

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Learned offered the following:

Amendment

Remove lines 333-340 and insert:

payment from the department for the sample. A medical marijuana treatment center must recall all marijuana that fails edibles,
~~including all edibles made from the same batch of marijuana,~~
~~which fail~~ to meet the potency requirements of this section,
that is which are unsafe for human consumption, or for which the labeling of the tetrahydrocannabinol and cannabidiol concentration is inaccurate. A medical marijuana treatment center must test at least one sample from noncannabis ingredients used in production of medicine and must also
