Be It Enacted by the Legislature of the State of Florida:

Section 1. Effective January 1, 2023, section 193.4613,
Florida Statutes, is created to read:

193.4613 Agricultural lands used in production of
aquaculture; assessment.—
(1) For purposes of this section, the terms "aquaculture"
and "aquaculture products" have the same meanings as in s.
597.0015.
(2)(a) When proper application for agricultural assessment
has been made and granted pursuant to s. 193.461, and the
property owner requests assessment pursuant to this section, the
assessment of land used in the production of aquaculture
products shall be based solely on its agricultural use,
consistent with the use factors specified in s. 193.461(6)(a),
and assessed pursuant to paragraph (c).
(b) Notwithstanding any provision relating to annual
assessments in s. 192.042, the property appraiser shall rely on 5-year moving average data when utilizing the income methodology approach in assessing property used for purposes under this section.

(c) For purposes of the income methodology approach to the assessment of land used in the production of aquaculture products, structures and equipment located on the property used for producing aquaculture products are considered a part of the average yield per acre and have no separately assessable contributory value.

(d) If a request for assessment under this section is granted, the property must be assessed as provided in this section for 10 years unless the ownership or use of the property changes. The property appraiser may not require annual application. The property appraiser may require the property owner to annually submit audited financial statements.

(e) When proper application for agricultural assessment has not been made, the land shall be assessed under the provisions of s. 193.011.

Section 2. Section 193.4613, Florida Statutes, created by this act, first applies to the 2023 ad valorem tax roll and applies to assessments made on or after January 1, 2023.

Section 3. Effective upon becoming a law, paragraph (b) of subsection (1) of section 194.032, Florida Statutes, is amended to read:
194.032 Hearing purposes; timetable.—

(1)

(b) Notwithstanding the provisions of paragraph (a), the value adjustment board may meet prior to the approval of the assessment rolls by the Department of Revenue, but not earlier than July 1, to hear appeals pertaining to the denial by the property appraiser of exemptions, tax abatements under s. 197.318 and s. 197.3195, tax refunds under s. 197.319, agricultural and high-water recharge classifications, classifications as historic property used for commercial or certain nonprofit purposes, and deferrals under subparagraphs (a)2., 3., and 4. In such event, however, the board may not certify any assessments under s. 193.122 until the Department of Revenue has approved the assessments in accordance with s. 193.1142 and all hearings have been held with respect to the particular parcel under appeal.

Section 4. Paragraphs (k) through (q) of subsection (2) of section 196.173, Florida Statutes, are redesignated as paragraphs (j) through (p), respectively, present paragraph (j) of that subsection is amended, and new paragraphs (q) and (r) are added to that subsection, to read:

196.173 Exemption for deployed servicemembers.—

(2) The exemption is available to servicemembers who were deployed during the preceding calendar year on active duty outside the continental United States, Alaska, or Hawaii in
support of any of the following military operations:

(j) Operation Observant Compass, which began in October 2011.

(q) Operation Enduring Freedom – Horn of Africa, which began in January 2015.

(r) European Reassurance Initiative/European Deterrence Initiative, which began in 2014.

The Department of Revenue shall notify all property appraisers and tax collectors in this state of the designated military operations.

Section 5. The amendments made by this act to s. 196.173(2), Florida Statutes, first apply to the 2022 ad valorem tax roll.

Section 6. Application deadline for additional ad valorem tax exemption for specified deployments.—

(1) Notwithstanding the filing deadline contained in s. 196.173(6), Florida Statutes, for the 2022 ad valorem tax roll, the deadline for an applicant to file an application with the property appraiser for an additional ad valorem tax exemption under s. 196.173, Florida Statutes, is June 1, 2022.

(2) If an application is not timely filed under subsection (1), a property appraiser may grant the exemption if:

(a) The applicant files an application for the exemption on or before the 25th day after the property appraiser mails the
notice required under s. 194.011(1), Florida Statutes;

(b) The applicant is qualified for the exemption; and

(c) The applicant produces sufficient evidence, as determined by the property appraiser, which demonstrates that the applicant was unable to apply for the exemption in a timely manner or otherwise demonstrates extenuating circumstances that warrant granting the exemption.

(3) If the property appraiser denies an application under subsection (2), the applicant may file, pursuant to s. 194.011(3), Florida Statutes, a petition with the value adjustment board which requests that the exemption be granted. Such petition must be filed on or before the 25th day after the property appraiser mails the notice required under s. 194.011(1), Florida Statutes. Notwithstanding s. 194.013, Florida Statutes, the eligible servicemember is not required to pay a filing fee for such petition. Upon reviewing the petition, the value adjustment board may grant the exemption if the applicant is qualified for the exemption and demonstrates extenuating circumstances, as determined by the board, which warrant granting the exemption.

(4) This section shall take effect upon this act becoming a law and applies to the 2022 ad valorem tax roll.
(2)(a) Notwithstanding ss. 196.195 and 196.196, property in a multifamily project that meets the requirements of this paragraph is considered property used for a charitable purpose and is exempt from ad valorem tax beginning with the January 1 assessment after the 15th completed year from of the term of the earliest of:

1. The effective date of the recorded agreement on those portions of the affordable housing property that provide housing to natural persons or families meeting the extremely-low-income, very-low-income, or low-income limits specified in s. 420.0004;

2. The first day of the first taxable year in which the property was placed in service as an affordable housing property that provides housing to natural persons or families meeting the extremely-low-income, very-low-income, or low-income limits specified in s. 420.0004; or

3. The date the property received a certificate of occupancy or a certificate of substantial completion, as applicable, allowing the property to be used as an affordable housing property that provides housing to natural persons or families meeting the extremely-low-income, very-low-income, or low-income limits specified in s. 420.0004.

(b) The multifamily project must:

1. Contain more than 70 units that are used to provide affordable housing to natural persons or families meeting the
extremely-low-income, very-low-income, or low-income limits
specified in s. 420.0004; and

2. Be subject to an agreement with the Florida Housing
Finance Corporation recorded in the official records of the
county in which the property is located to provide affordable
housing to natural persons or families meeting the extremely-
low-income, very-low-income, or low-income limits specified in
s. 420.0004.

This exemption terminates if the property no longer serves
extremely-low-income, very-low-income, or low-income persons
pursuant to the recorded agreement.

(c) To receive the exemption under paragraph (a), a
qualified applicant must submit an application to the county
property appraiser by March 1.

(d) The property appraiser shall apply the exemption to
those portions of the affordable housing property that provide
housing to natural persons or families meeting the extremely-
low-income, very-low-income, or low-income limits specified in
s. 420.0004 before certifying the tax roll to the tax collector.

Section 8. The amendments made by this act to s.
196.1978(2), Florida Statutes, first apply to the 2023 ad
valorem tax roll.

Section 9. Effective January 1, 2023, subsection (1) of
section 196.202, Florida Statutes, is amended to read:
196.202 Property of widows, widowers, blind persons, and persons totally and permanently disabled.—
(1) Property to the value of $5,000 of every widow, widower, blind person, or totally and permanently disabled person who is a bona fide resident of this state is exempt from taxation. As used in this section, the term "totally and permanently disabled person" means a person who is currently certified by a physician licensed in this state, by the United States Department of Veterans Affairs or its predecessor, or by the Social Security Administration to be totally and permanently disabled.

Section 10. The amendment made by this act to s. 196.202(1), Florida Statutes, first applies to the 2023 ad valorem tax roll.

Section 11. Effective January 1, 2023, section 197.319, Florida Statutes, is created to read:
197.319 Refund of taxes for residential improvements rendered uninhabitable by a catastrophic event.—
(1) As used in this section, the term:
(a) "Catastrophic event" means an event of misfortune or calamity that renders one or more residential improvements uninhabitable. It does not include an event caused, directly or indirectly, by the property owner with the intent to damage or destroy the residential improvement.
(b) "Catastrophic event refund" means the product arrived
at by multiplying the damage differential by the amount of

timely paid taxes that were initially levied in the year in

which the catastrophic event occurred.

(c) "Damage differential" means the product arrived at by

multiplying the percent change in value by a ratio, the

numerator of which is the number of days the residential

improvement was rendered uninhabitable in the year in which the

catastrophic event occurred, and the denominator of which is

365.

(d) "Percent change in value" means the difference between

a residential parcel's just value as of January 1 of the year in

which the catastrophic event occurred and its postcatastrophic

event just value expressed as a percentage of the parcel's just

value as of January 1 of the year in which the catastrophic

event occurred.

(e) "Postcatastrophic event just value" means the just

value of the residential parcel on January 1 of the year in

which a catastrophic event occurred, reduced to reflect the just

value of the residential parcel after the catastrophic event

that rendered the residential improvement thereon uninhabitable

and before any subsequent repairs. For purposes of this

paragraph, a residential improvement that is uninhabitable has

no value attached to it. The catastrophic event refund is

determined only for purposes of calculating tax refunds for the

year or years in which the residential improvement is
uninhabitable as a result of the catastrophic event and does not
determine a parcel's just value as of January 1 each year.

(f) "Residential improvement" means an improved
residential dwelling or house that is owned and used as a
homestead as defined in s. 196.012(13) or nonhomestead
residential property as defined in s. 193.1554(1). A residential
improvement does not include a structure that is not essential
to the use and occupancy of the residential dwelling or house,
including, but not limited to, a detached utility building,
detached carport, detached garage, bulkhead, fence, or swimming
pool, and does not include land.

(g) "Uninhabitable" means the loss of use and occupancy of
a residential improvement for the purpose for which it was
constructed, as evidenced by documentation, including, but not
limited to, utility bills, insurance information, contractors'
statements, building permit applications, or building inspection
certificates of occupancy.

(2) If a residential improvement is rendered uninhabitable
for at least 30 days due to a catastrophic event, taxes
originally levied and paid for the tax year in which the
catastrophic event occurred may be refunded in the following
manner:

(a) The property owner must file an application for refund
with the property appraiser:

1. If the residential improvement is restored to a
habitable condition before December 1 of the year in which the catastrophe occurred, no sooner than 30 days after the residential improvement that was rendered uninhabitable has been restored to a habitable condition; or

2. No later than March 1 of the year immediately following the catastrophic event.

The application for refund must be made on a form prescribed by the department and furnished by the property appraiser. The property appraiser may request supporting documentation be submitted along with the application, including, but not limited to, utility bills, insurance information, contractors' statements, building permit applications, or building inspection certificates of occupancy, for purposes of determining conditions of uninhabitability and subsequent habitability following any repairs.

(b) The application for refund must identify the residential parcel upon which the residential improvement was rendered uninhabitable by a catastrophic event, the date on which the catastrophic event occurred, and the number of days the residential improvement was uninhabitable during the calendar year in which the catastrophic event occurred.

(c) The application for refund must be verified under oath and is subject to penalty of perjury.

(d) Upon receipt of an application for refund, the
property appraiser must investigate the statements contained in
the application to determine if the applicant is entitled to a
refund of taxes. If the property appraiser determines that the
applicant is not entitled to a refund, the applicant may file a
petition with the value adjustment board, pursuant to s.
194.011(3), requesting that the refund be granted.

(e) If the property appraiser determines that the
applicant is entitled to a refund, the property appraiser must
issue an official written statement to the tax collector within
30 days after the determination, but no later than by April 1 of
the year following the date on which the catastrophic event
occurred, that provides:

1. The just value of the residential improvement as
determined by the property appraiser on January 1 of the year in
which the catastrophic event for which the applicant is claiming
a refund occurred.

2. The number of days during the calendar year during
which the residential improvement was uninhabitable.

3. The postcatastrophic event just value of the
residential parcel as determined by the property appraiser.

4. The percent change in value applicable to the
residential parcel.

(3) Upon receipt of the written statement from the
property appraiser, the tax collector shall calculate the damage
differential pursuant to this section and process a refund in an
amount equal to the catastrophic event refund.

(4) Any person who is qualified to have his or her property taxes refunded under subsection (2) but fails to file an application by March 1 of the year immediately following the year in which the catastrophic event occurred may file an application for refund under this subsection and may file a petition with the value adjustment board, pursuant to s. 194.011(3), requesting that a refund under this subsection be granted. Such petition may be filed at any time during the taxable year on or before the 25th day following the mailing of the notice of proposed property taxes and non-ad valorem assessments by the property appraiser as provided in s. 194.011(1). Upon reviewing the petition, if the person is qualified to receive the refund under this subsection and demonstrates particular extenuating circumstances determined by the property appraiser or the value adjustment board to warrant granting a late application for refund, the property appraiser or the value adjustment board may grant a refund.

(5) By September 1 of each year, the tax collector shall notify:

(a) The department of the total reduction in taxes for all properties that qualified for a refund pursuant to this section for the year.

(b) The governing board of each affected local government of the reduction in such local government's taxes that occurred.
pursuant to this section.

(6) This section does not affect the requirements of s. 197.333.

Section 12. Section 197.319, Florida Statutes, created by this act, first applies to the 2023 ad valorem tax roll.

Section 13. Section 197.3195, Florida Statutes, is created to read:

197.3195 Abatement of ad valorem taxes and non-ad valorem assessments following destruction caused by a sudden and unforeseen collapse.—

(1) As used in this section, the term "residential improvement" means a multistory residential building that consists of at least 50 dwelling units.

(2) Each parcel owned and assessed as homestead property under s. 193.155 or as nonhomestead residential property under s. 193.1554 which is within a residential improvement that is destroyed due to a sudden and unforeseen collapse of the residential improvement or due to the subsequent demolition of the residential improvement after such collapse is eligible for an abatement of all taxes and non-ad valorem assessments for the year in which the destruction occurred if the property appraiser determines that the condition of the residential improvement on the January 1 immediately preceding the collapse was such that the residential improvement had no value due to a latent defect of the property not readily discernable by inspection.
(a) The property appraiser shall provide to the tax collector an official written statement that provides the information necessary for the tax collector to abate the taxes and non-ad valorem assessments for each parcel owner.

(b) For parcels meeting the requirements of this subsection, a parcel owner is not required to remit a payment, the property appraiser may not issue a notice of proposed property taxes pursuant to s. 200.069, and the tax collector may not issue a tax notice pursuant to s. 197.322. In lieu of the notice of proposed property taxes, the property appraiser must notify the taxpayer that all taxes and non-ad valorem assessments have been abated for the year in which the property was destroyed. If a parcel owner files a petition to the value adjustment board concerning the value of the parcel for the year of the collapse, the value adjustment board must dismiss the petition.

(3) For purposes of determining the assessed value under s. 193.155(8) of a new homestead established by an owner of a parcel within the destroyed residential improvement, the just value and assessed value of the parcel on the January 1 of the year preceding the year of the destruction must be used.

(4) Tax payments received by the tax collector for taxes levied in the year of collapse on parcels meeting the requirements of subsection (2) are eligible for a refund upon application made to the tax collector. For purposes of this
subsection, the parcel owner or the parcel owner's legal representative may apply for a refund.

(5) Section 197.319 does not apply to any parcel for which an abatement of taxes and non-ad valorem assessments is provided to a parcel owner pursuant to this section.

(6) This section is repealed December 31, 2023, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 14. Section 197.3195, Florida Statutes, created by this act, applies retroactively to January 1, 2021.

Section 15. Subsection (2) of section 201.25, Florida Statutes, is renumbered as subsection (3), and a new subsection (2) is added to that section to read:

201.25 Tax exemptions for certain loans.—There shall be exempt from all taxes imposed by this chapter:

(2) Any federal loan that is related to a state of emergency declared by executive order or proclamation of the Governor pursuant to s. 252.36.

Section 16. Paragraph (a) of subsection (2) of section 212.04, Florida Statutes, is amended to read:

212.04 Admissions tax; rate, procedure, enforcement.—

(2)(a) A tax may not be levied on:

1. Admissions to athletic or other events sponsored by elementary schools, junior high schools, middle schools, high schools, community colleges, public or private colleges and
universities, deaf and blind schools, facilities of the youth
services programs of the Department of Children and Families,
and state correctional institutions if only student, faculty, or
inmate talent is used. However, this exemption does not apply to
admission to athletic events sponsored by a state university,
and the proceeds of the tax collected on such admissions shall
be retained and used by each institution to support women's
athletics as provided in s. 1006.71(2)(c).

2. Dues, membership fees, and admission charges imposed by
not-for-profit sponsoring organizations. To receive this
exemption, the sponsoring organization must qualify as a not-
for-profit entity under s. 501(c)(3) of the Internal Revenue
Code of 1954, as amended.

3. Admission charges to an event sponsored by a
governmental entity, sports authority, or sports commission if
held in a convention hall, exhibition hall, auditorium, stadium,
theater, arena, civic center, performing arts center, or
publicly owned recreational facility and if 100 percent of the
risk of success or failure lies with the sponsor of the event
and 100 percent of the funds at risk for the event belong to the
sponsor, and student or faculty talent is not exclusively used.
As used in this subparagraph, the terms "sports authority" and
"sports commission" mean a nonprofit organization that is exempt
from federal income tax under s. 501(c)(3) of the Internal
Revenue Code and that contracts with a county or municipal
government for the purpose of promoting and attracting sports-tourism events to the community with which it contracts.

4. An admission paid by a student, or on the student's behalf, to any required place of sport or recreation if the student's participation in the sport or recreational activity is required as a part of a program or activity sponsored by, and under the jurisdiction of, the student's educational institution if his or her attendance is as a participant and not as a spectator.

5. Admissions to the National Football League championship game or Pro Bowl; admissions to any semifinal game or championship game of a national collegiate tournament; admissions to a Major League Baseball, Major League Soccer, National Basketball Association, or National Hockey League all-star game; admissions to the Major League Baseball Home Run Derby held before the Major League Baseball All-Star Game; admissions to any FIFA World Cup match sanctioned by the Fédération Internationale de Football Association (FIFA), including any qualifying match held up to 12 months before the FIFA World Cup matches; admissions to any Formula One Grand Prix race sanctioned by Fédération Internationale de l'Automobile, including any qualifying or support races held at the circuit up to 72 hours before the grand prix race; or admissions to National Basketball Association all-star events produced by the National Basketball Association and held at a facility such as
an arena, convention center, or municipal facility.

6. A participation fee or sponsorship fee imposed by a governmental entity as described in s. 212.08(6) for an athletic or recreational program if the governmental entity by itself, or in conjunction with an organization exempt under s. 501(c)(3) of the Internal Revenue Code of 1954, as amended, sponsors, administers, plans, supervises, directs, and controls the athletic or recreational program.

7. Admissions to live theater, live opera, or live ballet productions in this state which are sponsored by an organization that has received a determination from the Internal Revenue Service that the organization is exempt from federal income tax under s. 501(c)(3) of the Internal Revenue Code of 1954, as amended, if the organization actively participates in planning and conducting the event, is responsible for the safety and success of the event, is organized for the purpose of sponsoring live theater, live opera, or live ballet productions in this state, has more than 10,000 subscribing members and has among the stated purposes in its charter the promotion of arts education in the communities it serves, and will receive at least 20 percent of the net profits, if any, of the events the organization sponsors and will bear the risk of at least 20 percent of the losses, if any, from the events it sponsors if the organization employs other persons as agents to provide services in connection with a sponsored event. Before March 1 of
each year, such organization may apply to the department for a certificate of exemption for admissions to such events sponsored in this state by the organization during the immediately following state fiscal year. The application must state the total dollar amount of admissions receipts collected by the organization or its agents from such events in this state sponsored by the organization or its agents in the year immediately preceding the year in which the organization applies for the exemption. Such organization shall receive the exemption only to the extent of $1.5 million multiplied by the ratio that such receipts bear to the total of such receipts of all organizations applying for the exemption in such year; however, such exemption granted to any organization may not exceed 6 percent of such admissions receipts collected by the organization or its agents in the year immediately preceding the year in which the organization applies for the exemption. Each organization receiving the exemption shall report each month to the department the total admissions receipts collected from such events sponsored by the organization during the preceding month and shall remit to the department an amount equal to 6 percent of such receipts reduced by any amount remaining under the exemption. Tickets for such events sold by such organizations may not reflect the tax otherwise imposed under this section.

8. Entry fees for participation in freshwater fishing tournaments.
9. Participation or entry fees charged to participants in a game, race, or other sport or recreational event if spectators are charged a taxable admission to such event.

10. Admissions to any postseason collegiate football game sanctioned by the National Collegiate Athletic Association.

11. Admissions to and membership fees for gun clubs. For purposes of this subparagraph, the term "gun club" means an organization whose primary purpose is to offer its members access to one or more shooting ranges for target or skeet shooting.

Section 17. Paragraph (n) is added to subsection (1) of section 212.05, Florida Statutes, to read:

212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, including the business of making or facilitating remote sales; who rents or furnishes any of the things or services taxable under this chapter; or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(n) At the rate of 3 percent of the sales price on the
retail sale of a new mobile home. As used in this paragraph, the term "new mobile home" has the same meaning as in s. 319.001.

Section 18. Paragraphs (c) and (p) of subsection (5) and paragraph (b) of subsection (7) of section 212.08, Florida Statutes, are amended, and paragraph (ppp) is added to subsection (7) of that section, to read:

212.08 Sales, rental, use, consumption, distribution, and storage tax; specified exemptions.—The sale at retail, the rental, the use, the consumption, the distribution, and the storage to be used or consumed in this state of the following are hereby specifically exempt from the tax imposed by this chapter.

(5) EXEMPTIONS; ACCOUNT OF USE.—

(c) Machinery and equipment used in production of electrical or steam energy.—

1. The purchase of machinery and equipment for use at a fixed location which machinery and equipment are necessary in the production of electrical or steam energy resulting from the burning of hydrogen or boiler fuels other than residual oil is exempt from the tax imposed by this chapter. Such electrical or steam energy must be primarily for use in manufacturing, processing, compounding, or producing for sale items of tangible personal property in this state. Use of a de minimis amount of residual fuel to facilitate the burning of nonresidual fuel shall not reduce the exemption otherwise available under this
paragraph.

2. In facilities where machinery and equipment are necessary to burn hydrogen, or both residual and nonresidual fuels, the exemption shall be prorated. Such proration shall be based upon the production of electrical or steam energy from nonresidual fuels and hydrogen as a percentage of electrical or steam energy from all fuels. If it is determined that 15 percent or less of all electrical or steam energy generated was produced by burning residual fuel, the full exemption shall apply. Purchasers claiming a partial exemption shall obtain such exemption by refund of taxes paid, or as otherwise provided in the department's rules.

3. The department may adopt rules that provide for implementation of this exemption. Purchasers of machinery and equipment qualifying for the exemption provided in this paragraph shall furnish the vendor with an affidavit stating that the item or items to be exempted are for the use designated herein. Any person furnishing a false affidavit to the vendor for the purpose of evading payment of any tax imposed under this chapter shall be subject to the penalty set forth in s. 212.085 and as otherwise provided by law. Purchasers with self-accrual authority shall maintain all documentation necessary to prove the exempt status of purchases.

(p) Community contribution tax credit for donations.—

1. Authorization.—Persons who are registered with the...
department under s. 212.18 to collect or remit sales or use tax
and who make donations to eligible sponsors are eligible for tax
credits against their state sales and use tax liabilities as
provided in this paragraph:

a. The credit shall be computed as 50 percent of the
person's approved annual community contribution.

b. The credit shall be granted as a refund against state
sales and use taxes reported on returns and remitted in the 12
months preceding the date of application to the department for
the credit as required in sub-subparagraph 3.c. If the annual
credit is not fully used through such refund because of
insufficient tax payments during the applicable 12-month period,
the unused amount may be included in an application for a refund
made pursuant to sub-subparagraph 3.c. in subsequent years
against the total tax payments made for such year. Carryover
credits may be applied for a 3-year period without regard to any
time limitation that would otherwise apply under s. 215.26.

c. A person may not receive more than $200,000 in annual
tax credits for all approved community contributions made in any
one year.

d. All proposals for the granting of the tax credit
require the prior approval of the Department of Economic
Opportunity.

e. The total amount of tax credits which may be granted
for all programs approved under this paragraph and ss. 220.183
and 624.5105 is $14.5 million in the 2022-2023 fiscal year and $12.5 million in the 2018-2019 fiscal year, $13.5 million in the 2019-2020 fiscal year, and $10.5 million in each fiscal year thereafter for projects that provide housing opportunities for persons with special needs or homeownership opportunities for low-income households or very-low-income households and $4.5 million in the 2022-2023 fiscal year and in each fiscal year thereafter for all other projects. As used in this paragraph, the term "person with special needs" has the same meaning as in s. 420.0004 and the terms "low-income person," "low-income household," "very-low-income person," and "very-low-income household" have the same meanings as in s. 420.9071.

f. A person who is eligible to receive the credit provided in this paragraph, s. 220.183, or s. 624.5105 may receive the credit only under one section of the person's choice.

2. Eligibility requirements.—

a. A community contribution by a person must be in the following form:

(1) Cash or other liquid assets;

(II) Real property, including 100 percent ownership of a real property holding company;

(III) Goods or inventory; or

(IV) Other physical resources identified by the Department of Economic Opportunity.
For purposes of this sub-subparagraph, the term "real property holding company" means a Florida entity, such as a Florida limited liability company, that is wholly owned by the person; is the sole owner of real property, as defined in s. 192.001(12), located in the state; is disregarded as an entity for federal income tax purposes pursuant to 26 C.F.R. s. 301.7701-3(b)(1)(ii); and at the time of contribution to an eligible sponsor, has no material assets other than the real property and any other property that qualifies as a community contribution.

b. All community contributions must be reserved exclusively for use in a project. As used in this sub-subparagraph, the term "project" means activity undertaken by an eligible sponsor which is designed to construct, improve, or substantially rehabilitate housing that is affordable to low-income households or very-low-income households; designed to provide housing opportunities for persons with special needs; designed to provide commercial, industrial, or public resources and facilities; or designed to improve entrepreneurial and job-development opportunities for low-income persons. A project may be the investment necessary to increase access to high-speed broadband capability in a rural community that had an enterprise zone designated pursuant to chapter 290 as of May 1, 2015, including projects that result in improvements to communications assets that are owned by a business. A project may include the
provision of museum educational programs and materials that are directly related to a project approved between January 1, 1996, and December 31, 1999, and located in an area which was in an enterprise zone designated pursuant to s. 290.0065 as of May 1, 2015. This paragraph does not preclude projects that propose to construct or rehabilitate housing for low-income households or very-low-income households on scattered sites or housing opportunities for persons with special needs. With respect to housing, contributions may be used to pay the following eligible special needs, low-income, and very-low-income housing-related activities:

(I) Project development impact and management fees for special needs, low-income, or very-low-income housing projects;

(II) Down payment and closing costs for persons with special needs, low-income persons, and very-low-income persons;

(III) Administrative costs, including housing counseling and marketing fees, not to exceed 10 percent of the community contribution, directly related to special needs, low-income, or very-low-income projects; and

(IV) Removal of liens recorded against residential property by municipal, county, or special district local governments if satisfaction of the lien is a necessary precedent to the transfer of the property to a low-income person or very-low-income person for the purpose of promoting home ownership.

Contributions for lien removal must be received from a
nonrelated third party.

c. The project must be undertaken by an "eligible sponsor," which includes:

(I) A community action program;

(II) A nonprofit community-based development organization

whose mission is the provision of housing for persons with

special needs, low-income households, or very-low-income

households or increasing entrepreneurial and job-development

opportunities for low-income persons;

(III) A neighborhood housing services corporation;

(IV) A local housing authority created under chapter 421;

(V) A community redevelopment agency created under s.

163.356;

(VI) A historic preservation district agency or

organization;

(VII) A local workforce development board;

(VIII) A direct-support organization as provided in s.

1009.983;

(IX) An enterprise zone development agency created under

s. 290.0056;

(X) A community-based organization incorporated under

chapter 617 which is recognized as educational, charitable, or

scientific pursuant to s. 501(c)(3) of the Internal Revenue Code

and whose bylaws and articles of incorporation include

affordable housing, economic development, or community
development as the primary mission of the corporation;
(XI) Units of local government;
(XII) Units of state government; or
(XIII) Any other agency that the Department of Economic
Opportunity designates by rule.

A contributing person may not have a financial interest in the
eligible sponsor.

d. The project must be located in an area which was in an
enterprise zone designated pursuant to chapter 290 as of May 1,
2015, or a Front Porch Florida Community, unless the project
increases access to high-speed broadband capability in a rural
community that had an enterprise zone designated pursuant to
chapter 290 as of May 1, 2015, but is physically located outside
the designated rural zone boundaries. Any project designed to
construct or rehabilitate housing for low-income households or
very-low-income households or housing opportunities for persons
with special needs is exempt from the area requirement of this
sub-subparagraph.

e.(I) If, during the first 10 business days of the state
fiscal year, eligible tax credit applications for projects that
provide housing opportunities for persons with special needs or
homeownership opportunities for low-income households or very-
low-income households are received for less than the annual tax
credits available for those projects, the Department of Economic
Opportunity shall grant tax credits for those applications and grant remaining tax credits on a first-come, first-served basis for subsequent eligible applications received before the end of the state fiscal year. If, during the first 10 business days of the state fiscal year, eligible tax credit applications for projects that provide housing opportunities for persons with special needs or homeownership opportunities for low-income households or very-low-income households are received for more than the annual tax credits available for those projects, the Department of Economic Opportunity shall grant the tax credits for those applications as follows:

(A) If tax credit applications submitted for approved projects of an eligible sponsor do not exceed $200,000 in total, the credits shall be granted in full if the tax credit applications are approved.

(B) If tax credit applications submitted for approved projects of an eligible sponsor exceed $200,000 in total, the amount of tax credits granted pursuant to sub-sub-subparagraph (A) shall be subtracted from the amount of available tax credits, and the remaining credits shall be granted to each approved tax credit application on a pro rata basis.

(II) If, during the first 10 business days of the state fiscal year, eligible tax credit applications for projects other than those that provide housing opportunities for persons with
special needs or homeownership opportunities for low-income households or very-low-income households are received for less than the annual tax credits available for those projects, the Department of Economic Opportunity shall grant tax credits for those applications and shall grant remaining tax credits on a first-come, first-served basis for subsequent eligible applications received before the end of the state fiscal year. If, during the first 10 business days of the state fiscal year, eligible tax credit applications for projects other than those that provide housing opportunities for persons with special needs or homeownership opportunities for low-income households or very-low-income households are received for more than the annual tax credits available for those projects, the Department of Economic Opportunity shall grant the tax credits for those applications on a pro rata basis.

3. Application requirements.—

a. An eligible sponsor seeking to participate in this program must submit a proposal to the Department of Economic Opportunity which sets forth the name of the sponsor, a description of the project, and the area in which the project is located, together with such supporting information as is prescribed by rule. The proposal must also contain a resolution from the local governmental unit in which the project is located certifying that the project is consistent with local plans and regulations.
b. A person seeking to participate in this program must submit an application for tax credit to the Department of Economic Opportunity which sets forth the name of the sponsor, a description of the project, and the type, value, and purpose of the contribution. The sponsor shall verify, in writing, the terms of the application and indicate its receipt of the contribution, and such verification must accompany the application for tax credit. The person must submit a separate tax credit application to the Department of Economic Opportunity for each individual contribution that it makes to each individual project.

c. A person who has received notification from the Department of Economic Opportunity that a tax credit has been approved must apply to the department to receive the refund. Application must be made on the form prescribed for claiming refunds of sales and use taxes and be accompanied by a copy of the notification. A person may submit only one application for refund to the department within a 12-month period.

4. Administration.—
a. The Department of Economic Opportunity may adopt rules necessary to administer this paragraph, including rules for the approval or disapproval of proposals by a person.

b. The decision of the Department of Economic Opportunity must be in writing, and, if approved, the notification shall state the maximum credit allowable to the person. Upon approval,
the Department of Economic Opportunity shall transmit a copy of
the decision to the department.

c. The Department of Economic Opportunity shall
periodically monitor all projects in a manner consistent with
available resources to ensure that resources are used in
accordance with this paragraph; however, each project must be
reviewed at least once every 2 years.
d. The Department of Economic Opportunity shall, in
consultation with the statewide and regional housing and
financial intermediaries, market the availability of the
community contribution tax credit program to community-based
organizations.

(7) MISCELLANEOUS EXEMPTIONS.—Exemptions provided to any
entity by this chapter do not inure to any transaction that is
otherwise taxable under this chapter when payment is made by a
representative or employee of the entity by any means,
including, but not limited to, cash, check, or credit card, even
when that representative or employee is subsequently reimbursed
by the entity. In addition, exemptions provided to any entity by
this subsection do not inure to any transaction that is
otherwise taxable under this chapter unless the entity has
obtained a sales tax exemption certificate from the department
or the entity obtains or provides other documentation as
required by the department. Eligible purchases or leases made
with such a certificate must be in strict compliance with this
subsection and departmental rules, and any person who makes an
exempt purchase with a certificate that is not in strict
compliance with this subsection and the rules is liable for and
shall pay the tax. The department may adopt rules to administer
this subsection.

(b) Boiler fuels.—When purchased for use as a combustible
fuel, purchases of natural gas, residual oil, recycled oil,
waste oil, solid waste material, coal, sulfur, hydrogen, wood,
wood residues or wood bark used in an industrial manufacturing,
processing, compounding, or production process at a fixed
location in this state are exempt from the taxes imposed by this
chapter; however, such exemption shall not be allowed unless the
purchaser signs a certificate stating that the fuel to be
exempted is for the exclusive use designated herein. This
exemption does not apply to the use of boiler fuels that are not
used in manufacturing, processing, compounding, or producing
items of tangible personal property for sale, or to the use of
boiler fuels used by any firm subject to regulation by the
Division of Hotels and Restaurants of the Department of Business
and Professional Regulation.

1. As used this paragraph, the term:
   a. "Green hydrogen" means hydrogen created using an

term also includes hydrogen created using the pyrolytic
decomposition of methane gas.

b. "Primarily used" means a use of at least 50 percent.

2. The following are exempt from the tax imposed by this
chapter:

      blending of green hydrogen. The machinery and equipment must be
      used at a fixed location.
   b. The purchase of machinery and equipment primarily used
      in the production, storage, transportation, compression, or
      blending of ammonia derived from green hydrogen, if the ammonia
      will be converted back to green hydrogen before its use or sale.
      The machinery and equipment must be used at a fixed location.
   c. The purchase of machinery and equipment that are
      necessary to produce electrical energy resulting from the
      electrochemical reaction of green hydrogen and oxygen in a fuel
      cell. The electrical energy must be primarily used in
      manufacturing, processing, compounding, or producing for sale
      items of tangible personal property in this state. The machinery
      and equipment must be used at a fixed location.

3. Purchasers of machinery and equipment qualifying for
the exemption provided in this paragraph shall furnish the
vendor with an affidavit stating that the item or items to be
exempted are for the use designated herein. Purchasers with
self-accrual authority pursuant to s. 212.183 are not required to provide this affidavit but shall maintain all documentation necessary to prove the exempt status of purchases.

4. A person furnishing a false affidavit to the vendor for the purpose of evading payment of any tax imposed under this chapter shall be subject to the penalty set forth in s. 212.085 and as otherwise provided by law.

5. The department may adopt rules to implement the exemptions in this paragraph.

and is taken as a deduction for federal tax purposes in the
current taxable year, the amount of the deduction allowed shall
not be added to taxable income in the current year. The
exception in this sub-subparagraph is intended to ensure that
the credit under s. 220.1875, s. 220.1876, or s. 220.1877 is
added in the applicable taxable year and does not result in a
duplicate addition in a subsequent year.

2. The amount of interest which is excluded from taxable
income under s. 103(a) of the Internal Revenue Code or any other
federal law, less the associated expenses disallowed in the
computation of taxable income under s. 265 of the Internal

15. The amount taken as a credit for the taxable year 
pursuant to s. 220.194.

16. The amount taken as a credit for the taxable year 
under s. 220.196. The addition in this subparagraph is intended 
to ensure that the same amount is not allowed for the tax
