

The Florida Senate
HOUSE MESSAGE SUMMARY

Prepared By: The Professional Staff of the Committee on Governmental Oversight and Accountability

[2022s07026.hms.go.docx]

BILL: SB 7026

INTRODUCER: Governmental Oversight and Accountability Committee

SUBJECT: OGSR/Dependent Eligibility Verification Services

DATE: March 7, 2022

I. Amendments Contained in Message:

House Amendment – 344275 to Senate bill 7026 (body with title)

II. Summary of Amendments Contained in Message:

House Amendment – 344275 removes the continuation of the exemption from public records disclosure requirements for records collected for purposes of dependent eligibility verification services. The exemption for these records is the substance of HB 1445.

The amendment also makes nonsubstantive changes regarding the specified information that may be collected by the department to verify the eligibility of dependents participating in the State Group Insurance Program.
