disability benefits. A county that requests assignment of a disability claims coordinator is responsible for determining the employment terms, assigning duties, and paying the salary and benefits for the position.

(3) The department must certify an individual as a disability claims coordinator if he or she meets the qualifications prescribed by the department in rule. Disability claims coordinators must complete initial and annual training approved by the department. The training must include, at a minimum, coverage of all state and federal laws and rules related to disability benefits, including eligibility

HB 671

2022

51 requirements, eligible benefits, and the application and appeals  
52 processes for disability determinations and benefit claims.

53 (4) Disability claims coordinators shall do all of the  
54 following:

55 (a) Meet, interview, counsel, and obtain information from  
56 clients who are seeking state or federal benefits for  
57 disabilities and assist them in preparing or submitting claims  
58 for such benefits.

59 (b) Provide accurate and current information related to  
60 the eligibility requirements and applications for and  
61 administration of state and federal disability benefits.

62 (c) Review disability determinations, coordinate with the  
63 claims examiners to ensure that the determinations accurately  
64 reflect the clients' medical conditions and comply with state  
65 and federal laws and rules, and initiate corrective action or  
66 appellate review if deemed appropriate in the disability claims  
67 coordinator's professional judgment.

68 (d) Assist clients in preparing and perfecting claims  
69 appeals and provide representation at related hearings.

70 (e) Coordinate with the department's Division of  
71 Disability Determinations, including the area office responsible  
72 for the county; local field offices for the Social Security  
73 Administration; local regional offices for the United States  
74 Department of Veterans Affairs; any local organizations that  
75 assist residents in applying for disability benefits; and any

HB 671

2022

76 other state or federal agencies responsible for processing or  
77 providing disability benefits in this state.

78 (f) Link clients to additional resources available in  
79 their communities.

80 (5) The department shall designate at least five  
81 department employees to provide administrative support to  
82 counties, county health departments, and disability claims  
83 coordinators in furtherance of their duties under this section  
84 and to facilitate the exchange of information between them to  
85 implement the purposes of this section.

86 (6) The department shall maintain on its website a list of  
87 disability claims coordinators, including their contact  
88 information and the county they serve, and links to any  
89 corresponding county or county health department websites. The  
90 website must also include a description of the role disability  
91 claims coordinators serve in the disability determination  
92 process, emphasizing that they are not claims examiners but  
93 rather third-party resources for clients. The information must  
94 be available on a dedicated webpage accessible through a  
95 conspicuous link on the Division of Disability Determinations'  
96 homepage.

97 (7) The department may adopt rules to implement this  
98 section.

99 Section 2. This act shall take effect July 1, 2022.
