

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Hinson offered the following:

Amendment (with title amendment)

Between lines 166 and 167, insert:

(i) No later than July 1, 2022, the commission must initiate the development of a study or enter into an agreement with the Office of Program Policy Analysis and Government Accountability to conduct a study to determine the effects of the new net metering programs and proposed rules on solar customers, nonsolar customers, the solar industry, and the utility industry. A report must be completed and made available to the public before January 1, 2023.
