

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Willhite offered the following:

2
3 **Amendment (with title amendment)**

4 Remove lines 29-38 and insert:

5 requirements. If a local authority having jurisdiction certifies
6 that a new or existing apartment building that is 75 feet or
7 less in height and is constructed using wood framing, provided
8 that the building has fewer than 150 dwelling units and that all
9 dwelling units discharge to the exterior or to a corridor that
10 leads directly to an exit as defined by the Florida Building
11 Code, meets the minimum interior radio coverage and signal
12 strength requirements, as required by the Florida Fire
13 Prevention Code, the installation of a two-way radio
